of the Sale and Supply of
Alcohol Act.

AND

IN THE MATTER

of an application by **Dynamic Group Holdings Limited** for an On-Site special licence pursuant to s.22 of the Sale and Supply of Alcohol Act 2012 in respect of premises situated at, **Queensbury and Kingsford Street, (5 Goodman Street) Christchurch**, known as the **Red Zone**.

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

DECISION ON THE PAPERS

[1] This is an application by **Dynamic Group Holding Limited** for an On-site special licence for the premises at **Queensbury and Kingsford Street, (5 Goodman Street), Christchurch**, known as **Red Zone** to hold an Odyssey Interactive Music Event

[2] No matters have been raised in opposition in any reports as required by section 141, accordingly I deal with the matter on papers.

[3] This event is an interactive music event showcasing a hologram arena and laser show. The event will be located in the middle of an area known as the "Red Zone" as per Appendix 'A'. There are concerns from the Agencies that given the area, there needs to be a drink up time which is normally not allowed for in a Special Licence. Given the special nature of this event the applicant and all parties have agreed that the sale and supply of alcohol will stop at 10.00 pm while the licence to allow consumption will continue to 11.00 pm.

[4] We are satisfied after standing back and evaluating all the matters placed before us that the application fulfils the criteria as set out in s.142 of the Act and does not offend against either the purpose or object of the Act. Pursuant to s.211(1)(c) the Committee's attitude to this application is therefore that it should be granted. We hereby grant the application for a special licence pursuant to s.104(1).

[5] The licence will not issue until all relevant clearances have been obtained. The applicant is not entitled to sell alcohol until the licence issues.

[6] The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under s.46 to 63 and s.150.

[7] The applicant must comply with all conditions specified on a licence.

[8] The licence will be subject to the following conditions –

Compulsory conditions – section 147(3)

Entry is restricted to ticket holders only.

Restricted and supervised area – section 147(2) and section 119(2)

The following area is designated as a restricted area. The area marked on Appendix 'A'.

The licence is also subject to the following conditions, which in the committee's opinion are not inconsistent with the Act:

- Noise should be controlled so as not to disturb neighbouring residents.
- Alcohol must only be sold, supplied and consumed within the premises as per plan provided, namely the plan marked Appendix 'A'.
- A copy of the licence, together with signs showing the age restriction must be clearly displayed on the premises.
- The Alcohol Management Plan and Event Management Plan, as provided with the application and the undertakings within, are to be read as conditions of the licence and must be adhered to.

51 PAGES ROAD LTD
for a Special Licence pursuant

Christchurch.

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

- [1] This is an application by 51 Pages Road Ltd for an On-Site Special Licence pursuant to s22 of the Act for premises known as Mackenzie's Hotel situated at 51 Pages Road, Christchurch. The occasion is the New Year's Eve Celebration to be held on 31st December 2018.
- [2] The application as originally submitted was incomplete and required additional work by the Inspector to get it to a state where it could be referred to the Committee for decision. The applicant's attention is drawn to the fact that incomplete applications need not be accepted. At this time of year when both the Council's Licensing Team and the District Licensing Committee are extremely busy an applicant submitting an incomplete application is risking either not having it processed at all or refused by the Committee.
- [3] No matters have been raised in opposition in reports required under s.141(1) and accordingly I deal with the matter on the papers.
- [4] I am satisfied as to the matters to which I must have regard as set out in s142 of the Act and I grant the applicant a Special Licence pursuant to s104(1).
- [5] The licence will not issue until all relevant clearances have been obtained and the applicant is not entitled to sell liquor until the licence issues. The applicant's attention is drawn to s259 of the Act which makes it an offence not to comply with certain requirements and restrictions imposed by or under s46 to s63. The applicant must comply with all conditions specified on the licence.

[6] The licence will be subject to the following conditions:

Compulsory Conditions – s147(3)

The following conditions are compulsory:

(a) Alcohol may only be sold under the licence on the following days and during the following hours:

Monday 31st December 2018 between the hours of 11 pm and 12 pm midnight.

The applicant is reminded that there is no drink up time under a Special Licence and all sale, supply and consumption of alcohol must cease at 12 pm midnight.

(b) Drinking water must be freely available on the premises as specified in the application.

