23496	Robert	Duff		Yes	Yes	We have been waiting for a pool for a long time handy to Hornby High School would be good
23495	Audrey	Duff		Yes	Yes	Please just get started, but would like to see Library retained where is & up graded, we need a pool & location is exactly where be handy for schools etc
23476	Morgan	Fallowfield	Consultant to Ministry of Education			<p>The Ministry of Education ('the Ministry') welcomes the opportunity to provide feedback on the Christchurch City Council Hornby Library and Leisure Centre.</p> <p>Background:</p> <p>The Ministry is the Government's lead advisor on the New Zealand education system, shaping direction for education agencies and providers and contributing to the Government's goals for education. The Ministry has responsibility for all education property owned by the Crown. This involves managing the existing property portfolio, upgrading and improving the portfolio, purchasing and constructing the new property to meet increased demand, identifying and disposing of surplus State school sector property and managing teacher and caretaker housing.</p> <p>Christchurch City Council Hornby Library and Leisure Centre in relation to the Ministry's interests:</p> <p>Christchurch City Council are proposing to reclassify 1.52 hectares of Kyle Park from Recreational Reserve to Local Purpose (Community Buildings) Reserve, to provide for the construction of a new Hornby Library, Customer Services and Leisure Centre, which is anticipated to take place in late 2022. Although there are limited details it is understood the future development will also include a swimming pool and associated car parking areas.</p> <p>The proposed area of reclassification is located directly across the road from Hornby Primary School and Hornby High School (see Figure 1 below). The Ministry notes that this round of consultation relates only to the Reserves Act 1977 process to change the reserve status of the park, which the Ministry generally supports. It is understood that currently there is no formal sport use of the area proposed to be reclassified, but it is used for club and school sports, as well as informal recreation. The Ministry notes that the Schools may benefit from the close proximity of community facilities, such as the library and swimming pool.</p> <p>The Ministry would like to seek on-going communication and consultation with Christchurch City Council and the Schools as the project progresses. In particular, the Ministry would be interested in the design of any future vehicle access and how this may interact with the Schools' access points.</p> <p>Letter 2</p> <p>Figure 1: Location of the proposed area of reclassification from Recreational Reserves to Local Purpose (Community Buildings) Reserve and the location of Hornby Primary School and Hornby High School.</p> <p>Overall, the Ministry generally supports the reclassification of 1.52 hectares of Kyle Park from Recreational Reserve to Local Purpose (Community Buildings) Reserve, to provide for the construction of a new Hornby Library, Customer Services and Leisure Centre given the potential benefits that the Schools will accrue from the future community facilities. The Ministry seeks on-going consultation with the Council in the future as the project develops, as a close neighbour to the development.</p>

SUBMISSIONS RECEIVED ON KYLE PARK – PART RESERVE CLASSIFICATION CHANGES AND MANAGEMENT PLAN CHANGES

ID	First name	Last name	Name of organisation	Do you support the Kyle Park part reserve classification changes?	Do you support the Kyle Park Management Plan changes?	Do you have any comments regarding these proposed changes?
23463	Patricia	O'Connor		No	No	I don't want you to make any changes to Kyle Park. It lovely driving passed there seeing people going for a walk, children playing, or just enjoying sitting in the sun. I'm 91 and it's such a handy spot for my daughter to take me for a short walk. Please leave the park as it is.
23460	Gabrielle	O'Connor		No	No	<p>I am absolutely opposed to any change to Kyle Park. I drive passed that green space every day; I walk there from time to time; I enjoy watching the children playing cricket, and riding their bikes. Leave the park alone!</p> <p>I am so angry at Council for selling the land behind the current library - you had plenty of space there to build your swimming pool and library complex. Plenty of parking and access from two roads. You could still knock down the current library and redesign the library and adjoining park into the complex you want, with a walkway crossing over to Dressmart. After all, with the area you are proposing for the swimming pool you must only be intending to build a paddling pool. Unless, of course, you are misleading the public over the amount of space you are going to use.</p> <p>As you have pointed out, the numbers on this side of town have increased, so it is even more important that the green spaces we have are retained. This is just another example of Council mismanagement!</p> <p>Stay away from Kyle Park. Find somewhere else for your service centre. What about selling the abandoned council building on Main South Road (which is such an eye-sore) and using the funds to purchase land in Hornby?</p> <p>I repeat -! I am absolutely opposed to any re-classification, any changes at all, to Kyle Park.</p>
23411	Mark	Peters		Yes	Yes	<p>This reclassification along with the changes to the management plan are a good way to begin remediation of Kyle Park. I would like to see assurance given that the whole of Kyle Park and the contamination in it is to be satisfactorily remediated so as to make the entire park safe and able to be safely used by the people of Hornby and Christchurch. I would also like assurance to be given that alternative and extra funding sources will be found in the scoping and design phases of this project to ensure the people of Hornby are not short changed with a lesser facility than they deserve and need due to the land remediation costs required for this site! Generally I am supportive of this use of Kyle Park for this project. However safeguards must be put in place to ensure any disturbance of soils during construction must in no way endanger people in the area including schools, businesses, and the general public. Let's get on with building this as soon as possible, safely and to a full scale for the benefit of the people of Hornby who have waited far too long for this facility!</p>

