c. What other steps does the applicant propose to take aimed at promoting the responsible consumption of alcohol?

We will promote responsible alcohol consumption through our established food-first family model. We will ensure compliance with the Act by strictly prohibiting sales of alcohol to minors, intoxicated persons, or any other prohibited individuals. All service staff will complete Servewise responsible service training and be trained to request photo ID from anyone appearing under 25. Drinking water will be freely available to all guests at multiple plumbed water stations located throughout the restaurant, including near the main entrance and dining area.. We expect low noise levels consistent with a family pizza restaurant. We intend to mitigate noise by keeping music volume low, closing windows and doors during night service, training staff to manage patron behaviour, and monitoring levels to avoid disturbance to neighbours.

h. What are the current and possible future levels of nuisance and vandalism and how does the applicant intend to mitigate them?

We expect minimal/ no levels of nuisance and vandalism, consistent with the current low-risk profile of the Homebase development and our 15-year history of operating family pizza venues with no such issues. We will remain food-focused with families and corporate events as the main clientele, and no gigs or late-night trading. We intend to mitigate any potential nuisance by maintaining a well-managed, family-oriented environment, training staff to monitor patron behaviour, ensuring prompt closing times, and keeping the premises clean and tidy.

We have a 15-year clean compliance record across our existing venues.
