- i. What other licensed premises are there in the vicinity of this proposed premises? And, will the granting of this licence contribute to an increase in alcohol related problems in the area? (Explain)

There are very few licensed premises in a 1km radius. I found two. I don't believe our licensed sports venue will have any increased effect on alcohol related problems, especially as we will be closed form 10pm

- j. What is the land near the proposed premises being used for? Will the granting of a licence for your premises impact on changing neighbouring land use? If so, in what way?

All the surrounding land has industrial businesses/ buildings on it. I don't believe our business will impact on land use at all.