ID	First name	Last name	Name of organisation	Do you support the Kyle Park part reserve classification changes?	Do you support the Kyle Park Management Plan changes?	Do you have any comments regarding these proposed changes?
23404	Marc	Duff		Yes	Yes	<p>Fully support the changes to both the part reserve classification changes and the management plan changes.</p> <p>This has been a piece of park land underutilised for many years. It will be great to see this area of the park come to life in a way that will be of huge benefit to the wider Hornby Community and also the number of schools that are close to Kyle Park. The location also meets the expectations of the community in keeping the location close to the Hub of the Community and in one location.</p> <p>This area of contaminated land has been shown through experts reports that it can be built on safely and the land so to speak can be brought back to life. This is a win-win for all as a wrong of the past can be corrected for the benefit of our current youth and future generations to come.</p> <p>The naming of the proposed facility as the Hornby Library, South West Leisure Centre and Council offices is a true indication that this facility is meant for Hornby and within its boundaries, its Hornby's time, Kyle Park is the logical and wanted choice of the majority of the community - now lets just get on and build this facility with no more delays.</p>
23403	Lisa	White		Yes	Yes	
23402	Dave	Smith		Yes	Yes	
23397	Marc	Duff	Greater Hornby Residents Association	Yes	Yes	<p>The Greater Hornby Residents Association at its meeting held on the 31 March 2019 voted in approval of the proposed Kyle Park part reserve classification changes and Management Plan changes.</p> <p>The only issues raised in approving the changes were that the facility met the needs of the community and that the facility can be built safely which we believe can be on reading and hearing the experts opinions (also the residents of the local community).</p>
23359	Shirley	Ferguson		Yes	Yes	<p>Changing the Kyle Park Classification and Management Plan gives us the opportunity to use this area in a way that benefits the current and future needs of the community, without a final commitment. The area proposed is the one preferred by residents in the previous consultation and is centrally located for the Hornby, Islington, Hei Hei and Broomfield communities and close to Hornby High School for use by its students. Other advantages are being away from NZTA controlled roads and being close to numerous bus routes.</p>
23354	Sally	Wihane		Yes	Yes	<p>I am for Kyle Park facilities to go ahead as I have a disability and I'm in a wheelchair. I cannot use your library and would love to see a swimming pool for the disabled, I would hope that these facilities will take into consideration the easy access. At the moment I have to travel to Rolleston which costs a lot and quite a distance but the pool is excellent. I do hope that these facilities are built in a reasonable time frame. These recommendations will be fabulous for Hornby.</p>
23353	Peter	Scholes		Yes	Yes	<p>I believe that the area proposed for change into Local Purpose (community buildings) is too small also the size of the buildings / community facility are undersize for the community needs</p>
23352	Michael	Inglis		Yes	Yes	<p>Get on with it. With all the usual Christchurch / Regional Council pussy footing about it will never happen.</p>
23351	David	Barry		Yes	Yes	<p>It is great to see progress in action. Hornby needs the proposed new facility</p>

