Name of Insurance Company:
Part H – Application Checklist (submit the following documentation along with your signed application form)
☐ Copy of applicant's Confined Spaces Training Certificate showing completed Unit Standards <sup>1</sup>
☐ For pressure sewer tank category: evidence of applicant's PGDB registration status as a <u>certifying</u> drainlayer with a current license
$\Box$ Company's traffic management arrangements <sup>2</sup> (state if in-house or third party STMP is being used for TMP preparation)
□ Company's Health and Safety Management System (manual or overall plan)
☐ Company's Quality Assurance Plan <sup>3</sup>
□ Copy of Company's Public Liability Insurance
☐ Application fee of \$575 (including GST) per applicant (not company). Payable by cheque or at cashier at a Council Service Centre
Part I – Conditions
<sup>1</sup> Confined Spaces All Authorized Projectors are required to apply for Authority to work in Council Confined Spaces. See
All Authorised Drainlayers are required to apply for Authority to work in Council Confined Spaces. See <a href="https://www.ccc.govt.nz/consents-and-licences/construction-requirements/authority-to-access-council-services-confined-spaces">https://www.ccc.govt.nz/consents-and-licences/construction-requirements/authority-to-access-council-services-confined-spaces</a>
<sup>2</sup> Traffic Management
TMPs are required for all activities that vary the normal operating condition of the road, irrespective of whether the activity is on a carriageway, footpath or adjacent to the road. TMPs are also needed for activities outside the road reserve which will affect the normal
operating conditions of the road. Prior to such activities commenting, a TMP complying with the Transit Code of Practice for Temporary
Traffic Management (CoPTTM) must be submitted to, and approved by the Council's Traffic Management Coordinator. A qualified STMP must submit the TMP online at <a href="https://www.tmpforchch.co.nz">www.tmpforchch.co.nz</a> at least five (5) working days prior to the planned commencement of work.
<sup>3</sup> Quality Assurance Plan
For details on the required contents of such a plan, refer to the Council's:  - Infrastructure Design Standards (IDS) Part 3 – Quality Assurance (Appendix III – QA Plan Template)
- Construction Standard Specifications (CSS) Part 1 – General (4.0)
- Construction Standard Specifications (CSS) Part 3 – Utility Drainage (Appendix 1, Appendix 3, Appendix 4)
Assessment On-site technical assessments are required to ensure that the applicant has the necessary experience, technical skills and resources to
carry out authorised work in accordance with Council regulations and standards. The applicant will be contacted by the Council assessor
to arrange the assessments.  Approval
Approval will be given in writing only, and is only awarded to the individual and not to commercial entities. It is not transferable and can
be withdrawn by the Council upon non-compliance with the rules as outlined in the Terms and Conditions.
Part J – Declaration
I the undersigned (applicant):
Confirm that all the details set out in and/or attached to this application are complete and accurate in all respects
☐ Have read and am familiar with the Christchurch City Council's Construction Standard Specifications (CSS) and other relevant Council
and AS/NZS standards and guidelines and have copies of the relevant documents at the worksite at all times
☐ Am familiar with the Council's Permit to Work system
☐ If approved, agree to be bound by the terms and conditions as set out in the 'Authorised Drainlayer Terms and Conditions'
