

Christchurch City Council Shirley-Papanui Community Board Electing 5 Board Members

Catherine MOEN

My principal place of residence is not in the Shirley-Papanui Community Board area.

I am also standing for the Hagley/Ferrymead Community Board.

I do, however, live in the eastern suburbs of Christchurch. I am standing as an independent Community Board member.

As the mother of a young family I know the importance of local facilities. It is also important that these facilities be easily accessible.

If elected, I will bring a common-sense approach to my role. The Community Board is there to advocate for the interests of the community. This is the first time I have involved myself in local government but I see a real need to get the concerns of people heard. My employment history has been in the financial and legal sectors, and I will bring this experience to the Shirley Papanui Community Board.

Everyone should have the opportunity to directly impact the future of Christchurch. This is my opportunity to advocate for people wanting to have their say in that future.