ID	First name	Last name	Name of organisation	Do you support the Kyle Park part reserve classification changes?	Do you support the Kyle Park Management Plan changes?	Do you have any comments regarding these proposed changes?
23339	Izahk	Jetster		No	No	I am from Hornby and this issue has been brought to my attention by family in Hornby Kyle Park has been proposed by the council without the appropriate public consultation. The councils public engagement standard is hardly fair or robust. Kyle Park seems like a quick fix now that Denton Park has finally been omitted. The traffic and safety will be a major problem. We don't need anymore traffic congestion in this area.
23337	Joan	Radford		No	No	
23335	Jenny	Ramos		No	No	The main reasons I do not support this reclassification is because of the the traffic congestion, the people will have a downsized complex and swimming pool, and thirdly the council has published no new public consultation document showing other available options etc now that Denton Park has been omitted. There has been no appropriate engagement or consultation to warrant this reclassification
23334	Therese	Spinks		No	No	Kyle Park has been proposed by the council without the appropriate public consultation. The councils public engagement standard is hardly fair or robust. Kyle Park seems like a quick fix now that Denton Park has finally been omitted. Thee traffic will be a major problem. We don't need anymore traffic congestion in this area.
23331	Rachel	Brodie		No	No	Kyle Park has been proposed by the council without the appropriate public consultation. The councils public engagement standard is hardly fair or robust. Kyle Park seems like a quick fix now that Denton Park has finally been omitted. Thee traffic will be a major problem. We don't need anymore traffic congestion in this area.
23330	Daniel	Riberio		No	No	The main reasons I do not support this reclassification is because of the the traffic congestion, the people will have a downsized complex and swimming pool, and thirdly the council has published no new public consultation document showing other available options etc now that Denton Park has been omitted. There has been no appropriate public engagement or consultation to warrant this reclassification
23329	Ian	Ward		No	No	The three main issues I do not support this reclassification are 1. The traffic congestion will be a major problem. 2. The people will now be short changed and have a downsized complex and swimming pool, 3. No appropriate Public Consultation. The council has published no new public consultation document showing other available options etc... now that Denton Park has been declined.
23325	Margaret	Hampton		Yes	Yes	I hope you can keep half of the park for people to play on don't take away the parks as children they like to play on
23324	Lance	Alsop		No	No	Keep it as it is. Keep the Maori's off it.? It will be given a Maori name. Keep it as a kids sport ground.
23323	Evan	Jones		No	No	There are much better options like Warren Park and I feel the public has been not consulted properly in regard to other possibilities and sites. The traffic will be just as bad as Denton Park by the look of it
23322	Anita	Beswick		No	No	There has been no appropriate new consultation with the public after the omission of Denton Park

23321	Teina	Brodie		No	No	Traffic congestion, Kyle Park to small, and have the public has not been consulted appropriately.
23317	Aidan	Hagarty		Yes	Yes	
23315	Chris	Wildey		No	No	Kyle park is too small for this whole project. I have heard that the complex will be downsized accordingly. This is not acceptable. The traffic will be a nightmare and probably worse than that of the former option Denton Park which, was I hear declined for this very reason.
23306	Wayne	Glen		Yes	Yes	
23305	S	Gallaher		Yes	Yes	
23304	Lyn	Reeves		Yes	Yes	Should be an asset for area handy to schools and landscape design & buildings should complement existing park area
23303	Willaim	Drayton		Yes	Yes	
23302	A J	Grenfell		Yes	Yes	
23301	Janiee	Johnson		Yes	Yes	
23294	Alan	Mulqueen		Yes	Yes	
23275	Kerry	McConchie		No	No	Denton Park is the appropriate place for this facility
23261	Marilyn	Goulter		Yes	Yes	It would have been more sensible to have considered this site before considering Denton Park
23260	Bryan & Noleen	Forbes		Yes	Yes	
23235	Ray	Xu		Yes	Yes	Great upgrade for locals
23233	Marion	Jones		Yes	Yes	
23203	Greta & Leon	Martin		Yes	Yes	Will be great when its all finished
23202	E	Ward		Yes	Yes	
23201	Phil & Jeanette	Ball		Yes	Yes	
23200	Barbara	Hartley		Yes	Yes	
23199	Margaret	Lester		Yes	Yes	I think the Kyle Park should go ahead with the building. There is nothing that side of town
23198	Mr & Mrs D J	Walker		Yes	Yes	
23197	Bruce	James		Yes	Yes	Please ensure that there is adequate parking for older citisons
23196	Nancy	Brown		Yes	Yes	
23192	Debbie	Rahurahu	Swimming Canterbury West Coast Inc	Yes	Yes	
23175	Lynlea	Willan	Hornby Netball Club	Yes	Yes	It would be nice to get the project started, so the community can start to see the Council really do want the south west to have this facility for the whole community to use
23174	Lynlea	Willan		Yes	Yes	It would be nice to get this project started so the community of the south west of this city can see some progress
23173	Murray	Wallis		Yes	Yes	I think this the right place. With two schools very close by & Mall
23172	Coreen	Wallis		Yes	Yes	It will be where it needs to be, close to Mall & Schools

