- [4] No matters have been raised in opposition in any reports as required by section 120(6) accordingly we deal with the matter on the papers.
- [5] A waiver under section 208 of the Act is sought due to the late publication of the second public notice. This was not wilful and it does not appear that any potential public objectors would be prejudiced by the error. The waiver is granted.
- [6] An outline of the menu and a Host Responsibility Policy were included with the application.

- [7] The Inspector recommends the granting of the variation.

IN THE MATTER

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE:

Chairman : Mr G B Buchanan
Members: Mr P Rogers
Mr D Blackwell (QSM)

A hearing was held at the Christchurch City Council Chambers, CHRISTCHURCH on the 16th November 2015.

APPLICANT

Mr Daniel Anisi Tyce

Introduction

- [1] Mr Tyce was working at Metro Café, a licensed premise in Christchurch. He had been employed there for 5 years working mainly as a barista.
- [2] His employers had encouraged him to obtain his Manager's Certificate to enable him to relieve the role of Duty Manager.
- [3] Mr Tyce had three convictions for driving with excess breath alcohol, the most recent being in 2011.
- [4] The Police and the Licensing Inspector had opposed the application. They sought a hearing by the Committee to determine the matter.
- [5] At the conclusion of that hearing the decision of the committee was to adjourn the decision to allow the applicant to gain further experience in the industry and to have a longer period since his last criminal conviction.

The Police

- [6] The Police report that they no longer object to Mr Tyce having a Manager's Certificate and that it is now more than 5 years since his last conviction.

Licensing Inspector

- [7] The Licensing Inspector reports that My Tyce has changed employers and has gained additional experience in his new role. She now supports his application.

Decision

- [8] The committee therefore grants the applicant a Managers Certificate for a period of 12 months

A handwritten signature in blue ink, appearing to read 'G. Buchanan', is written over a faint, light blue circular stamp.

AND

IN THE MATTER

of an application pursuant to s.136 of the Act for the granting of a Temporary Authority issued to **COOKS AND COCKTAILS RESTAURANT & BAR LIMITED**, trading as 'The Flying Burrito Brothers' and situated at 71 Main North Road, Christchurch.

BEFORE THE CHRISTCHURCH CITY COUNCIL DISTRICT LICENSING COMMITTEE

Chairman: Mr A Lawn
Members: Mr G Buchanan
Mr R J Wilson JP

DECISION 'ON THE PAPERS'

- [1] This is the second application for a Temporary Authority made under section 136 of The Act in respect of premises known as 'The Flying Burrito Brothers' and trading under on-license number 60/ON/158/2015.
- [2] An application for a substantive on-licence has not been processed yet as according to the Alcohol Licensing Inspector's report the application fee has not yet been paid. The non-payment of the application fee may well be due in part to the fact that the sole director and shareholder, Vashni Kingi, has been in hospital due to illness.
- [3] The granting of Temporary Authorities is based on the premise that they are 'Temporary' and are a vehicle to allow the applicant time to apply for a permanent licence. In the circumstances the Committee sees no impediment to the issuing of a second Temporary Authority.
- [4] The applicant fulfils the criteria for the granting of an authority as set out in the Act, they have tenure and there is a valid licence for the existing premise.
- [5] There is no opposition from the Licensing Inspector or The Police to the granting of this Authority.

[6] We are satisfied as to the matters we must have regard to as set out in section 136 of The Act.

[7] The applicant's attention is drawn to section 136(5) of The Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the on-license or off-licence concerned".

[8] The duration of the Temporary Authority shall be no more than 3 months from the date of the decision or when a substantive licence is issued, whichever occurs first.

DATED at CHRISTCHURCH this 13th day of July 2016.

IN THE MATTER of an application by
Kelly Anne Martin for a
Renewal of Manager's
Certificate pursuant to
s.212 and 226 of the
Act.

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman: Mr G Buchanan.

