

Christchurch City Council Fendalton-Waimairi Community Board Electing 5 Board Members

Cheryl COLLEY

iCitz - Independent Citizens

My principal place of residence is not in the Fendalton-Waimairi Community Board area.

Lived in Fendalton/Waimairi for thirty years until recently. Currently Deputy Chairperson of the Board and an articulate advocate for residents. The earthquakes have created many issues for our ward - businesses have moved here with associated commuter parking problems; traffic volumes have increased; community facilities have been closed.

The community board needs to play a visible role in the recovery of our community. It's crucial that you have experienced representatives who know their community intimately and have a proven track record. I am such an experienced and effective person with my background in management, education and communication.

Besides dealing with the consequences of the earthquakes, community boards need to continue to carry out their core functions - maintaining streets, parks and community facilities, promoting safety for residents and allocating funding wisely.

Vote for me as I have the courage and insight to meet the challenges of the next three years.
