Our activities produce very little noise and it isn't noticeable from outside the building at all. We play music in the competitive socialising area but this doesn't spill out into the area.

h. What are the current and possible future levels of nuisance and vandalism and how does the applicant intend to mitigate them?

We don't seem to have any vandalism on St Asaph street now with very little foot traffic. We have 18 cameras throughout our building and security lighting which lights up our outdoor areas / the entire carpark throughout the night. We also work in conjunction with the security team at neighbouring Hide bar to report and suspicious people in the area - which is very rare.

i. What other licensed premises are there in the vicinity of this proposed premises? And, will the granting of this licence contribute to an increase in alcohol related problems in the area? (Explain)

In the immediate vicinity we have Hide, Cafe Valentino, Bessie, Engineers, and Unlimited School. The foot traffic has significantly dropped since the Terrace has opened & we do not believe our licence application will impact the St Asaph Street area.

j. What is the land near the proposed premises being used for? Will the granting of a licence for your premises impact on changing neighbouring land use? If so, in what way?

Buildings in the immediate vicinity mainly comprise hospitality, commercial / office space, charter school and a healthcare provider several doors along. Other buildings in the immediate vicinity mainly comprise hospitality, commercial / office space, and a healthcare provider. We feel our impact on neighbouring land use will be negligible.