CORRIGENDUM

- [1] On 24 May 2016 a decision was given in regards to an application for renewal of a Manager's Certificate by Kelly Anne Martin, Decision Number 60D [2016] 1197.
- [2] In this decision it was stated that the Manager's Certificate for Kelly Anne Martin could be renewed for a period of 3 years.
- [3] This was incorrect and the applicant was granted a renewal for the wrong length of time.
- [4] On 12 November 2015 the applicant had been apprehended by Police for driving with excess breath alcohol. She was subsequently convicted on the 30th of March 2016 in the Christchurch District Court of driving with excess breath alcohol. She was fined \$750 and disqualified from driving for a period of seven months.
- [5] In the period between Ms Martin's apprehension by the Police in November 2015 and her subsequent conviction in the District Court in March 2016, she applied to renew her Manager's Certificate.
- [6] On 12 May 2016 the Police applied to the Alcohol Regulatory and Licensing Authority to suspend Ms Martin's Manager's Certificate. Ms Martin's Manager's Certificate was suspended for a period of 30 days from 1 August 2016. Ms Martin had also agreed to a shorter renewal period of 12 months and this was noted in the decision of the Authority [2016] NZARLA 260.

- [7] Decision Number 60C [2016] 1197 shall be amended to state that the Managers Certificate for Kelly Anne Martin is renewed for a period of 12 months. The 12 month renewal period shall start from 16 January 2016.
- [8] All other matters in the decision shall remain the same.

IN THE MATTER of the Sale and Supply of
Alcohol Act 2012

AND

IN THE MATTER of an application by
SHARLENE TUKUA for
renewal of a Manager's
Certificate pursuant to
s224 of the Act.

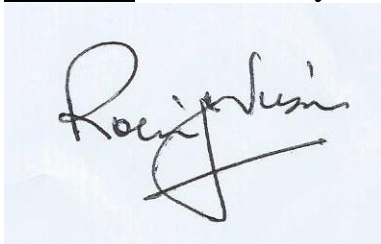

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

The application was duly received with the required documentation.

I have read the Inspector's report and I note that he is not in opposition. The NZ Police initially opposed the application on grounds of suitability. They reported an excess breath alcohol conviction with a high reading in 2014 and Police involvement with the applicant when alcohol abuse was a factor on two occasions since. However after discussion with the applicant she has consented to a limited renewal of twelve months only and on that basis the Police opposition is now withdrawn.

I therefore deal with the matter on the papers and grant the applicant renewal of Manager's Certificate GM/060/104/2012 **for a period of one year**. The applicant is advised that any further demonstration of failure to meet the high standards expected of a Manager may result in the refusal of the renewal of her Certificate in the future.

Act 2012

AND

IN THE MATTER

of an application by **THE
ISLINGTON TAVERN LIMITED**
for the variation of an ON License
pursuant to s.120 of the Act in
respect of premises situated at
**670 Main South Road,
Christchurch** and known as “**The
Islington Tavern**”.

THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairman: Mr A J Lawn.

DECISION ON THE PAPERS

- [1] This is an application by **Islington Tavern Limited** for the variation, of the On-Licence in respect of premises situated at **670 Main South Road, Christchurch** known as ‘**The Islington Tavern**’.
- [2] The application was duly advertised and no public objection or notice of desire to be heard has been received.
- [3] No matters have been raised in opposition in any reports as required by section 129 accordingly I deal with the matter on the papers.
- [4] The general nature of the premise is that of a Tavern and it currently trades under on-licence 60/ON/114/2014. The whole of the premise has a supervised designation under the conditions of its current licence.
- [5] The applicant is an experienced licensee and has run the premises for a number of years.
- [6] The variation relates to a change in the designation of part of the premises. The area in question is a café style seated dining area with an outside area. At present this area is designated as supervised and the applicant seeks that this is changed to undesignated.
- [7] Police, in their report, state that they had received information that on the 31st of May 2016 an 18th birthday party had been held at the premise and that minors had been on the premise unaccompanied and that those minors had also been supplied alcohol. Police subsequently held a meeting with the licensee on the

13th of June 2016 and issued a warning for supplying alcohol to a minor. Police suggested at the meeting that the licensee needed to sort out the designation of that part of the premises which was being used as a café.

[8] The Alcohol Licensing Inspector recommends that the designation is changed so as to make the 'café' area undesignated and keep the main tavern area as a supervised designation.

