[1] This is an application by **Formaggio's Limited** for a Temporary Authority for an On-licence made under section 136 of the Act in respect of premises known as **Formaggio's**, located at **150 Colombo Street, Christchurch**, and trading under On-licence number 060/ON/23/2015. The licence being current until 13 February 2016, I note a holding renewal and fee will need to be lodged for this authority to operate after that date.

[2] The granting of a Temporary Authority is governed by s.136 of The Act and outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding 3 months.

[3] The Inspector's report confirms that the applicant has tenure for the premises.

[4] There is no opposition from the Licensing Inspector or the Police.

[5] The business trades as a restaurant.

[6] We are satisfied as to the matters we must have regards to, as set out in section 136 of The Act. We therefore grant the Temporary Authority and it can be issued immediately for a 3 month period or until determined by the Christchurch District Licensing Committee.

[7] The applicant's attention is drawn to s.136(5) of the Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the On-licence and also to s.110(2)(c) of the Act in relation to the condition of the licence that "drinking water is to be freely available to customers while the premises are open for business".

of an application by **Little River Limited** for renewal of an Off-Licence pursuant to s.127 of the Sale and Supply of Alcohol Act 2012 in respect of premises situated at, **4237 Christchurch-Akaroa Road, Bank Peninsular, known as Little River Café and Store.**

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

DECISION ON THE PAPERS

[1] This is an application by **Little River Limited** for renewal of an Off-Licence in respect of premises situated at **4237 Christchurch-Akaroa Road, Bank Peninsular, Christchurch**, known as **Little River Café and Store**.

[2] The general nature of the premise is that of a **rural general store**.

[3] The application was received by the Christchurch District Licensing Agency on 8 September 2015, therefore the criteria under s.131 of the Sale and Supply of Alcohol Act 2012 will apply.

[4] No other matters have been raised in opposition in any reports as required by s.103 accordingly I deal with the matter on the papers.

[5] No other issues have been raised by the agencies in regards to s 105 of the Act, however the issue of the status of this premise has been raised by the Inspector as he is recommending issue of the licence under s. 34(1) of the Act. This is due to the fact this is a rural general store in an area isolated from other licensed premises and after reading the Inspector Report it is the Committee view that the granting of a licence would not cause any significant increase in alcohol-related harm. It should be noted that the restrictions under s.58, in relation to the kinds of alcohol that can be sold will apply.

[6] The Inspector has supplied a Liquor Licensing Authority *Lake Hawea Store decision PH 13545* and while this was a decision granted under the Sale of Liquor Act 1998, I agree with the Inspector that the Lake Hawea Store decision supports the granting of a licence in this case.

[7] The question of a Single Alcohol Area under section 112 to 115 has also been addressed by the applicant and the Agencies are of a view that it complies with the legislation. After looking at the plan and photographs produced the Committee is of a view that the area prescribed meets the requirements of the Act.

[8] The application was duly advertised and no public objection or notice of desire to be heard has been received.

[9] The plan of the store attached to the application with the area marked "in green" is the plan of the Single Alcohol area approved by the Committee.

[10] I am satisfied as to the matters to which we must have regard as set out in s.105 and 106 of the Act and we grant the licence for a period of 3 years pursuant to s.104.

[11] The applicant's attention is drawn to s.259 of the Act which makes it an offence not to comply with certain requirements and restrictions imposed by or under this Act. Specifically s.46 to 63 and 231 (1).

[12] The applicant must comply with all conditions specified on a licence.

[13] The licence will be subject to the following conditions:-

Compulsory conditions – section 110 (2)

The following conditions are compulsory:

(a) No alcohol is to be sold or delivered on Good Friday, Easter Sunday, Christmas Day, or before 1pm on Anzac Day.

(b) Alcohol may only be sold or delivered on the following days and during the following hours while the premises are operating as a rural general store:

Monday to Sunday 7.30 am to 8.00 pm

(c) Drinking water will be freely available from the premises to customers, while alcohol is being supplied free as a sample on the premises.

(d) Single Area Condition: Alcohol Area for display and promotion of alcohol.

Only the area described and delineated on the plan approved by the District Licensing Committee is the permitted area for the display and promotion of alcohol with the premises as required under s.112.

(Discretionary conditions – section 110 (1))

(a) The following steps must be taken to ensure that the provisions of the Act relating to the sale of alcohol to prohibited persons are observed:

Display of appropriate signs adjacent to every point of sale, detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.

(b) The following steps must be taken to ensure that the provisions of the Act relating to the management of the premises concerned are observed:

Alcohol must only be sold and supplied on the premises in accordance with the premises plan submitted with the application.

Other restrictions and requirements

Section 56 – Display of signs

Section 57 – Display of licenses

Section 58 – Restrictions on kinds of alcohol sold in supermarkets and grocery shops.