ID	First name	Last name	Name of organisation	Do you support the Kyle Park part reserve classification changes?	Do you support the Kyle Park Management Plan changes?	Do you have any comments regarding these proposed changes?
23171	Mrs Cherry-Anne	Baradi		Yes	Yes	I am looking forward to the new buildings proposed in this area and the closer of course the better for me in the long run, however I understand the best location is a priority in site & design and if the classification change is needed I am happy to support it
23152	Mrs S	McMahon		Yes	Yes	
23151	B A	Smith		Yes	Yes	
23150	Kathy	Burke		Yes	Yes	This just keeps dragging on - please just get it done for the residence of Hornby
23147	Barbara	Withers		Yes	Yes	
23114	Meng	Yan		Yes	Yes	Strongly agreed.
23091	Colin and Joyce	Dunn		Yes	Yes	Fully support this location. We will be down for a swim.
23087	R O	Bain			Yes	
23086	R D	Brunton		Yes	Yes	Parking could be a problem i.e. schools across road take up quite an area for parking Any major activity, I do have concern regarding access from mall side of venue i.e. subway not ideally safe - undesirables often hang around
23070	Miss T	Cummings		Yes	Yes	I am also concerned about the asbestos rumours - are they true? Its time the rest of the BMX Track was opened to allow spectators more room if the rumours are unfounded. Thank you for this opportunity to participate
23069	Raymond H W	Arthurs		Yes	Yes	No
23068	M D	Nesbitt		Yes	Yes	
23067	Pieter	Maat		Yes	Yes	If contamination is such a big concern "Why" did the Council allocated it to a reserve and was not that concerned about this in the past?
23066	N & D	McIlwrick		Yes	Yes	
23065	Priscilla	Cootes		Yes	Yes	I am worried about the contaminated land. But I am sure you would not go ahead with the pool if that was possible
23064	Will	Highsted		Yes	Yes	
23063	Emily	Mend		Yes	Yes	As stated this memo only about the above - I would still be very happy to see proposed facilities come into being. Exciting times
23056	Elizabeth	McLennan		Yes	Yes	
23055	Dennis	Wastell		Yes	Yes	
23054	Tom & Lois	Mou		Yes	Yes	Great idea, looking forward to using it
23053	Judy	Reed		Yes	Yes	Lets keep our community alive with this facility, very good location as I am one of these people who don't drive, & it's also great for all our schools in the area
23052	Catherine & David Ben	Thompson		Yes	Yes	No comment
23051	Heather	Wyatt		Yes	Yes	No it will be a great asset for the area With Sockburn Pool's gone and the small well used Hornby Library it is long over due for our growing area Great decision

