DECISION 'ON THE PAPERS'

This is an application **Mananui Pty Limited** for a Temporary Authority for an On and Off-licence made under section 136 of the Act in respect of premises known as **Swiggers Hoonhay at 2A Lewis Street, Christchurch** and trading under On-licence number 060/ON/29/2013 and an Off-licence number 060/OFF/3/2012. Both licenses being current to 8 February 2016.

The granting of a Temporary Authority is governed by s.136 of The Act and outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding 3 months.

The Inspector's report confirms that the applicant has tenure for the premises.

There is no opposition from the Licensing Inspector, The Police or Community and Public Health.

The business trades as a tavern.

We are satisfied as to the matters we must have regards to, as set out in section 136 of The Act. We therefore grant the Temporary Authority and it can be issued immediately for a 3 month period or until determined by the Christchurch District Licensing Committee.

The applicant's attention is drawn to s.136(5) of the Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the Off-licence and also to s.110(2)(c) of the Act in relation to the condition of the licence that "drinking water is to be freely available to customers while the premises are open for business".

DECISION 'ON THE PAPERS'

The dates are Wednesday the 27th of May 2015, Wednesday the 17th of June 2015 and Wednesday the 8th of July 2015.

The granting of special licences for major sporting events which are televised has been subject to a number of Authority appeals.

There has been much debate about the 'nature of the events and whether the event must take place on the premises to qualify.

It is the opinion of this committee that the 'State of Origin' rugby league series is an event and the watching of it at another location via electronic means can be also an event if it involves a group of people using a location, in this case a licenced premise, to view the event.

The measures put in place and the conditions placed on the licence will ensure that the event is not seen as 'continuance of trade' and satisfies the requirements of the Act.

The premise is currently the holder of an On-licence, 060/ON/44/2015.

The premises is well run and the Inspector holds no concerns re the running of the event.

A qualified manager will oversee the sale and supply of alcohol during the event.

A 'one Way Door' will be enforced at the entry points of the premises at 11.00pm and will continue until close of trade.

The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act. Specifically sections 46 to 63.

The applicant must comply with all conditions specified on a licence.

The licence will be subject to the following conditions:-

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman: Mr A J Lawn.

DECISION 'ON THE PAPERS'

This application relates to the seeking of an extension of hours on Wednesday the 27th of May 2015 for the live screening of the 'State of Origin' Rugby League game.

The granting of special licences for major sporting events which are televised has been subject to a number of Authority appeals.

There has been much debate about the 'nature' of the events and whether the event must take place on the premises to qualify.

It is the opinion of this committee that the 'State of Origin' rugby league series is an event and the watching of it at another location via electronic means can be also an event if it involves a group of people using a location, in this case a licenced premise, to view the event.

The measures put in place and the conditions placed on the licence will ensure that the event is not seen as 'continuance of trade' and satisfies the requirements of the Act.

The premise is currently the holder of an On-licence, 060/ON/57/2015.

The premises is well run and the Inspector holds no concerns re the running of the event.

A qualified manager will oversee the sale and supply of alcohol during the event.

A 'one Way Door' will be enforced at the entry points of the premises at 11.00pm and will continue until close of trade.

No matters have been raised in opposition in any reports as required by section 141(1), accordingly I deal with the matter on the papers.

I am satisfied as to the matters to which I must have regard as set out in s.142 of the Act and I grant the applicant a special licence pursuant to s.104(1).

The licence will not issue until all relevant clearances have been obtained. The applicant is not entitled to sell liquor until the licence issues. Unlicensed sales can result in imprisonment for up to three months or a fine of \$40,000 (sec 233(2) (a) and (b) of the Act).

The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act. Specifically sections 46 to 63.

The applicant must comply with all conditions specified on a licence.

The licence will be subject to the following conditions:-

Compulsory conditions – section 147(3)

The following conditions are compulsory:

(a) Alcohol may only be sold under the licence only on the following days and during the following hours:

Wednesday the 27th of May 2015 from 9pm to 12 midnight or until the final whistle.

