(ON THE PAPERS)**

---

[1] This is an application by **Eruption Brewing Limited** (“the applicant”) for renewal of an On-Licence pursuant to section 99 of the Sale and Supply of Alcohol Act 2012 (“the Act”) for premises known as **Eruption Brewing** situated at 26 London Street, Lyttelton.

[2] The premises are in the nature of a Tavern.

[3] The application was duly advertised and no public objections or notice of desire to be heard have been received.

[4] The New Zealand Police and the Medical Officer of Health are not opposed to the application.

[5] The Inspector's Report sets out the background to the application and addresses matters to which regard is to be had in section 105 and 106 of the Act.<sup>1</sup> The Inspector recommends the grant of the licence for three years subject to conditions.

[6] On the basis that there are no outstanding matters raised in opposition in any reports as required under section 103 of the Act I can deal with the application on the papers.<sup>2</sup>

[7] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 105 (and informed by section 106) of the Act and that granting the application subject to conditions achieves the purpose and objects of the Act.

[8] Accordingly, pursuant to section 104(1) of the Act I grant the application for an On-licence renewal for a period of three years subject to the following conditions:

  - (i) Alcohol must only be sold, supplied and consumed in the area marked on the plan submitted with the application.

- (e) Alcohol may only be sold and supplied on the following days and during the following hours when the premises are being operated as a Tavern:

- (f) Water must be freely available to customers at all times while the premises are open for business.

### **Section 117 Other discretionary conditions**

[5] The Police are opposed to the grant of the licence on the grounds that entry to the premises for patrons, other than those seeking to watch the televised game, is not restricted – so that both patrons attending for the purpose of dining and those attending under the Special Licence would occupy the same space. It is the Police view that such a situation is likely to be unmanageable. Additionally, the “Event” has not been advertised and Police are unaware of any other licensed premises in the District seeking a Special Licence in respect of the same event.

[6] The Inspector’s Report sets out the background to the application and addresses the matters to which regard is to be had in section 142 of the Act.<sup>2</sup> The Inspector recommends the grant of the special licence for the event subject to conditions.

- (d) Drinking water will be freely available on the premises as specified in the application.

---

[1] This is an application by **TAJ Liquor Limited** for a Temporary Authority for premises known as **Bottle-O Lincoln Road** situated at 306 Lincoln Road, Christchurch. The application comes about because of a change of ownership. An application for a substantive licence has yet to be received.

I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.

[6] The applicant is also advised that it is the expectation of the Committee that an application for a substantive licence will be lodged within six weeks of the date of this Temporary Authority. **DECISION ON APPLICATION FOR TEMPORARY AUTHORITY  
(ON THE PAPERS)**

---

[1] This is an application by **DBCM Investments Limited** for a Temporary Authority for premises known as **The Final Whistle Sports Bar** situated at 77 Stevens Street, Christchurch. The application comes about because of a change of ownership. An application for a substantive licence has been submitted.

[2] The New Zealand Police do not oppose the application. The Inspector recommends the granting of a Temporary Authority.<sup>1</sup> Accordingly I deal with the matter on the papers.

[3] The granting of a Temporary Authority is governed by section 136 of the Act which outlines the criteria for the making of an order authorising the applicant to carry on the sale and supply of alcohol for a period not exceeding three months. I am satisfied that the applicant fulfils the criteria for the granting of a Temporary Authority and this is granted for a period of three months or earlier if the substantive application is determined.

<sup>1</sup> Inspector's report, Martin Ferguson, 29 April 2022.

[4] Section 110(2)(c) – Drinking water is to be freely available to customers while the premises are open for business.

[5] The applicant's attention is drawn to section 136(5) of the Act where it states that they carry "the same duties, obligations and liabilities as the holder of the On-Licence."