23050	G	Kingi-Hazel		Yes	Yes	
23049	Kathryn	Clarke		Yes	Yes	It is land that is not currently being used so its a great idea for Hornby and the surrounding areas
23048	Mark	Honeybone		Yes	Yes	
23047	Mrs I	Hessell		Yes	Yes	Very good decision makes sense Keeps the extra traffic away from the Hub & surrounding shops which is also a traffic jam at times. Good wishes
23046	L G	McLennan		Yes	No	
23045	Graeme	Peters		No	No	I do not support the use of this park as a Council member of Hornby stated that Kyle Park could not be used as the ground was and old dump and not staybel. Further more the amount of cars using Waterloo Rd and the amount of cars being parked on said Rd would get bigger with the install of a pool and with Hei Hei Rd being made into a cycle rd is also going to have a big enpact on the streets
23044	Andrew	Kennedy		Yes	Yes	This plan enjoys my full support
23043	J	Jackson		Yes	Yes	I have replied 'Yes' to the proposed changes: a) This facility will benefit the community and is overdue b) Its the chosen site My reservations are because this site has been a former rubbish tip, and during that time there was illegal dumping - that the cost of the project could escalate due to the extra work and safety that would ensue. Bearing in mind that this would be taken into account; the project could succeed
23042	Richard	Jones		Yes	Yes	
23041	Nick	Seed		Yes	Yes	
23040	Maureen	Blanchard		Yes	Yes	
23039	Robyn	Pollock		Yes	Yes	
23038	Sharon Gail	Smith		Yes	Yes	A much better course of action than Denton Park. Taking the traffic & parking away from Main Sth Rd & HUB are makes sense Utilizing Kyle Park makes more sense
23037	Liz	Frame		Yes	Yes	Hope they go through, as a swimming Pool in Hornby is needed for the schools & public use
23036	Selena	O'Brien		Yes	Yes	If there is to be a pool can it be a leisure pool as we have MANY learn to swim pools but none to go and have a play in that are indoors
23002	Kingsley	Sampson		Yes	Yes	All looks good and necessary to me. I only hope that Hornby gets the same size and quality of facilities as those that are at Halswell.

22820	tracey	hubbard		Yes	Yes	I support the Kylie park proposal. However, I wondered if any one looked into using the old sockburn school grounds for the new complex.
22814	David & Kelly	Scrimgeour		Yes	Yes	We use this park regularly for walking our dogs, riding bikes and as walking access through to Denton Park / The Hub. We fully support this proposal and look forward to having new and improved Council facilities in our backyard, particularly the leisure centre. A long overdue upgrade for Hei Hei / Hornby.
22813	Alan	Lee		Yes	Yes	<div style="background-color: black; height: 1em; width: 100%;"></div> Good Move. Best for the community Submission 2: Happy for the change

22615	Joanne	Baynes		Yes	Yes	
22592	Murray	Long	N/a	Yes	Yes	I support the site proposed as it is close enough to the Primary and High schools for their use. Has the Council investigated the possibility of utilizing the waste heat from the cool stores next door to this site for auxiliary pool water heating. This could potentially reduce the heating costs for this project.

22547	Megan	Sheppard		Yes	Yes	
22546	Lewis	Sheppard		Yes	Yes	
22544	Luke	Sheppard		Yes	Yes	Please hurry and build a well deserved facility in Hornby.
22543	Ellen	Breboheria		Yes	Yes	
22542	Simmon	Ram		No	No	Yes its a lovely park, it looks good how it is with all trees and lots of empty space within the park where family can come with there little ones and enjoy.
22486	Mandy	Hawkey		Yes	Yes	
22473	Nick	Findley		Yes	Yes	Excellent facilities proposed. I am fully in support.
22472	Peter	Kraan		Yes	Yes	No
22446	Kelvin	Head		No	No	Waterloo Road outside Hornby high school and Hornby primary school at times is very congested and dangerous with car and trucks. I think the site for the new Hornby library, customer services and leisure centre will become a dangerous piece of road to use for the elderly and young children, as over the years to come their will be a big increase in cars and trucks using Waterloo Road , Accident waiting to happen
22427	Charlotte	Hollywood		Yes	Yes	Great work team
22413	Paul & Sophie Marie	Lancaster		Yes	Yes	Great place to have the new amenities in this park, cheers Paul
22372	Glenda	Hardie		Yes	Yes	Take away all the contaminated soil first
22371	Gary	McLachlan		Yes	Yes	
22368	Robyn	Brown		Yes	Yes	
22367	Dorothy	Van Stipriaan		No	No	Hornby already have a library, so we do NOT need another one so close in Kyle Park!! Tidying up needs to be done regularly!! I am sure the money can be spent on fixing Christchurch roads and underground pipes. We do not want our Kyle Park congested with unwanted cars parking there. We want a peaceful park!! Also Kyle Park urgently needs a big clean up!! especially where there is a fence. A lot of dried up grass inside where the fence is, being a dangerous fire hazard, also at the entrance of the underpass tunnel, (both ways) is more dry grass and weeds, and railway track more fire hazard dry grass. Spray and walk away not good, needs to be cleared.
22362	Kerry	Harland		Yes		I am for the proposed partial reserve classification for Kyle Park so that the Hornby Library, Customer Services and Leisure Centre can proceed provided that, that is all it is amended for.
22361	William	Dix		Yes	Yes	Look forward to using Library and leisure centre.
22360	Bob	Shearing	Hornby Community Care Centre	Yes	Yes	While being disappointed the new facility is not being built on Denton Park, the Hornby Community Care Centre do support the new Hornby Library, Customer Services and Leisure Centre being built on Kyle Park as per the plans provided by the Council. We also support the Beca Transport Review for the site but do encourage the Council to "think outside the box" in relation to gaining the best possible access to the new facility to and from the existing Hornby Mall area. As a suggesting this might include additional parking behind the Velodrome, upgraded and widened paths each side of the railway and perhaps some dedicated electric bikes/scooters or even small multi seat vehicles to be used between both facilities.

