# Proposed new cemetery for Christchurch

# Proposed cemetery and sports park at Templeton

- Context / Background
- The site
- Process

- **Context / Background**

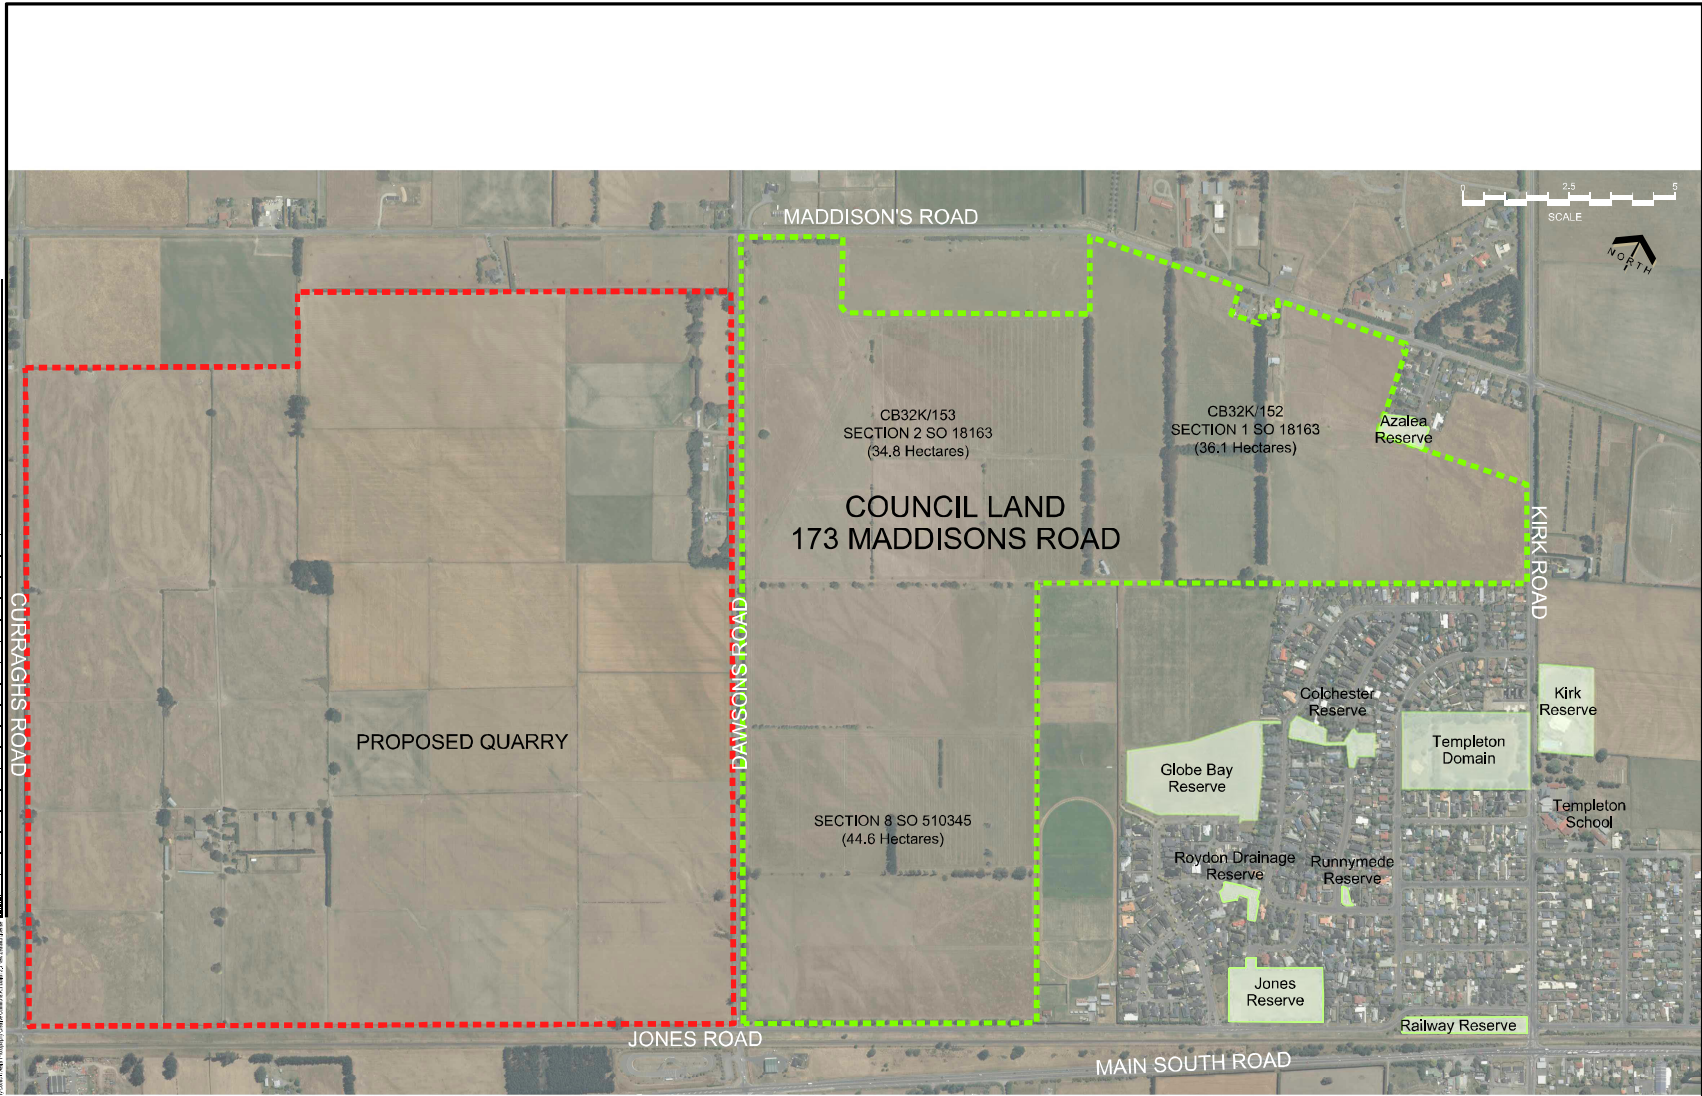

- We need a cemetery

- Legally required to provide for burials
- Limited current capacity
- Demand for wide variety of burial types

- The site

- Why here?

- Good access
    - Large site
    - Low groundwater, suitable soils
    - Population shift

- The site

- What's it like?