[9] The applicant originally sought to have no designation on the whole premises until 9.30pm and then only designate the tavern area as supervised. After discussions with the agencies this was subsequently changed to just removing the designation for the café area.

[10] I agree with the Alcohol Licensing Inspector when she stated in an email to the applicant, "You are lucky the Police have decided not to prosecute you for these offences and are only requesting that you apply to have the café area undesignated ...". If the offences were proven then a suspension and a negative holding would normally have been the standard consequences.

[11] It appears from the correspondence on the file that the applicant has been allowing unaccompanied minors, who are with sports teams, to be on the premises for a number of years. This is a practice that must stop when those teams frequent the tavern part of the premise. They may now be on the premises only in the café area and no minors are to be served alcohol unless the alcohol is served by a parent or legal guardian. The café area is not to be run as just another part of the tavern, food must be the main focus of this area. It can however be used as a function area, a purpose for which it seems from the file that it is already being used.

[12] I am satisfied as to the matters to which I must have regard as set out in s.105 of the Act and the variation to the licensed area is granted under section 120 of the Act. The current licence, with these variations, continues to expire on the 18th day of April 2017.

[13] The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act, specifically sections 46 to 63 and 231(1).

[14] The applicant must comply with all conditions specified on a licence.

[15] The licence will be subject to the following conditions:-

ON Licence.

The following conditions are compulsory:

(a) No Alcohol is to be sold on the premises on Good Friday, Easter Sunday, Christmas Day, or before 1pm on ANZAC Day to any person who is not present on the premises to dine;

(b) Alcohol may only be sold on the following days and during the following hours:

Monday to Sunday 8.00am to 2.00am the following day.

(c) Water will be freely available to customers on the premises while the premises are open for business.

Discretionary conditions – section 110 (1)

(a) The following steps must be taken to ensure that the provisions of the Act relating to the sale of alcohol to prohibited persons are observed:

- Display of appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.

(b) The following steps must be taken to ensure that the provisions of the Act relating to the management of the premises concerned are observed:

(c) The following steps must be taken to promote the responsible consumption of alcohol:

- The licensee must implement and maintain the steps proposed in their host responsibility policy aimed at promoting the reasonable consumption of alcohol.

IN THE MATTER of the Sale and Supply of

AND

IN THE MATTER of an application pursuant to
s.136 of the Act for the
granting of a Temporary
Authority issued to
BURWOOD LIQUOR

Avenue' and situated at **9**
Parnwell Avenue,
Christchurch.

BEFORE THE CHRISTCHURCH CITY COUNCIL DISTRICT LICENSING
COMMITTEE

Chairman: Mr A J Lawn
Members: Mr P R Rogers
Mr R J Wilson JP

DECISION 'ON THE PAPERS'

- [1] This is the first application for a Temporary Authority made under section 136 of The Act in respect of premises known as '**Liquor Avenue**'. The premise is currently trading under off-license number **60/OFF/75/2007**, which has an expiry date of the 12th of December 2016.
- [2] The applicant fulfils the criteria for the granting of an authority as set out in the Act, they have tenure and proof of purchase has been supplied and there is a valid licence for the existing premise.
- [3] There is no opposition from the Alcohol Licensing Inspector, or the Police, to the granting of this Authority.
- [4] We are satisfied as to the matters we must have regard to as set out in section 136 of The Act.
- [5] The granting of Temporary Authorities is based on the premise that they are 'Temporary' and are a vehicle to allow the applicant time to apply for a permanent licence. The applicant should be aware that it is the opinion of this Committee that a substantive licence application should be submitted to the Committee within six weeks. If there are legitimate reasons for a delay then the time may be extended

but the question of suitability could be raised if an application is not submitted in a timely fashion.

- [6] The applicant's attention is drawn to section 136(5) of The Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the on-license or off-licence" and also to section 110(2)(C) of The Act in relation to the condition of the license that "drinking water is to be freely available to customers while the premises are open for business".
- [7] The duration of the Temporary Authority shall be no more than 3 months from the date of the decision or when a substantive licence is issued, whichever occurs first.

