AND

IN THE MATTER OF an application by **Ingenious X Limited** for an **On-Licence Renewal** pursuant to section 99 of the Act in respect of premises situated at **Q4/364 Riccarton Road, Christchurch**, known as '**New York Deli (Bush Inn)**'

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairperson: Mr D L Blackwell

**DECISION ON APPLICATION FOR RENEWAL OF ON-LICENCE

[1] This is an application by **Ingenious X Limited** ("the applicant") for renewal of an On-Licence pursuant to section 99 of the Sale and Supply of Alcohol Act 2012 ("the Act") for premises known as **New York Deli (Bush Inn)** situated at Q4/364 Riccarton Road, Christchurch.

[2] This application was made within 20 working days of the expiry date of the current licence. On 21st March 2025 the District Licensing Committee granted a section 208 waiver in relation to accepting this application

[3] The premises are in the nature of a Deli.

[4] The application was duly advertised and no public objections or notice of desire to be heard have been received.

[5] The New Zealand Police and the Medical Officer of Health are not opposed to the application.

[6] The Inspector's Report sets out the background to the application and addresses matters to which regard is to be had in section 105 and 106 of the Act.¹ The Inspector recommends the grant of the licence for three years subject to conditions.

[7] On the basis that there are no outstanding matters raised in opposition in any reports as required under section 103 of the Act I can deal with the application on the papers.²

[8] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 105 (and informed by section 106) of the Act and that granting the application subject to conditions achieves the purpose and objects of the Act.

[9] Accordingly, pursuant to section 104(1) of the Act I grant the application for an On-licence renewal for a period of three years subject to the following conditions:

The Licensed Premises

- (a) The premises are identified on the plan provided with the application for a licence.³

- (c) The following steps must be taken to ensure that the provisions of the Act relating to the management of the premises are concerned:

¹ Inspector's Report, Charlotte Hannon, 24 April 2025.

² ss 191(2) and 202.

³ As attached to the application.

- (i) Alcohol must only be sold, supplied and consumed in the area marked on the plan submitted with the application.

Section 110(2) Compulsory Conditions

- (d) No alcohol is to be sold or supplied on the premises on Good Friday, Easter Sunday, Christmas Day or before 1 pm on Anzac Day to any person not present on the premises to dine.
- (e) Alcohol may only be sold and supplied on the following days and during the following hours when the premises are being operated as a Deli:

Monday to Sunday 10.00 am to 11.00 pm.

- (f) Water must be freely available to customers at all times while the premises are open for business.

Section 117 Other discretionary conditions

- (g) The following steps must be taken to promote the reasonable consumption of alcohol:
 - (i) The licensee must implement and maintain the steps proposed in its Host Responsibility Policy⁴ aimed at promoting the reasonable consumption of alcohol.

[10] The premises are undesignated.

[11] A copy of the licence setting out the conditions to which it is subject is attached to this decision. The licence shall be issued for three years.

[12] The applicant's attention is drawn to section 259 of the Act which makes it an offence not to comply with certain requirements and restrictions imposed by or under the Act.

⁴ As attached to the application.

Specifically sections 46 to 63 and 231(1). The applicant must comply with all conditions specified on the licence.

[2] The applicant fulfils the criteria for the granting of an authority as set out in the Act, they have tenure and there is a valid licence for the existing premise.

[3] There is no opposition from the Licensing Inspector, nor the Police to the granting the Temporary Authority. The person employed in that position must**

be approved by both the Inspector and the Police before this Temporary Authority will take effect.

[4] We are satisfied as to the matters we must have regard to as set out in section 136 of The Act.

[5] The applicant's attention is drawn to section 136(5) of The Act where it states that they carry "the same duties, obligations, and liabilities as the holder of the on-licence or off-licence concerned".

[6] The duration of the Temporary Authority shall be no more than 3 months from the date of the decision or when a substantive licence is issued, whichever occurs first.

[7] A substantive licence application has yet to be lodged. An application for a substantive licence should be lodged within **six (6)** weeks of the granting of this authority.

[1] This is an application by **YANKEE BOURBON LIMITED** (‘the applicant’) for a renewal of an Off-Licence pursuant to section 129 of the Sale and Supply of Alcohol Act 2012 (‘the Act’) in respect of premises situated at **226a Ferry Road, Christchurch**, known as **‘Yankee Bourbon’**. The premises operate under an existing licence, which expires on 20 September 2024.¹

[2] The general nature of the premise is that of a **Bottle Store**.

[3] The application was received by the Christchurch City Council Alcohol Licensing Team on 5 September 2024. The application was publicly notified and remained on the website in compliance with Statutory requirements.