Discretionary Conditions – s147(1)

The following discretionary conditions apply-

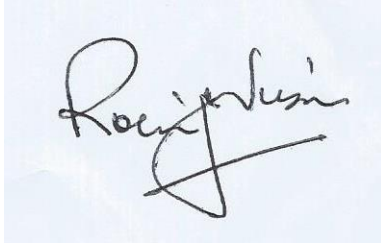

- (a) The licence holder must display appropriate signs adjacent to every point of sale detailing the statutory requirements on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (b) Food must be available for consumption on the premises as specified in the application.
- (c) Low alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (d) Non alcoholic beverages must be available for sale and supply on the premises as specified in the application.
- (e) The licensee must provide assistance with or information about alternative forms of transport from the premises as specified in the application.
- (f) Entry is restricted to invited guests only.
- (g) A copy of the licence together with signs showing the age restriction must be clearly displayed.
- (h) Alcohol must only be sold, supplied and consumed in the area marked on the plan submitted with the application.

The licence is also subject to the following conditions which in the Committee's opinion are not inconsistent with the Act

(a) Noise should be controlled so as not to disturb neighbouring residents.

[7] The premises are designated a supervised area.

DECISION ON APPLICATION FOR MANAGER'S CERTIFICATE

[1] This decision relates to an application by Maia-Grace Tipene ('the applicant') for a Manager's Certificate pursuant to s219 of the Sale and Supply of Alcohol Act 2012 ('the Act'). A hearing of the application was held on 20 June 2018. By interim decision dated 26th of June 2018 the District Licensing Committee adjourned the application for a period of 6 months to enable Ms Tipene to prove her suitability.¹ The Police have advised that in the last six months Ms Tipene has not reoffended and the Police no longer oppose the application for a new manager's certificate.²

[2] On that basis we are satisfied that the application can now be determined on the papers. Having considered the matters in s222 of the Act we find that the applicant holds the required qualifications and experience, and is of a suitable character, to hold a Managers Certificate. We approve the application for a period of 12 months.

DECISION ON APPLICATION FOR RENEWAL OF CLUB LICENCE

[1] This is an application by the No. 6 District Federation of New Zealand Football Incorporated ('the applicant') for a renewal of a Club Licence pursuant to s127 of the Sale and Supply of Alcohol Act 2012 ('the Act') in respect of premises situated at 117 Cranford Street, Christchurch, known as Mainland Football (previously ASB Football Park). The premises operate under an existing licence, which expired on 2 September 2018¹

[2] The general nature of the premise is that of a Sports Club.

[3] The application was received by Christchurch District Licensing on 7 August 2018. The application was publicly notified on 9 August. No objections were received.

[4] There is no objection from the NZ Police and from the Medical Officer for Health. The Medical Officer of Health, has however, suggested that it may be appropriate for a second duty manager to be available as the layout provides for three points of sale.

¹ 60/CL/65/2015

[5] The Inspector's Report sets out the background to the application and addresses the matters to which regard is to be had in section 105, 106 and 131 of the Act.² The Inspector has reported an incident that occurred in July of this year involving an assault during a private hire BYO event. This issue has been addressed through improved policies and procedures when the venue is available for hire for private functions to the satisfaction of the Inspector. The Inspector has also addressed the matters in sections 60 and 62 regarding authorised customers and no bring-your-own alcohol. The Inspector notes that the applicant has requested a condition under s 60(1)(b) allowing alcohol to be sold and supplied to a person who is on the premises at the invitation of an authorised visitor who is also on the premises. The Inspector recommends the grant of the renewal for an on licence for 3 years subject to conditions.

[6] On the basis that there are no outstanding matters raised in opposition in any reports as required by s.103 of the Act I can deal with the application on the papers.³

[7] I have considered the MOH suggestion regarding an additional manger and have inquired of the Inspector about this matter. The Inspector has advised that the Club is open infrequently, however, another member, has recently obtained her LCQ and is likely to apply for a manager's certificate in due course so that a second person is available as required. On that basis I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in s.105 (and informed by s106) and s131 of the Act that the granting the application subject to conditions achieves the objects of the Act.

[8] Accordingly, pursuant to s.130(1) of the Act I grant the application for a renewal of the Club Licence for a period of 3 years subject to the following conditions:

The Licensed Premises

- (a) The premises are identified on the plan provided with the application for a licence.

- (f) Water will be freely available to customers on the premises while the premises are open for business.