22358	Mike	Harvey	Christchurch Metro Cricket Association	Yes	Yes	Christchurch Metro Cricket use the artificial pitch at Kyle Park as a Community Cricket venue predominantly for the Hornby Cricket Club. It is an important park for the South side of Christchurch as we are short of grounds in the Halswell and Hornby areas. Our support is based on the ability to move the artificial pitch to another park, as the new buildings will encroach onto the outfield and make the boundaries of an unsafe size for cricket.
22345	Heather	McGuigan				I don't support the council desire to do this, in any way. You need to leave Denton Park alone, the the current library where it is. You must have enough of other things to do
22339	Lynette	Norris		Yes	Yes	I still don't believe that we need a new library but Kyle Park sounds OK if it is deemed safe.
22336	Gary	Geeves	Geeves Family	Yes	Yes	
22335	Wing Heng	Lui		Yes	Yes	We definitely need an update of the choices of the facility, library and swimming are what I expect to have. And potential traffic jam and car park constraint will need to considered in the entire project. Thank you.
22334	Gary	Geeves	Geeves & Choat Ltd	Yes	Yes	
22318	Alan	Brennock		Yes	Yes	
22315	Amy	Millar		Yes	Yes	It would be great to improve the underpass to make it a safe route for the people of Hornby to use.
22314	Wayne	Woodward		Yes	Yes	I hope this is the last time and Hornby after many years gets a swimming pool
22309	Colin	Watson	na	Yes	Yes	Just get on with it!!!!
22305	Stacey	Tough		Yes	Yes	
22302	Paul	Mahieu		Yes	Yes	Vehicle parking spilling into the surrounding streets/area should be avoided, if at all possible.
22297	Ethel Anne	McDrury	private residential owner	Yes	Yes	Before Landscaping occurs, I would like the Community Board & Council to consider whether this area should be future proofed to incorporate necessary space for public transport 'pickup/put down' services; example: Public safety is an increasing concern. - thought should be given to see whether the public bus system should be reassigned to use this area once the pools & libraries are opened. Planning should incorporate this with access for the public for renewed or planned railway useage. Consideration of a road or wide pavement link between Hornby Green or Hornby Mall & Kyle Park is an essential need. (Consider the advantages of a 2 way electric shuttle system that would cater for all types of users). This might lend itself to a service from the northern pedestrian Hornby Hub doors through to Kyle Park. Directing vehicle traffic to enter Hub car park facilities either side of this service could be easily achieved at minimal construction cost, and would give pedestrians a safer walking space from this section of the Mall without first having to negotiate a vehicle crossing.
22296	Keith	Nelson		No	No	The ground at this proposed site is not stable due to it being an old landfill site, & it is a waste of money to spend \$ 5.8 million getting a solid foundation to construct this facility
22293	Roderick	BURBERY		Yes	Yes

