|-------|---------------------------------|---|---|
| 48448 | Option 1                        | Would be good to have a basketball hoop and half court for older kids as they are not properly catered for here. I would also like to see something to deter older kids from riding motorbikes around this playground. Adults and older kids are also driving ATV s and go karts around here which can put other kids off wanting to safely have fun here. It would also be good to have a security camera accessible to the general public here. This might help deter kids from drinking alcohol and taking drugs here. And help parents keep an eye on their kids. | Rick McKinnon   |
| 48419 |                                 | <p>Could you please include some hoop cycle stands close to the playground so that children can bike to the park.</p> <p>Spokes does not have a preference on the two playground options but unfortunately you have to choose to put in a comment.</p>  | Anne Scott, Spokes Canterbury - Submissions Coordinator |
| 48377 | Option 1                        |   | Krychael Brinsdon                                       |
| 48154 | Option 1                        | My son votes for 1  | Keegan Power  |
| 48139 | Option 2                        | A lot of families use this park I feel as if option two relates to both younger and older children . Must needed upgrade lives her for 10+ years bringing up children and the park is desperate for upgrade   | Yolanda Manhire   |
| 48129 | Option 1                        | a seesaw as well  | Andrea Cattermole                                       |
| 48124 | Option 1                        |   | Kirsty Deuss  |
| 48114 | Option 1                        | Please include rubbish bins. We live next door and the amount of rubbish we collect is huge. Our daughter is 10 years old and definitely would like monkey bars. Would love a see saw aswell. Option 1 is definitely the best. Please include see saw with option 1.  | Courtney Brunning                                       |
| 48112 | Option 1                        |   | Alex Thomson  |
| 48044 | Option 2                        | Love taking the grandkids to parks around the city and some have definitely got a bit tired having a shade cloth is a great idea.   | Bernadine Fuldseth                                      |
| 48041 | Option 1                        |   | Chantelle Forster, Ready Steady Play - Manager          |
| 48040 | Option 2                        | This is our local park and would love to see it refreshed!  | Miriam Thew   |
| 48037 | Option 2                        |   | Cameron Austin  |
| 48035 | Option 2                        | Accessible for smaller tamariki (12 year olds) and somewhere comfortable for whānau to sit and watch.   | Shenae Austin   |
| 48033 | Option 1                        |   | Sam Bolton  |
| 48032 | Option 1                        | Maybe a soccer goal or something in the big grass area.   | Nic Rankin  |

|-------|---------------------------------|---|---------------------|
| 48031 | Option 2                        | Fruit trees and or community garden space would be great to support community interaction and healthy eating choices. Any chance of a BBQ area. Stephanie   | Stephanie Davey     |
| 48030 | Option 1                        | Option one and include the seesaw and honeycomb nest would be epic. It's both inclusive and good for both older and younger kids. I feel option 2 is too basic for older children. Some picnic tables and even something like a soccer or volleyball net would be awesome as well. This is our local park and we use it often but lately it's been an absolute mess with used needles and things laying around. | Jess Tait           |
| 48029 | Option 2                        |   | Jenny Mosley        |
| 48028 | Option 2                        | Please no bark unless its the clean type of wood chip   | Megan Collins       |
| 48025 | Option 2                        | Need to make use of all the space available   | Kyle Davidson       |
| 48023 | Option 1                        |   | Laura Kelmere       |
| 48022 | Option 2                        | We use it currently and it desperately needs an update so excited for the changes   | Kirstie Davidson    |
| 48021 | Option 1                        | More swings! And even use both options as an option. It makes sence and give kids of different ages and heights to have a good play. Use the space! Put a basket ball court in even half a court. Kids will love it! More seats and tables make it for families and kids make it inviting! Make it worth its wild. So much space use it! Soooooooooo much potential.  | T S                 |
| 48020 | Option 1                        | We would love to see a half basketball court too there is soo much space there for it. I wish option 1 & 2 was an option to be honest makes more sence. You could even plave option 1 and 2 in that area for younger and older kid options to play. There is soooooo much potential there 1000%   | Charm Clarke        |
| 48019 | Option 2                        | Picnic tables please  | Kerri Dobson        |
| 48016 | Option 2                        | Would be awesome if the driveway leading into the playground was redone. My son ran down there and hurt his ankle in one of the large pot holes   | Abby Rump           |
| 48015 | Option 1                        |   | Caroleann Ward      |
| 48014 | Option 1                        | I'm sure flying fox would go down well with the kids<br><br>Some better seating options and or picnic benches   | Charyl OLeary       |
| 48009 | Option 2                        |   | Tim Harding         |
| 48006 | Option 1                        | A good balance of activities for young and older kids.  | Thomas Newton       |

|-------|---------------------------------|---|---------------------|
| 48004 | Option 2                        | Picnic benches would be great too and maybe a water fountain ( for drinking ) I don't live close by but my parents do and my children and younger siblings go to this park very often   | Sam Old             |
| 48003 | Option 2                        | <p>Hi there</p> <p>This park is in a wonderful location for the amount of children in our area that go between Waitakiri Chisnallwood and is also well utilized by the Scout Den especially in summer. My husband was a Scout leader and they utilised the space all the time for activities.</p> <p>I like the second option as there are a lot of kids (and I mean a lot) from ages 5-12 in the immediate surrounding streets that would use this park more if there was age appropriate options there.</p> <p>I have three boys myself and between friends and I who live just down the end of Robin street we have 11 kids so would love this to be updated. Thank you.</p> <p>Nicole Bowden<br/>Gilwell Street</p> | Nicole Bowden       |
| 47995 | Option 2                        | Picnic tables or somewhere to sit would be great for parents  | Minetta Skudder     |
| 47994 | Option 1                        | This is our closest playground and we use it regularly. We are excited to see it being upgraded.  | Jodi Uluakiafua     |
| 47993 | Option 1                        |   | Keri Richards       |
| 47992 | Option 2                        |   | Jenna van Rijswijk  |
| 47991 | Option 1                        |   | Sarah Johnston      |
| 47985 | Option 2                        | Perfect for younger kiddies   | Samantha Coe        |
| 47984 | Option 2                        |   | Raymer Cook         |
| 47983 | Option 2                        |   | Regan Neale         |
| 47982 | Option 2                        | Glad to see this happening! Option two is better for younger children as they are able to reach more things.  | GinaRose Morris     |

|-------|---------------------------------|--|--|
| 47976 | Option 2                        |  | Carolyn Laing                                |
| 47974 | Option 1                        | This is Brilliant! Maybe some new seating and a couple of tables for everyone to use would really add to it as well. This part of. Burwood needs all the help it can get. Thank you again! | Julie Tavendale                              |
| 47736 | Option 2                        |  | Kraig Santos                                 |
| 47701 | Option 1                        | Add in the honeycomb basket if possible it is unique and interesting   | Rosie Hampton Burwood Scout Group Kea Leader |
| 47676 | Option 1                        | I think two woodier swings and two big swings would be great in this area a lot of families have multiple small children and then many families have multiple older children.              | Ashleigh Cavanagh                            |
| 47617 | Option 1                        |  | Thomas Brocherie                             |
| 47601 | Option 2                        |  | Rebecca Mackle                               |
| 47589 | Option 1                        | Add big slingshot  | Flynn HutchisonRay                           |
| 47585 | Option 1                        |  | Lucy Emery                                   |
