

Land Drainage Recovery Programme

Reducing the risk of flooding throughout Christchurch City

Dudley Creek Work Notice: Sewer main realignment: North Parade & Marshland Rd
NIGHT WORK: 8PM MONDAY 26 JUNE - 6AM TUESDAY 27 JUNE

WHAT ARE WE DOING

- **In May, we temporarily moved a sewer connection so that culverts could be installed across North Parade. All of the culverts have been installed and we need to reconnect the sewer line to the mains.**
- While we reconnect the sewer line at North Parade, the pump station at Marshlands Road will be emptied by using a suction truck. See maps 1 and 2 over page for work locations.
- This work should be completed faster and with less noise than the night work carried out in May.
- We will backfill the work area the next day.

KEY INFORMATION FOR RESIDENTS

- We need to do this work at night again, when there is less pressure on the sewer systems, as fewer people go to the toilet and take showers. There is a high risk of overflow (which would impact residents) if this work was completed during the day.
- **You can use the toilet and wash your hands as normal.** Please limit your other wastewater use (showers, dishwasher, washing machine) as much as possible during this time.
- **This may be noisy work.** There will be increased noise from the crew working onsite, suction trucks, a generator and trucks reversing to the work area.
- **If possible you may wish to sleep in a part of the house that is away from North Parade or the Marshlands Road pump station or stay with a friend.**
- North Parade remains closed (limited resident access only) from Averill Street to North Avon Road.
- There may be an unpleasant smell when the sewer line is exposed.

Please note: This work is weather dependent and will be delayed if necessary. If you are concerned about noise, we can drop ear plugs into your letterbox. Please get in touch with Downer using the contact details below if you would like us to do this for you.

Need more information? Contact Downer on 0800 033 747 or email dudleyinfo@downer.co.nz