(b) Drinking water will be freely available on the premises as specified in the application:

Discretionary conditions – section 147(1)

(a) The licence holder must display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.

(b) Food must be available for consumption on the premises as specified in the application.

(c) Low-alcohol beverages must be available for sale and supply on the premises as specified in the application.

(d) Non-alcohol beverages must be available for sale and supply on the premises as specified in the application.

(e) The licensee must provide assistance with or information about alternative forms of transport from the premises as specified in the application.

(g) A copy of the licence together with signs showing the age restriction must be clearly displayed.

(h) A One Way Door will be enforced from 11.00pm until close of trade.

The part of the premises shall be designated as Supervised.

The licence is also subject to the following conditions, which in the committee's opinion are not inconsistent with the Act:

Noise should be controlled so as not to disturb neighbouring residents.

A copy of the licence must be clearly displayed on the premises.

A copy of the licence setting out the conditions to which it is subject is attached to this decision.

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

DECISION ON THE PAPERS

This is an application by **Browns of Sumner Limited** for renewal of an Off-Licence in respect of premises situated at **1/43 Nayland Street, Christchurch**, known as **Supervalue Sumner**.

The general nature of the premise is that of a **Grocery**.

The application was received by the Christchurch District Licensing Agency on 19 March 2015, therefore the criteria under s.131 of the Sale and Supply of Alcohol Act 2012 will apply. The Committee notes the applicants initially refused the request from the Inspector to supply sales figures and a Minute had to be issued by the Committee pursuant to s.203(3) directing the applicant to produce such sales figures. They were subsequently produced hence why this decision can now be issued. The Committee does not wish to see this situation occur at any future renewals of this licence.

No other matters have been raised in opposition in any reports as required by s.103 accordingly I deal with the matter on the papers.

No other issues have been raised by the agencies in regards to s 105 of the Act.

The application was duly advertised and no public objection or notice of desire to be heard has been received.

The plan of the store attached to the application and marked "Supervalu Sumner Liquor Licence Renewal 2015" is the plan of the Single Alcohol area approved by the Committee.

DECISION 'ON THE PAPERS'

This is an application **Battersea Investments Limited** for a Temporary Authority for an On-licence made under section 136 of the Act in respect of premises known as **Churchills Tavern** at **441 Colombo Street, Christchurch** and trading under On-licence number 060/ON/100/2014. The licence being current to 28 April 2017.

The granting of a Temporary Authority is governed by s.136 of The Act and outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding 3 months.

The Inspector's report confirms that the applicant has tenure for the premises.

There is no opposition from the Licensing Inspector, The Police or Community and Public Health.

The business trades as a tavern.

We are satisfied as to the matters we must have regards to, as set out in section 136 of The Act. We therefore grant the Temporary Authority and it can be issued immediately for a 3 month period or until determined by the Christchurch District Licensing Committee.

The applicant's attention is drawn to s.136(5) of the Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the Off-licence and also to s.110(2)(c) of the Act in relation to the condition of the licence that "drinking water is to be freely available to customers while the premises are open for business".

MINUTE

This minute relates to the decision of the Christchurch District Licensing Committee in respect to Caliente Kitchens, decision number 60B [2014] 2958

The matter concerned Caliente Kitchens application for renewal of its licence in respect to premises at 98 Victoria Street Christchurch known as Tequila Mockingbird. The application was opposed by the Victoria Street Neighbourhood Association (VNA) and other nearby residents.

The decision of the Committee after a public hearing on the 27 and 28 of November 2014 was that the matter should be adjourned for twelve months to allow time to see if the situation would change over time.

A request has been received from the director of Caliente Kitchens to have the matter brought forward and have a hearing as soon as possible. The director alleged that the adjournment has resulted in loss of income and has hurt the reputation of his business.

Other parties to the hearing namely the Agencies and the Objectors have been contacted and after due consideration we do not believe the situation has a significant impact on the licensee as he has continued to trade with no restrictions due to the hearing being adjourned.

After due consideration the request is therefore denied and this matter will not be reheard at this time.