Section 117 – Other Discretionary conditions

- (g) The following steps must be taken to promote the responsible consumption of alcohol:
 - (i) The licence must implement and maintain the steps proposed in the Host Responsibility Policy⁴ aimed at promoting the reasonable consumption of alcohol.

[9] A copy of the renewed club licence setting out the conditions to which it is subject is attached to this decision. The licence shall be issued for 3 years.

[10] The applicant's attention is drawn to s.259 of the Act which makes it an offence not to comply with certain requirements and restrictions imposed by or under the Act, specifically, s.46 to 63 and 231(1). The applicant must comply with all conditions specified on a licence.

Decision Number 60D [2018] 3356

IN THE MATTER OF the Sale and Supply of Alcohol Act 2012

AND

IN THE MATTER OF an application by **LITTLE RIVER CAFÉ LIMITED** for an Off -Licence Renewal pursuant to s.127 of the Sale and Supply of Alcohol Act 2012 in respect of premises situated at, **4237 Christchurch Akaroa Road, Little River, Christchurch**, known as Little River Café and Store.

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Commissioner: Ms C Robinson

DECISION ON APPLICATION FOR RENEWAL OF OFF- LICENCE

[1] This is an application by Little River Café Limited ('the applicant') for a renewal of an Off-Licence pursuant to s129 of the Sale of Alcohol Act 2012 ('the Act') in respect of premises situated at 4237 Christchurch Akaroa Road, Little River, Christchurch, known as Little River Café and Store. The premises operate under an existing licence, which expired on 10 October 2018.¹

[2] The general nature of the premise is that of a Grocery Store. The application was received by Christchurch District Licensing on 4 October 2018. The application was publicly notified from 4 October 2018. No objections were received.

¹ 60/OFF/67/2016

[3] The Inspector sets out the background to the application and addresses the matters to which regard is to be had in section 105, 106, 112-115 and 131 of the Act.² The Inspector recommends the grant of the renewal for an on licence for 3 years subject to conditions. The inspector addresses the relevant matters in sections 112 – 113 of the Act with regard to Single Alcohol Area (SAA) conditions, paying particular attention to the legal framework as determined by the CA.³ The Inspector has also considered the effect of the High Court decision *Manawatu Medical Office of Health v G & B Hasler Limited* [2017] NZHC 1208 (Dannevirke New World), where the Court confirmed that the requirement was for the DLC to delineate the perimeter of the Single Alcohol Area on a plan and s112 does not of itself constrain the licensee from making changes to the display within that area, providing as always, that the exposure of shoppers to displays of alcohol is limited as is reasonably practicable. It is open to the DLC to impose conditions under s117 regarding the displays, however these must be reasonable in the circumstances and not a de facto regulation of the SAA. The Inspector has reminded the applicant of these matters and suggested that if changes are made these be discussed in advance with the Inspector to ensure consistency with the requirements of s112. No additional conditions are recommended with regards to the SAA.

[4] The Inspector has noted that two recent inspections identified non-compliances with the single alcohol area and the applicant has received a warning about those issues.

[5] On the basis that there are no outstanding matters raised in opposition in any reports as required by s.103 of the Act I can deal with the application on the papers.⁴

[6] Section 113(1) directs me to give ‘genuine attention and thought’ to the purpose of s112 (1) in describing the perimeter of the SAA. I must take into account the purpose of limiting, so far as reasonably practicable, the extent of shoppers’ exposure to alcohol displays, promotions and advertisements. I find no reason to determine that the SAA so identified does not fulfil the purpose of the section. The SAA is a confined

⁴ ss 191(2) and 202.

area, and limits the extent of shoppers' exposure to alcohol displays, promotions, and advertisements.

[7] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in s.105 (and informed by s106) and s131 of the Act that the granting the application subject to conditions achieves the purpose and objects of the Act. In approving the SAA in the attached plan (dated 6 August 2018), I am satisfied that the area described limits (so far as is reasonably practicable) the exposure of shoppers at the premises to displays and promotion of alcohol, and advertisements of alcohol.

[8] Accordingly, pursuant to s.130(1) of the Act I grant the application for a renewal of the On-licence for a period of 3 years subject to the following conditions:

The Licensed Premises

- (a) The premises are identified on the plan dated 9th October 2018 attached to this decision.

Discretionary conditions – section 116 (1)

- (b) The following steps must be taken to ensure that the provisions of the Act relating to the sale of alcohol to prohibited persons are observed:
 - (i) Display of appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (c) The following steps must be taken to ensure that the provisions of the Act relating to the management of the premises concerned are observed:
 - (i) Alcohol must only be sold, supplied and consumed within the area marked on the plan attached to this decision.

