

Register of Christchurch City Council Approved PE Welders

28/04/2025

www.ccc.govt.nz/consents-and-licences/construction-requirements/approved-contractors/pe-welders

Important

- #1 Only individuals get approved, not entire companies
- #2 Before starting a job check if a Permit to Work is required: www.ccc.govt.nz/business/constructiondevelopment/permittowork.aspx
- #3 If your contact or employer's details have changed please submit the following information via email: pe@ccc.govt.nz
H&S Plan, QA Plan, Public Liability Insurance Certificate, Company Contact Details, Welding Equipment Details
- #4 PE welders that don't have a company name against their entry may not start any welding until CCC has been notified of the new company details (see #3)
- #5 PE welders with an expired welding certificate (= welding certificate expiry date highlighted red) or a soon to expire welding certificate (= welding certificate expiry date highlighted orange) may not start any welding until CCC has received and reviewed the welder's application for the renewal of an existing approval:** <https://ccc.govt.nz/consents-and-licences/construction-requirements/approved-contractors/pe-welders/renew-your-approved-polyethylene-welders-approval/>
- #6 Welding greater than 560mm requires project specific approval

48 Notice Required

Work on pressure sewer and vacuum sewer systems requires 48 hours notice
Email CCC 48 hours before starting work on site:
pe@ccc.govt.nz