AND

IN THE MATTER OF an application by **AMISH TRADING LIMITED** for a **Variation of an On-Licence** pursuant to section 120 of the Act in respect of premises situated at **22 Riccarton Road, Christchurch**, known as **‘Mayor of Ale and Burj’**

BEFORE THE CHRISTCHURCH DISTRICT LICENSING COMMITTEE

Chairperson: Mrs M S Redstone

**DECISION ON APPLICATION FOR VARIATION OF ON-LICENCE
(ON THE PAPERS)**

[1] This is an application by **AMISH TRADING LIMITED** (‘the applicant’) for a Variation to the On-Licence¹ under s120 of the Sale and Supply of Alcohol Act 2012 (‘the Act’) in respect of premises situated at **22 Riccarton Road, Christchurch**, known as **‘Mayor of Ale and Burj’**. The current licence expires on 3 February 2026.

[2] The general nature of the premises is that of a Tavern and Restaurant (previously hotel).

[3] The applicant seeks a change to the current On-Licence conditions with respect to the licence type changing from hotel to Tavern and Restaurant, a change to the licensed footprint, and a change to the hours of trade, as the business is no longer run as a hotel/motel. The building was damaged in the Christchurch earthquake and subsequently demolished and rebuilt. During this period the restaurant was moved to a small remaining area on the site. The motel units are now operated by a separate unconnected entity as the applicant no longer qualifies for a hotel style licence.

[4] The application was received by Christchurch District Licensing on 17 March 2025. The application was publicly notified and remained on the website for a minimum of 25 working days.

[5] One public objection was received. Following a meeting, certain conditions were agreed, and the objection was withdrawn.

[6] The NZ Police and the Medical Officer of Health are not opposed to the application.

[7] The Inspectors Report sets out the background to the application and addresses the matters to which regard is to be had in section 105, 106 and 131 of the Act.² The Inspector recommends the grant of the Variation of On-Licence.

[8] On the basis that there are no outstanding matters raised in opposition in any reports as required by section 103 of the Act I can deal with the application on the papers.³

[9] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 105 (and informed by section 106) and section 120 of the Act that the granting the application subject to conditions achieves the purpose and objects of the Act.

[10] Accordingly, pursuant to sections 104(1) and 120 of the Act I grant the application for a Variation of the On-Licence.

The Licensed Premises

- (a) The premises footprint will change to the entire ground floor interior of the newly constructed building and an outdoor area on the western frontage of the premise facing Mona Vale Avenue as shown on the plan provided with the application for Variation of On-Licence.

Section 119 – Restricted or supervised areas

- (b) The bar area will be designated as a supervised area, with the restaurant and outdoor area being undesignated.

² Inspector's Report, 23/05/25

³ ss 191(2) and 202.

- (c) After 10:00pm at night the number of patrons in the ground floor courtyard area will be limited to a maximum of twenty (20) persons. The usable area is restricted to the courtyard area to the south of the main entrance door.

Compulsory conditions – section 110 (2)

- (d) No alcohol is to be sold on the premises on Good Friday, Easter Sunday, Christmas Day, or before 1pm on Anzac Day to any person who is not present on the premises to dine.
- (e) Alcohol may only be sold or supplied on the following days and during the following hours when the premises are being operated as a Tavern and Restaurant:

Monday to Sunday, between the hours of 08:00am and 1:00am the following day.

- (f) Water will be freely available to customers on the premises while the premises are open for business.

Agreed Undertakings –

- (g) To mitigate noise taxi pickup and drop-off is to be on the roadside only after 10:00pm.
- (h) Delivery and waste disposal shall occur during daytime hours (07:00am to 10:00pm).
- (i) The duty manager will ensure that patrons using external areas are reminded of the need to be considerate of our neighbours.
- (j) A notice adjacent to the exit requesting patrons to keep their noise to a minimum as they are leaving.
- (k) Staff will discourage congregation of people in public areas directly outside of the venue.

- (l) To reduce the noise from diners in the restaurant, a 1.8m acoustic fence will be in place around the northern, western and southern boundary of the ground floor courtyard area.
- (m) A permanent fixed umbrella will sit alongside the balcony in order to mitigate noise from the premises and lower traffic noise for patrons in this area.
- (n) A covered louvre system will be installed at the northern end of the building (furthest from Riccarton Road).
- (o) The Noise Management Plan provided by Acoustic Engineering Services shall be adhered to.

[11] The Variation shall run alongside the current On-Licence and expire with that licence on 3 February 2026.