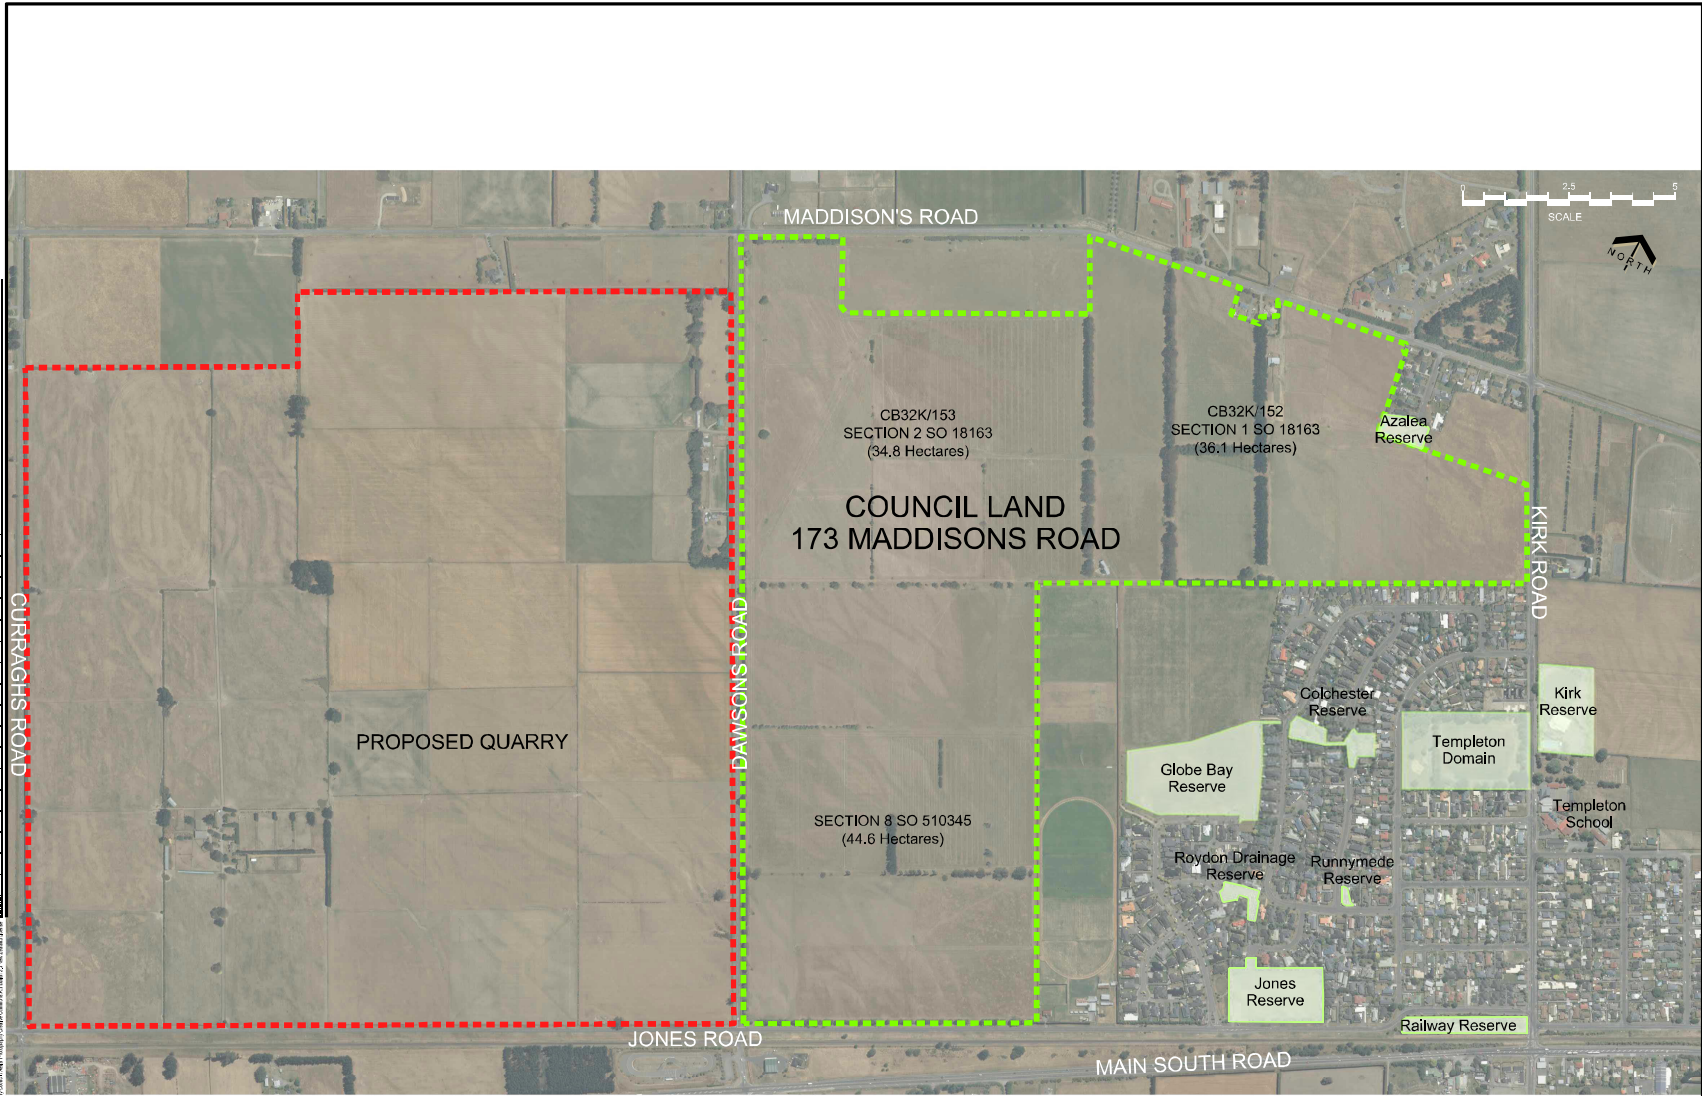

- The site

- possible purchase of adjacent land

- Increase burial capacity
- Improve access
- Greater screening
- Better layout

- The site

- What could it look like?

- Park like appearance and features
      - Vegetation screening, amenity planting, seats, pathways, etc
    - Different burial types
      - Traditional, ashes, green burials, different cultural needs

- Indicative process