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman: Mr A J Lawn
Members Mr P Rogers
Mr R Wilson

- [1] This application is to allow alcohol to be sold and consumed at a 'Back to School Picnic' event to be run by the applicant. The event is an annual fundraising and school community gathering.
- [2] A waiver was granted under section 137(2) of the Act allowing the late filing of the application.
- [3] The event is proposed to take place on the school grounds on Friday the 12th of February 2016 from 5.30pm to 7.30pm.
- [4] A waiver has been sought to allow other than a qualified manager to oversee the sale and supply and consumption of alcohol. This is granted and the responsible person shall be Amelia Simpson.
- [5] It is expected that approximately 400 people will attend the event of which 200 of these will be aged between 0 and 13 years. The event is of a short duration, two hours, and those attending are staff, parents and children of the school. Pre-purchased tickets will be the only means of entry to the event.
- [6] The area where alcohol is proposed to be sold and consumed is the area defined on the plan attached to the as the 'sports field'. This area shall be the only licensed area and alcohol shall not be taken from this area.
- [7] A supervised designation was sought for this area but was subsequently changed after consultation with the Inspector. The area shall be undesignated.

[8] No matters have been raised in opposition by the Police or the Inspector in any reports as required by section 141(1).

[9] The Medical Officer of Health has written a report opposing the application. In his report he states "*The application seeks a licence to sell alcohol for consumption at a "back to school BBQ" between 5.30pm and 7.30pm. The applicant expects up to 400 people, half of whom will be under 13 years of age. Entertainment available is shown as "Bouncy Castle, Water Walkers, Bungy Trampolines, Clowns" This is clearly an event focussed on children.*"

"The applicant previously applied for a special licence for a similar event in 2014. This was opposed by the Medical Officer of Health which resulted in a Public Hearing. Decision no. 60B [2014] 137 was issued by the committee on 10 February 2014 and the application was granted."

[10] The main component of the opposition of the Medical Officer of Health appears founded upon the fact that the application offends against the object of the Act in that any drinking by an adult within view of a child increases the risk of alcohol related harm later in life, especially in a school setting.

[11] This was traversed in the opposition that the Medical Officer of Health raised to applications previously mentioned.

Decision

[12] Given that the Medical Officer of Health has raised no new issues it seems both reasonable and logical to grant the application.

[13] This leaves the Board of Trustees, and the school Principal, to make their own minds up as to the appropriateness of the sale and consumption of alcohol within their school grounds and assess for themselves the information tendered by the Medical Officer of Health.

[14] The committee acknowledges the amended advisory, referred to by Mr Shaw, on the Ministry of Education website which states "*The issue of schools and alcohol is always a sensitive one, but there are occasions (e.g. an adults only fundraiser), when a school may wish to sell alcohol to parents, teachers or others 18+ on the school site*".

[15] The granting of the application is by no ways a criticism of the Medical Officer of Health who has the responsibility under the Act to bring matters to the attention of the District Licensing Committees with which they have genuine concerns.

[16] The agencies are independent reporting bodies and though a consensus makes the point more poignant they are given the right to report as they see fit. This is one of the strengths of the Act.

[17] We are satisfied as to the matters to which we must have regard as set out in s.142 of the Act and the application is granted pursuant to s104(1) with the new plan submitted by the applicant the plan which shall be adhered to.

[18] The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act. Specifically sections 46 to 63.

The applicant must comply with all conditions specified on a licence.

The licence will be subject to the following conditions:-

Compulsory conditions – section 147(3)

The following conditions are compulsory:

- (a) Alcohol may only be sold under the licence only on the following days and during the following hours:
Friday the 12th of February 2016 from 5.30pm to 7.30pm.
- (b) Drinking water will be freely available on the premises as specified in the application:

Discretionary conditions – section 147(1)

- (a) The licence holder must display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (b) Food must be available for consumption on the premises as specified in the application.
- (c) Low-alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (d) Non-alcohol beverages must be available for sale and supply on the premises as specified in the application.
- (e) The licensee must provide assistance with or information about alternative forms of transport from the premises as specified in the application.
- (f) A copy of the licence, together with signs showing the age restriction must be clearly displayed.

The licence is also subject to the following conditions, which in the committee's opinion are not inconsistent with the Act:

- Alcohol must only be sold, supplied and consumed within the area (Sports Field) marked on the plan, submitted with the application.
- Noise should be controlled so as not to disturb neighbouring residents.

A copy of the licence setting out the conditions to which it is subject is attached to this decision.

- [1] This application is to allow alcohol to be sold and consumed at the St Patricks School Fair. The event is an annual fundraising and school / community gathering.
- [2] The event is proposed to take place on the school grounds on Sunday the 20th of March 2016 between 11.00am and 6.00pm.
- [3] A waiver has been sought to allow other than a qualified manager to oversee the sale and supply and consumption of alcohol. This is granted and the responsible person shall be Carolyn Moffat.
- [4] It is expected that less than 100 person will be in the bar area and only those 18+ can use the bar facilities.
- [5] It appeared from the application that the whole school should be undesignated. This may have been a misunderstanding by the applicant.
- [6] This committee would not licence the whole school as the management of such an area would be unrealistic in the circumstances given the grounds will be open to the public.
- [7] The area where alcohol will be authorised by this licence for sale and consumption will be the area defined on the plan attached to the application as the 'bar'. This area shall be the only licensed area and alcohol shall not be taken from this area.
- [8] The area shall be undesignated.

[9] No matters have been raised in opposition by the Police or the Inspector in any reports as required by section 141(1).

[10]The Medical Officer of Health has written a report opposing the application. In his report he states "*The application seeks a licence to operate a 'bar at the school fair' between 11.00am and 6.00pm.*
