

Application for certificate of acceptance

Section 97, Building Act 2004, *Form 8 - Building (Forms) Regulations 2004*

About this form

- Please check on our website (ccc.govt.nz/building-consent-forms-and-guides) that the form that you are using is current at time of application as forms are subject to change without notice.
- General information can be found on our website at ccc.govt.nz/goahead
- For general enquiries please phone (03) 941 8999 or email info@ccc.govt.nz
- A certificate of acceptance may be issued by the Council for work that required a building consent, but has been carried out without that consent having first been obtained. It allows for certification of work that has for example been carried out urgently because of safety issues and where there has not been time to apply for and obtain a consent because of that emergency.

FEES AND CHARGES:

- The latest Building Consents Fee Schedule is available on our [website](http://ccc.govt.nz/fees-building-control) or from one of our Council service desk (ccc.govt.nz/fees-building-control).
- The invoice on application includes the minimum application fee, and in many cases the fees, charges or levies that would have been payable if a building consent had been obtained before carrying out the work (section 97(e), Building Act 2004). These fees are additional to any costs incurred in processing the application.
- On completion of processing, a further invoice will be raised to cover costs additional to the minimum application fee incurred in processing the application. These fees apply even if the Council decision is to refuse to issue the certificate of acceptance.
- A certificate of acceptance will not be issued by the Council until all fees and charges relating to that application have been paid in full.

SUBMITTING AN APPLICATION:

An application can be lodged via the following methods:

- **Online** via <http://onlineservices.ccc.govt.nz> you will need to register to use Online Services. You can register at <http://onlineservices.ccc.govt.nz>
