

Application for a building consent for the installation of a backflow prevention device

Section 33 or Section 45, Building Act 2004, Building (Forms) Regulations 2004 – Form 2

About this form

- Please check on our website (ccc.govt.nz/building-consent-forms-and-guides) that the form you are using is current at the time of application as forms are subject to change without notice.
- This application form has been developed to be used by building owners who have received a letter from the Council requesting them to install a backflow prevention device. For applications where a letter has not received, please apply for building consent [online](#) via online services. Further guidance on backflow prevention is available on our website at ccc.govt.nz/backflow-prevention.
- Other general information can be found on our website at ccc.govt.nz/consents-and-licences. For general enquiries please phone (03) 941 8999 or email info@ccc.govt.nz. Refer to the current fees and charges on our website at ccc.govt.nz/fees-building-control. Note, when applying for a building consent the costs/charges will vary depending on the time a building consent officer spends processing your consent.
- A building consent is the formal approval issued by a Building Consent Authority (BCA) to ensure certain works meet the requirements of the Building Act 2004, Building Regulations and the New Zealand Building Code.
- Christchurch City Council reserves the right, from time to time, to contact customers in regard to the services provided.

Complete this form and submit via the following methods:
