Engineers who are interested in being accredited can register with CCC at ids@ccc.govt.nz and will be contacted prior to the next annual evaluation round.

Engineers applying for accreditation must be chartered in New Zealand (CPEng), have experience in the design of Rockfall Protection Structures, and hold current \$5M PI&PL Insurances.

Further information is available at <http://www.ccc.govt.nz/consents-and-licences/construction-requirements/approved-contractors/approved-geoprofessionals/>