ID	First name	Last name	Name of organisation	Do you support the Kyle Park part reserve classification changes?	Do you support the Kyle Park Management Plan changes?	Do you have any comments regarding these proposed changes?
22292	David	Dally	Hope Presbyterian	Yes	Yes	Excellent idea. The new library and service centre has been mooted for years. get cracking; we are 100% supportive.
22291	Sarah	Marshall		Yes	Yes	
22288	Alan	Redmond		Yes	Yes	
22287	Chris	Geldard		Yes	Yes	This is a great opportunity for the Hornby community including the surrounding schools in the area.
22286	Brad	Davy		Yes	Yes	Please do not let a vocal minority stop the development of this great facility for Hornby again.
22285	Christina	Middleton		Yes	Yes	
22284	Theresa	Buller		Yes	Yes	The right decision for Hornby - please start building :)
22267	Philip	Clark		Yes	Yes	Having lived in Hei Hei most of my life it think it is fantastic to see Kyle Park formally Smarts Pitt being put to some great community use. It was satisfying when it was change from an open dump to a beautiful park. I can only see this as another step forward that the council are willing to reclaim the land and put it to even better use to advance the local community.
22259	Tim	Moynihan		Yes	Yes	
22257	Rayna	Gieseler		Yes	Yes	The sooner - The Better
22213	Alex	Turner-Robinson		No	No	Do not need a new library waste of money, don't really even need a pool there are pools around that can be used Also it seems strange to be able to give out people's contact details to the public, and I don't want mine to be for safety reasons
22205	Jaeden	Martin		Yes	Yes	
22170	Alison	Tucker		Yes	Yes	
22164	Trudi	Shepherd		Yes	Yes	We are waiting to long for this! Hope it will be still their in our live time, looking for to have a finish! After all the testing: it will be save.
22163	Valerie	Anderton		Yes	Yes	Only concerns one traffic management for the area will need improving i.e. lights at Carmen & Waterloo Road intersection would require upgrading allowing right turning arrows from both sides of Waterloo Road. Presently only Carmen Road has these arrows.
22162	Brent	Davis		Yes	Yes	No comments
22160	Ngie Su Pau, Elc Ping Wong, Daniel Su Howe Pau			Yes	Yes	Looking forward to satisfactory and early completion of project - new Hornby library, customer services and leisure centre with aquatic facilities by year 2022. Thank You to Christchurch City Council & it is very much appreciated-please.
22103	Jenn	Benden		Yes	Yes	
22057	averil	Lilley		Yes	Yes	no
22007	Helen	Howden		Yes	Yes	I think that Kyle Park is an ideal location for the new facilities and so I support the proposed changes.
21995	Mark	Macmanus		Yes	Yes	its a perfect place for hornby and a fantastic use for a old tip site to get it up and running for the kids to have a swim and read if there is a budget shortfall maybe go ask those groups that complained about denton park to help with some fundraising now that they got there way. also warren park is a pointless place to put it to far away from the people who need it most.

21994	Gerard	Macmanus		Yes	Yes	Please get on with this. Stop delaying.
21985	Charlotte	Evers		Yes	Yes	Happy to support these changes in order to progress the plan and have a decent facility built in Hornby.
21926	James	Harris	Community Development Network Trust	Yes	Yes	The library and pool are very important to the young people and families that we work with and it is important that this project goes ahead without further delays
21924	James	Harris		Yes	Yes	
21922	Lou	Gourlie		Yes	Yes	Having the pool and Library at Kyle Park means Hornby High School can become a real part of the Community Hub and share the facilities without having to duplicate their own. While Waterloo and Carmen Rds are busy, putting the facilities here moves the potential for congestion away from the Mall and Main South Rd area.
21914	Jason	Marsden	The Hub Hornby	Yes	Yes	
21905	Jacqueline	Nokes		Yes	Yes	I will be pleased to see more use made of the park, but also hope that care is taken to minimise disruption to the surrounding businesses and properties during the redevelopment, and that there is due consideration of the other ramifications for surrounding properties of the facility ongoing. I suspect I am one of the few people who use this section of the park almost daily, for recreational purposes, so I also hope that the landscaping plans do retain the tree edging on the road sides and that I will still have near access from Smarts Road.
21900	Helen	McFetrich		Yes	Yes	
21899	Sarai	Roper		Yes	Yes	
21871	Tuan	Truong		Yes	Yes	
21862	Nicole	Green		Yes	Yes	I think this is a brilliant plan as we have nothing like this near us, good leisure centre to go swimming and for the youth to get out and do something instead of causing trouble in the area!
