The following questions relate to Host Responsibility. In conjunction with completing the questions, you should provide with this application a copy of your 'Host Responsibility Policy' by using the guidelines on our website [ccc.govt.nz](http://ccc.govt.nz)

- a. What steps does the applicant propose to take to ensure that the requirements of the Act in relation to the sale of alcohol to prohibited persons (i.e. minors, intoxicated persons, other persons to whom alcohol may not be sold pursuant to the licence) are observed?

We are committed to full compliance with the Sale and Supply of Alcohol Act 2012. We will implement the following:  
-To access our website, customers will be required to enter their date of birth which will help us verify if they are over 18 or not  
-To make an order, our age verification software will check their age, and the customer will be required to agree to our terms and conditions of sale which will mention the requirement to be over 18.  
-Deliveries will be signature only, with our courier partners verifying the recipients age at the time of delivery.  
-Alcohol will not be delivered to public places

- b. Are there any other steps the applicant intends to take to promote the responsible drinking of alcohol?

We recognise our role in promoting responsible consumption and will take the following measures:  
-All products sold will be accompanied by responsible consumption messaging, either printed out, or included digitally.  
-Low alcohol and zero alcohol cocktail options will be included in our product range, as well as promoted at times such as "Dry July"  
-We will maintain a social media and website presence that promotes moderation and responsible drinking messages.  
-We will endeavour to educate our customers on standard drink sizes, as well as alcohol content and subsequent influence.

- c. **Where the principal business is other than the manufacture or sale of alcohol:** What kind or kinds of alcohol does the applicant intend to sell or deliver under the licence?

Our principle business is the sale and delivery of pre-packaged cocktail kits for home consumption. These will include all of the ingredients to make the cocktail ordered. The alcohol included in these kits will be spirits, with the occasional wine.  
We do not operate a bar or tasting room, and do not allow on-site consumption.

- d. What appropriate systems, staff and training does/will the applicant have in place to ensure compliance with the law?

To ensure compliance, we will have the following in place:  
-Implementation of our age-verification software on our website.  
-A certified duty manager responsible for overseeing all alcohol-related sales and operations.  
-A delivery checklist that ensures alcohol is not left unattended or delivered to underage individuals.

- e. What are the current and possible future noise levels and how does the applicant intend to mitigate them?

As an off-licence business, with no on-site consumption:  
-Current noise levels are minimal, limited to general business operations such as packing and administration.  
-We endeavour to operate during standard business hours, and do not anticipate any noise-related complaints.  
-Should operations expand, any increase in noise (eg. from delivery vehicles) will be managed through time restrictions and good neighbour communication.

- f. What are the current and possible future levels of nuisance and vandalism and how does the applicant intend to mitigate them?

As a business without an on-site licence, we do not expect alcohol-related nuisance or vandalism to originate from our premises.  
We will maintain clean, well-lit surroundings, security cameras and regular waste removal.  
Our business operations will remain discreet, bearing in mind we will be operating from a residential address.

- g. What other licensed premises are there in the vicinity of this proposed premises? And, will the granting of this licence contribute to an increase in alcohol related problems in the area? (Explain)

There are a small number of other licensed premises in the vicinity, primarily hospitality venues and bottle stores.  
Our business model differs as we are strictly delivery-based and off-site. This reduces any potential for on-street drinking or congregation.  
We believe granting our licence will not increase alcohol-related problems, as we are committed to promoting responsible home consumption.

- h. What is the land near the proposed premises being used for? Will the granting of a licence for your premises impact on changing neighbouring land use? If so, in what way?

The surrounding land use includes residential, light commercial and retail activities.  
Our operations are low-impact, discreet and confined to a small business space within our residential home.  
We do not anticipate any negative effects on neighbouring land use as there will be strictly no public foot traffic or on-site activity related to alcohol consumption.