Compulsory conditions – section 116 (2)

- (d) No alcohol is to be sold or supplied on the premises on Good Friday, Easter Sunday, Christmas Day, or before 1pm on Anzac Day.
- (e) Alcohol may only be sold or delivered the following days and during the following hours:
 - (i) Monday to Sunday, between the hours 7.30am-8pm.**
- (f) Drinking water is to be freely available to customers, while alcohol is being supplied free as a sample on the premises.

Section 112 Single Alcohol Areas condition

- (g) Only the area described and delineated on the plan approved by the District Licensing Committee dated 9th October 2018 is the permitted area for the display and promotion of alcohol within the premises as required under section 112.

Section 117 – Other Discretionary conditions

 - (i) The licence must implement and maintain the steps proposed in Little River Café and Store Responsibility Policy⁵ aimed at promoting the reasonable consumption of alcohol.

Renewal pursuant to s.127 of the
Sale and Supply of Alcohol Act
2012 in respect of premises situated

Christchurch**, known as **Bridies
Bar and Bistro**.

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Commissioner: Ms C Robinson

DECISION ON APPLICATION FOR RENEWAL OF ON - LICENCE

[1] This is an application by Global Billiards Finance Limited ('the applicant') for a renewal of an On-Licence pursuant to s129 of the Sale and Supply of Alcohol Act 2012 ('the Act') in respect of premises situated at 403 Worcester Street, Christchurch, known as Bridies Bar and Bistro. The premises operate under an existing licence, which expired on 2 May 2018.¹

[2] The general nature of the premises is that of a tavern.

[3] The application was received by Christchurch District Licensing on 12 April 2018. The application was publicly notified from 7th May 2018. No objections were received. There is no objection from the NZ Police. Initially there was opposition from the Medical Officer of Health; however, in response to the efforts by the applicant to work with the Agencies and put in place better systems, staff and

¹ 60/ON/102/207

training, the issues have been resolved to the satisfaction of the Medical Officer of Health. Certain conditions and undertakings have been given by the applicant in relation to these matters. The Medical Officer of Health has since advised that with those agreements there are no matters in opposition.²

[4] The Inspector's Report sets out the background to the application and addresses the matters to which regard is to be had in section 105, 106 and 131 of the Act.³ The Inspector has referred to the various historical issues and vulnerable location of the premises. The Inspector advises that the applicant has worked with the Agencies to resolve a number of concerns. In light of those matters the Inspector recommends the grant of the renewal for an on licence for 3 years subject to conditions.

[5] I made inquires of the Inspector as to whether it was appropriate to restrict the renewal period to 12 months in light of the historical issues with the premises and the vulnerable nature of the location. Mrs Ramsay responded as follows:⁴

This application was made in April 2018, the renewed licence will be back dated to May 2018. During the renewal enquiry process such significant improvements have been made that the agencies did not believe any truncated renewal was required which is why it has not been discussed in my report or recommended. Bearing in mind no evidence of harm has been located on the premises, it is purely about the prospective risk of harm which has now been minimised by the applicant.

The harms in this community are wider than just this premises being there. The applicants have strived to work with the agencies and the community and have done everything requested of them.

Of course it is always open to the police and inspector to make an application for suspension, cancellation or variation of the licence should there be breaches in the future.

A truncated renewal is neither recommended or requested.

[6] I am satisfied with the response.

[7] On the basis that there are no outstanding matters raised in opposition in any reports as required by s.103 of the Act I can deal with the application on the papers.⁵

³ Inspectors Report, Jennifer Ramsay, 5th December 2018

⁴ Email, DLC Democracy Services, 17th December 2018

⁵ ss 191(2) and 202.

[8] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in s.105 (and informed by s106) and s131 of the Act that the granting the application subject to conditions achieves the purpose and objects of the Act.

[9] In granting this application I have taken into account the written undertakings given on behalf of the applicant by Ms Georgina Whittaker and Mr Peter Whittaker on 31 October 2018. Those undertakings are to:

- (a) Provide staff training on a monthly basis with specific reference to the locality of the premises;
- (b) Keep a record of that training; and
- (c) Screen the outside area with evergreen plants so that people consuming alcohol in that area are not visible from any public area.