Decision Number: 60A [2016] 1851

IN THE MATTER

of the Sale and Supply of Alcohol
Act 2012

AND

IN THE MATTER

of an application pursuant to
s.136 of the Act for the granting of
a Temporary Authority issued to
FRANK VAN SCHAIK, trading
as '**Aikmans and Bardello**' and
situated at **154 Aikmans Road,**
Christchurch.

**BEFORE THE CHRISTCHURCH CITY COUNCIL DISTRICT LICENSING
COMMITTEE**

Chairman: Mr A J Lawn
Members: Mr P R Rogers
Mr R J Wilson JP

DECISION 'ON THE PAPERS'

This is the first application for a Temporary Authority made under section 136 of The Act in respect of premises known as '**Aikmans and Bardello**'. The premise is currently trading under on-license number **60/ON/170/2015**, which has an expiry date of the 4th day of August 2018.

The application for the Temporary Authority appears rushed and there have been issues with who is exactly receiving the proceeds from the sale of alcohol. These matters were quite rightly a concern for the Police but now appear to have been clarified.

There is no evidence of a lease agreement on the file. Proof of tenure is a basic tenant of any alcohol licence. Due to the short takeover period this appears to have been overlooked. Therefore the applicant in this matter is required to furnish to the Committee within 5 working days a signed copy of a lease agreement for the premises or an email from the landlord, or their agent, that they consent to the applicant carrying on the sale of alcohol from the premises.

The applicant fulfils the criteria for the granting of an authority as set out in the Act, they appear to have tenure, proof of purchase has been supplied and there is a valid licence for the existing premise.

There is no opposition from the Alcohol Licensing Inspector, or the Police, to the granting of this Authority.

The granting of Temporary Authorities is based on the premise that they are 'Temporary' and are a vehicle to allow the applicant time to apply for a permanent licence. The applicant should be aware that it is the opinion of this Committee that a substantive licence application should be submitted to the Committee within six weeks. If there are legitimate reasons for a delay then the time may be extended but the question of suitability could be raised if an application is not submitted in a timely fashion.

We are satisfied as to the matters we must have regard to as set out in section 136 of The Act.

The applicant's attention is drawn to section 136(5) of The Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the on-license" and also to section 110(2)(C) of The Act in relation to the condition of the license that "drinking water is to be freely available to customers while the premises are open for business".

The duration of the Temporary Authority shall be no more than 3 months from the date of the decision or when a substantive licence is issued, whichever occurs first.

DATED at CHRISTCHURCH this 29th day of July 2016.

AND

IN THE MATTER

of an application by TONI
SHANNON
MULHOLLAND for a
Manager's Certificate
pursuant to s219 of the Act.

DECISION OF THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

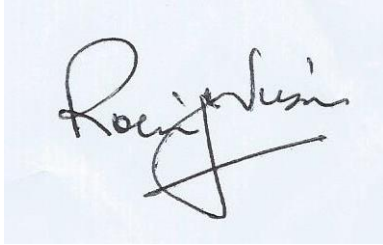

The application was duly received with the required documentation.

I have read the Inspector's report and I note that no matters have been raised in opposition by the Inspector or the NZ Police under s225(3) & (4). I therefore deal with the matter on the papers. I note that Ms Mulholland has convictions which I must consider in assessing her suitability to hold a Manager's Certificate.

The Inspector has strongly supported the granting of a Manager's Certificate to Ms Mulholland. In doing so she has drawn my attention to numerous past cases which have relevance to the decision I have to make. Essentially she argues that the two most recent convictions can be regarded as minor or irrelevant and the only conviction of concern is that for Driving with Excess Breath Alcohol which dates back to 6th April 2012. Using the guidelines provided in the *Osborne* decision Ms Mulholland would already be eligible to apply for a Certificate if the two later convictions are disregarded. *Osborne* however only provides guidance and I am required to use my own discretion in weighing up the various factors. I am satisfied that Ms Mulholland's character and attributes as attested in the other documents provided to me more than balance any concern about the convictions. I also note Ms Mulholland has given a written undertaking that she will only utilize her Certificate at Robbies Belfast for the first year where she will have good supervision and support.

I therefore grant the applicant a Manager's Certificate for a period of one year.
