The premises operate under an existing Club licence, which expired on 25 January 2026¹

[2] The applicant's original application was for an On-Licence. An administrative error meant that the applicant was issued with a Club Licence on 23 January 2025. This error was identified at the time of the renewal application and is rectified by the issue of this Licence.

[3] The general nature of the premises is that of Golf Academy.

[4] The application was received by the Christchurch City Council Alcohol Licensing Team on 3 December 2025. The application was publicly notified and remained on the website in compliance with the statutory requirements. No public objections were received.

[5] There is no objection from the New Zealand Police or the Medical Officer of Health.

[8] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 105 (and informed by section 106) and section 131 of the Act that the granting the application subject to conditions achieves the dual objects of the Act.

[9] Accordingly, pursuant to section 130(1) of the Act I grant the application for a renewal of the Licence, noting specifically that it be issued as an On-Licence to rectify the earlier administrative error, for a period of 3 years subject to the following conditions:

 - (ii) Display of appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
- (d) The following steps must be taken to ensure that the provisions of the Act relating to the management of the premises concerned are observed:

² Inspector's Report, 23/01/2026 and Supplementary Report 09/02/2026

³ Sections 191(2) and 202.

- (i) Alcohol must only be sold, supplied and consumed within the area marked on the plan submitted with the application.

Compulsory conditions – section 110 (2)

- (e) No alcohol is to be sold on the premises on Good Friday, Easter Sunday, Christmas Day, or before 1pm on Anzac Day to any person who is not present on the premises to dine.

- (g) Water will be freely available to customers on the premises while the premises are open for business.

Section 117 – Other Discretionary conditions

- (h) The following steps must be taken to promote the responsible consumption of alcohol:
 - (i) The licensee must implement and maintain the steps set out in The Pacific Golf Club Host Responsibility Policy and Alcohol Management Plan⁴ aimed at promoting the reasonable consumption of alcohol.

Other restrictions and requirements

- (i) Section 51 – Non-alcoholic drinks to be available
- (j) Section 52 – Low alcoholic drinks to be available
- (k) Section 53 – Food to be available
- (l) Section 54 – Help with information about transport to be available
- (m) Section 56 – Display of signs

AND

IN THE MATTER OF

an application by **The Lucky Thai 2 Limited** for an **On-Licence Renewal** pursuant to section 99 of the Act, **Endorsed under section 37 – BYO**, in respect of premises situated at **299 Main South Road, Christchurch**, known as **‘The Lucky Thai’**

DECISION ON APPLICATION FOR RENEWAL OF ON-LICENCE

(ON THE PAPERS)

[1] This is an application by **The Lucky Thai 2 Limited** (‘the applicant’) for renewal of an On-Licence pursuant to section 99 of the Sale and Supply of Alcohol Act 2012 (‘the Act’), **Endorsed under section 37 – BYO**, for premises known as **The Lucky Thai** situated at 299 Main South Road, Christchurch.

[2] The premises are in the nature of a Restaurant.

[3] This application was made within 20 working days of the expiry date of the current licence. On 14 January 2026 the District Licensing Committee granted a section 208 waiver in

relation to accepting this application. I note with some concern that the previous renewal was also made within 20 working days of the expiry date of the then current licence.

[4] The application was duly advertised and no public objections or notice of desire to be heard have been received.

[5] The New Zealand Police and the Medical Officer of Health are not opposed to the application.

[6] The Inspector's Report sets out the background to the application and addresses matters to which regard is to be had in section 105 and 106 of the Act.¹ The Inspector recommends the grant of the licence for three years subject to conditions.

[7] On the basis that there are no outstanding matters raised in opposition in any reports as required under section 103 of the Act I can deal with the application on the papers.²

[8] I am satisfied after standing back and evaluating all the matters placed before me and having had regard to the criteria as set out in section 105 (and informed by section 106) of the Act and that granting the application subject to conditions achieves the purpose and objects of the Act.

[9] Accordingly, pursuant to section 104(1) of the Act I grant the application for an On-licence, **Endorsed under section 37 – BYO**, renewal for a period of three years subject to the following conditions:
