

Submissions for Redcliffs Park Landscape Plan 2018

ID	If funds allow, are there any (low cost) additional items you would like in the park?	Are there any items you would like removed or not included in the park?	What should the new park be called?	Name
20634	No, we will build our own wooden garden boundaries		Te Papa Kura Redcliffs Park	Fletcher Stanton
20633	More trees planted around the playing fields to provide shade Drinking fountain by playground, A cricket strip	Please describe rock protection bund at the cliff side of the park	Te Papa Kura - Other What does Te Papa Kura mean? Old School	Ria Wayne
20625	No. However, the Sumner Cricket Club has a junior section of fourteen teams. Their home games are currently spread around St Leonards Square, Barnett Park, Sumner School and Van Asch Deaf Education Centre. St Leonards Square is often unavailable because of the demands of the club's adult men's Championship side. Ideally the club would like an artificial wicket at the new park but the obvious location between the two winter sports fields is precluded by the existing heritage trees. Accordingly the club would like the use of the winter sports fields for grass wickets during the summer. Children's grass wickets do not require specialist pitch blocks as for adult cricket. All that is required is the mowing and rolling of a couple of strips in the outfield as happens at St Leonards and Barnett. The club undertakes this work at its own cost and would be happy to do the same at the new park. In summary, what we are seeking is the ability to access the park for junior cricket during the summer months. This could well be of benefit to the new Redcliffs School if no cricketing facilities are available there because the club would be happy for them to use the wickets during the school week.		Te Papa Kura Redcliffs Park	Sumner Cricket Club Inc
20619		Not in agreeance with the proposal of possible future skate park - noise pollution rickshaying off surrounding cliffs	Te Papa Kura Redcliffs Park	Daphne Rolston
20618	Imperative to retain all existing trees including those up the driveway which were donated by local families. Large oak and elm are irreplaceable - they MUST stay. + Picnic tables? A BBQ? (as at Barnett Park) Need plenty of rubbish bins and for them to be cleared regularly.	No. Important to make it a place for families to play, relax, and be involved in outdoor activities	Te Papa Kura - Other Redcliffs Park. That has always been the name of the park in the area. Why change it? "Redcliffs" MUST be part of the name	Jan McLauchlan
20617	What a great park design with sports fields, impressive playground and a new community hall. Just perfect, if this were 1985. Spokes is not in support of this plan. Council has made numerous statements in support of cycling. Yet these plans and the Redcliffs Transport Project fail to provide for, or even mention cycling. Plans show a park and new community centre with no cycle parking. This undermines faith in Councils commitment to supporting people centred neighbourhoods and providing for active transport. Spokes asks that cycle parking be provided to the south of the car parking, east of the playground and near the community hall. This allows CPTED and personal observation of bicycles where people are likely to be.		Te Papa Kura School Park	Spokes - Canterbury Cyclists Association
20616 And 20608	Parking. Minimal parking is available on site. There is not enough onsite parking for soccer teams, players/families/supporters. Everyone will have to park on the Main Rd, a major thorough fare, it will be chaotic and will create traffic congestion. Just look at the traffic congestion at Barnett Park when soccer is playing there, and there is far more available parking there. You need to allocate more onsite parking, area 2 beside toilets would be ideal. There is limited parking. Area 2 beside toilets should be more parking. Just look at the parking chaos at Barnett Park when there is a soccer game and there is more permanent parking there than what you are planning for Te Papa Kuru Park. Main Rd is going to be chaotic when games are on, and the public/players/families/supporters will be parking both sides of a major highway. It will be chaotic.		Te Papa Kura Park	Jackie Jones
20613	1. Please ensure that additional playground equipment for very little children 1-3years is included. The existing primary school age play equipment is all too high and too hard for this age group. There is very little	The gate to the playground should be removed or fixed now. It is broken and swings into the pavement. I favour fixing it as it is good	Te Papa Kura Redcliffs Park	Christine Toner

ID	If funds allow, are there any (low cost) additional items you would like in the park?	Are there any items you would like removed or not included in the park?	What should the new park be called?	Name
	<p>at Barnett Park for a 1-2 year old (only swings and a rocking horse). So Redcliffs at present has no safe welcoming play area for tiny tots. The coloured 'fort' type playground at the old Redcliffs Park (which was somewhat ok for smaller children) has been removed so please at least replace this in the new playground. Please don't say this will be added 'in future'! We have had to drive some distance to take our children to a safe playground for nearly two years already.</p> <p>2. Please provide shade cloth over the playground and in other areas in the park. So many trees have been removed now that used to provide shade.</p> <p>3. Please ensure that there is drive on access to the Community building for people with disability and for loading and unloading. Ideally this would be indicated with subtle signage to prevent people just driving across gardens and sports fields.</p> <p>4. Please ensure that there is very secure high fencing between the park and all the residential properties and red zone land all the way around the boundary.</p> <p>5. Please ensure that the special high tension rock fall protection fencing (built by the MoE in the 1980s and effective in the 2011 rock fall event) is repaired where it has been breached by a gate, and regularly checked to ensure that it remains a safe barrier.</p> <p>6. I would like to see an off road drop off pick up zone along the front of the school, or to have the car parking area as a drive through so that Redcliffs school children can be safely dropped off. Streetside drop off pick up has always been hazardous and it interferes with traffic flow on Main Road.</p> <p>7. It would be great to see much more seating around the park and alongside the sports fields.</p> <p>In addition to my other submission 20613, please can you ensure that the stone walls at the existing entranceway are retained as a kind of memorial to the old school. These walls were built at the time of the 100 year celebrations.</p> <p>Is there any other acknowledgement planned to remember the old school? If so could we consult the ex-pupils of the school. I have a list of about 300 emails from the Centenary - many will be extinct by now but then there will be hundreds more on the school database since then. It may be possible to ask ex-pupils to contribute to a memorial thing a sculpture, photo board, or a plaque. It would be important to have more extensive memorial stuff in the Community building and perhaps appropriate for the school to arrange that.</p>	<p>to have a barrier there to slow down a tiny runaway and since there is a fence along the front, there may as well be a working gate.</p>	<p>Te Papa Kura sounds as though this is an Auckland park. Can you reconfigure the contextual te reo to sound like a local place name.</p>	
20611	<p>A Hockey Pitch Redcliffs has a great history of star hockey players, even a half turf would be amazing. And a skate area would be great! We already a decent number of football fields in the area, so swapping one for a hockey turf wouldn't be a loss to the community.</p>	<p>swap one of the football spaces for a hockey turf</p>	<p>Te Papa Kura Rahia (Rahia means 'recreation')</p>	<p>Jayde Drumm</p>
20610	<p>Good Lighting for all of the perimeter pathways.</p> <p>Two seats are noted beside playground but for watching football seating would be appreciated North-west and South-east sides of the sports fields.</p>	<p>Resite the toilets: Toilets at the main entrance would not be at all attractive. Ideally the toilets could be sited between the Community building (7) and possible future recreation space (2) on the southern corner of the park. They would be more accessible for users of the Playground and Community building assuming not all of the Community building will be open 24/7.</p>	<p>Te Papa Kura Redcliffs Park</p>	<p>Dennis and Sue Morgan</p>
20600	<p>Cycle parking. When a sports game is played there is a home and an away team. There would be more car parks available to the away team families if they local children and their parents had somewhere to secure their bikes. Then maybe when there is proven demand for cycling as a form of transport the cycle lane on Main Street can be upgraded from two white lines inside the door zone of parked cars to one appropriate to a city the size of Christchurch. Also please make the drinking fountain one of the ones where it is easy to fill a drink bottle as well as have a drink.</p>		<p>Te Papa Kura Redcliffs Park</p>	<p>Catherine Kilgour</p>
20593		<p>Nothing speedy or noisy on wheels e.g. Skateboard ramps and Lime scooters</p>	<p>Te Papa Kura - Other Redcliffs Old School Park</p>	<p>Angela Abbott</p>
20584			<p>Te Papa Kura - Other Tony Ineson Park (ex Redcliffs School pupil, goal scorer & captain</p>	<p>Mark Irving</p>

ID	If funds allow, are there any (low cost) additional items you would like in the park?	Are there any items you would like removed or not included in the park?	What should the new park be called?	Name
			of NZ's Olympic Gold Medal hockey team). Redcliffs School was traditionally a very strong hockey school, providing many Canterbury & New Zealand representatives.	
20582	What allowance for cyclists please? I cannot see anything marked. How do cyclists exit / enter towards the estuary, and to Celia Street please? On the map, please make the location of bike lanes clearer - suggest a different colour please. I assume that the park will be well-signposted from Main Rd and Beachville Rd?	Where is the cycle parking pls?	Te Papa Kura Redcliffs Park I don't mind. "Redcliffs" will help many find the park more easily	Chris Abbott
20577	A playground for toddlers. Signposted vehicle access (across grass) to community building for servicing and disabled access. Flower beds and more seats. Possum and rat traps at the boundary to the rear as part of the Predator Free Redcliffs project.		Te Papa Kura Redcliffs Park	Pat McIntosh
20571		The proposed name "Te Papa Kura". The park should be named for its history as the Redcliffs School site - Redcliffs School Park. Te Ngai Tuahuriri are based at Tuahiwi in North Canterbury - any connection to Redcliffs are tenuous at best	Te Papa Kura - Other Redcliffs School Park	B Thompson
20553			Te Papa Kura - Other None of the above. Having lived in Redcliffs since 1948, I have a strong love of the area and have played a very active role in the community over this period. I object to the maori gifting of the name and would like to see the park named Redcliffs Park, bearing in mind that a land swap should also be a name swap. Along with many other people of my vintage, we have a strong tie to the area and do not buy in on the Maori claptrap.	William Rothwell
20550			Redcliffs Park	Robert & Lesley Hardie
20541			Te Papa Kura School Park	Steph Grieve
20535			Te Papa Kura Redcliffs Park Just Redcliffs Park will do.	Peter Croft
20534			Te Papa Kura Redcliffs Park This is supposed to be a consultation, see Local Govt Act 2002. There are legal requirements. Redcliffs Park please	Kate Bovett
20505	Plan good for under 5's Please keep the established trees - as many as possible	Please don't include skate park		M Price
20436	This site was unsuitable to remain as a school due to future possible earthquakes & classed as being unsafe. If the proposed new plan proceeds then surely it remains a risk to all public.		Te Papa Kura School Park	Doug Chapman

ID	If funds allow, are there any (low cost) additional items you would like in the park?	Are there any items you would like removed or not included in the park?	What should the new park be called?	Name
	NOT SAFE FOR A SCHOOL THEN NOT SAFE FOR A PARK. If the area is deemed to be safe then rebuild the new school on the same site.			
20426	Certainly NOT a skate Park. Please leave all the trees	Please leave all the trees.	Te Papa Kura Park Te Papa Kura Community Park	Robyn Pearson
20417	I'd like to see a couple of gas BBQ's with table like the ones you see on the Sunshine coast. While over there they are free and people respect them and clean up after using them, we could have a small charge of \$2 coin to use the gas.	Just wondering if any other sport will be allow to use the playing fields like junior hockey or touch rugby etc.	Te Papa Kura Redcliffs Park I have to say that I am struggling to understand why anything we build now in this city has to have a Maori name first??? I didn't want to put Te Papa Kura Redcliffs park above but it wouldn't let me leave it blank. This doesn't allow for people who oppose to the name Te Papa Kura an option to express this. Iwi is very clever by gifting all these different names around the city so they have a dominance over all these new facilities. I don't have a problem with the Maori names of buildings but given English is still the most used language in NZ why can't the English word be first??	Ali Mclauchlan
20403 and 20313	Some adult exercising equipment		Te Papa Kura - Other Redcliffs Old School Park. I would like to gift to the Council the name "Redcliffs old school park" And below that name "Te Papa Kura"	Margaret Bunce
20402	Yes outdoor area for hangi and bbq preparation close to community building, eg bench and sink with water supply, seating and fixed sun shade. Area for petanque pit with seating, close to community building. Add a linking pathway from car park to community building between the sports fields going around the existing trees. Install an information display board showcasing the previous uses of this park at the entrance, consult local historians for content matter, eg Maori, world war 2 and school use over the years. I believe these enhancements will add greatly to our cultural community events and support the diverse character of the peoples that make up Redcliffs.		Exclusion of the above suggested name. Use either Redcliffs park or Redcliffs school park as commonly referred to by locals.	Redcliffs community shed
20401	It would be great to see some basketball or netball hoops (on a half-court maybe?). How about the classic cinder-block wall for hitting tennis balls/ kicking balls/ handball etc at?			Jesse Newman
20364	All existing fencing and trees to be retained. At least one dog drinking fountain. Several rubbish bins. An information board with information regarding the history of the land being the School for over a hundred years, the Moa Caves nearby, the school being used as a hospital during the 1918 Flu epidemic etc, the earthquakes causing generations to miss out on attending the school in Redcliffs, using the Redcliffs (te Raekura) Moa motif.		Te Papa Kura Redcliffs Park Te Papa Raekura - which means Redcliffs Park. Redcliffs needs to retain a Redcliffs Park.	Kate Webber

ID	If funds allow, are there any (low cost) additional items you would like in the park?	Are there any items you would like removed or not included in the park?	What should the new park be called?	Name
20341	skate ramp		Te Papa Kura Redcliffs Park	Jeff Smit
20331		<p>I am extremely concerned to see the number 2 site at the back of the park closer to the cliffs designated as a potential other activities site which means it could be used as a future skate site. This is the very area a large number of the local residents were concerned about as there is lack of observation of this area, opportunity for trouble and a strong echo from the cliffs at this position from Skate bangs.</p> <p>There is no opportunity of supervision at this end after hours and the likelihood of bad behaviours arising as a whole is high... drugs, casing of nearby homes, inappropriate delinquent behaviours. This has already been happening while the school ruins were here. Do not put an unsupervised activity area at the back... it will invite opportunists of a different sort and compromise both park users and residents safety.</p>	Te Papa Kura School Park	Sandra Tully
20315	<p>An area to play petanque or boules - the play areas pictured are for very active pursuits. This suggestion is for those who are not so active or family groups looking to enjoy a shared recreational activity.</p> <p>Learners' cycle/tricycle area - with areas to learn about the road rules thinking of the under 5 year olds here that we want to get cycling. I saw outside the velodrome in Cambridge North Island a very much used space that had stop signs and even traffic lights teaching beginners how to navigate safely on real roads</p> <p>Bring back native bird life such as tui, kereru and kaka to this side of the Port Hills. Planting natives attracts native insects, and honey rich flowers which in turn attracts natives birds. Every bit of native planting helps. CCC must lead by example of ensuring plants are eco-sourced and appropriate for this area. Plant exotics and we get exotic invertebrates and exotic birds. So keen to have as much native planting as possible to be part of the corridor linking to the Green Spine in the Red Zone</p>		Te Papa Kura Park The vision for the Pest Free Port Hills and Pest Free Banks Peninsula is to	Cynthia Roberts
20314	<p>Parking on the vacant land at the rear of the School site close to the Building.</p> <p>All Community groups need to know what are acceptable activities for the buildings, The CCC have the opportunity with this area to make it a model for future community buildings and parks to be used to their full extent by multiple community groups in the area. Please note:- We do not need another community meeting room in the Redcliffs area as some of the already existing ones have little or no use. Make lease cost, terms and conditions of the lease to be able to make an informed decision on affordability prior to submitting an application for use of the buildings. Perhaps an open day for interested groups and discussion between them to ensure the buildings and area are used to their full extent and no become another park with facilities used two days a week.</p>	The design and layout of the park does not allow for any vehicle access to the buildings by persons with disabilities or age movement restrictions. Parking close by would ensure that the facilities are used to their full extent and accessible in all weathers by all persons.	Te Papa Kura - Other (select this option and write your suggestion below) My Preference of the park name is only Redcliffs Park.	Neville Dell
20296	A gate into the 'hazardous' area behind the school in the former back field of the school property, with appropriate warning signage, of course.		Te Papa Kura Redcliffs Park	Samuel Zelter
20281	Totara trees for tui return.		Te Papa Kura - Other and Wai Patiki - as close to where Maori caught/speared flounder and park is near sea. A well-known and respected Ngai Tahu Maori Artist Cath Brown, (also HoD Art at Christchurch Teachers' College) used to	Juliana Venning

ID	If funds allow, are there any (low cost) additional items you would like in the park?	Are there any items you would like removed or not included in the park?	What should the new park be called?	Name
			emphasise the Patiki as a crucial source of mahinga kai. She depicted patiki frequently in her many forms of art around Canterbury and overseas, she also incorporated Pukeko. Artwork showing both would be great.	
20280	On behalf of Room 5 and 6 - we are Year 3 and 4 students at Redcliffs School (38 students), here are our suggestions (11): Trampoline set at ground level Monkey bars that spin Hamster Wheel for kids Giant jumping pillow Obstacle course A lower flying fox Spiral spinning top Slides - spiral, covered spiral or metal Rope swing and other swings Playground roundabout /merry go round A dogs' playground/ exercise area with ramps etc		Te Papa Kura Redcliffs Park	Redcliffs School (Room 5 and 6)
20271			Te Papa Kura Park	(Isabel) Patricia Clothier-Murray
20256	A proposed name for the new Redcliffs Park. "Watsonville" was the original name for the area from Moncks Spur to "The Cutting" Mr Watson was the original owner of rural sections 261-262 and it was Called Watsonville in the 1890's before Redcliffs was so named. Although my relatives are of Maori descent please have no more Maori names for this area it is already too confusing to people.		Watsonville Park	Maureen Rule
20237			Te Papa Kura Redcliffs Park	Redcliffs School
20223	Please retain the young Norfolk Island Pines that were planted along the school frontage in the early 2000s, they have survived all the upheavals of the earthquakes and demolition and their striking form adds character to the coastal landscape (as the older Norfolk Pines do at Sumner!) as these trees mature, they will provide valuable summer shade for sports spectators and walkers alike. The landscape plantings along the back fence should ideally feature hardy coastal species such as Myoporum laetum, Dodonaea viscosa, Kunzea ericoides and Olearia spp but also some colourful frost tender things such as Pohutukawa, Proteas and Bottlebrush to take advantage of the warm, sheltered aspect of the site.		Te Papa Kura Redcliffs Park	David Barwick
20194	More native plantings to attract native birds		Te Papa Kura Park	Wendy Biggs
20184	a flying fox		Te Papa Kura Redcliffs Park	Charlotte Cooper
20182	A playground suitable for under 5 year olds. There was a good one at Redcliffs Park but this has since been removed and closed off. The existing playground at the school is more suitable for older children. Shade sails, particularly around the playground, would also be a great addition as the site is sheltered and sunny.		Te Papa Kura - Other	Emma Taylor
20181	1. Water fountain near road. Perhaps near toilets... for cyclists and runners passing by. 2. Path to the Community Shed, would be ideally wide enough for a vehicle. As there is always equipment and gear to drop off.	No it looks excellent. Love the toilet block.	Te Papa Kura Redcliffs Park It would be nice if this question also outlined what "Te Papa Kura" means.	Sue Cooke

ID	If funds allow, are there any (low cost) additional items you would like in the park?	Are there any items you would like removed or not included in the park?	What should the new park be called?	Name
			When googled it says School Board.	
20172	I would love to see some fitness equipment placed around the park - like North Hagley Park. It could create a fitness circuit that runs around the perimeter of the park. This could be used by children, adults and CrossFit/boot camp groups. While people are using the equipment they could provide a watchful eye that would increase the security of the park.		Te Papa Kura School Park	Wayne Simmons
20171	<p>Is the pathway to the Community building wide enough for all service and vehicles for disabled folk to be delivered to attend a function?</p> <p>Is there information boards other than the existing one in the middle of the Main rd frontage. ie others maybe at the eastern entrance and near the carpark.</p> <p>What about a space for a community BBQ to be installed - a Community Service group[s] might be interested in providing one.</p> <p>Perhaps the seats by the eastern entrance and the Main road could be placed in a space better suited for watching activity, ie parallel to the main road and on the western boundary of the grounds.</p> <p>What provision has been given to public events being held at the park like Fairs etc.</p> <p>Is there provision for flood lighting for evening sport or events.</p> <p>Maybe a drink fountain by the exiting play area.</p>	See above	Te Papa Kura Redcliffs Park	John Taylor
20166		I am opposed to a skate park being introduced to the park. If there HAS to be a skate park introduced it should be placed near the busy main road, so as to be easily seen and accessible to those who would use it, and to keep those who might use it away from housing.	Te Papa Kura Park	Gabrielle Mayer
20165	No, proposal appears sensible	Please stay within the allocated funds provided as CCC has issues in fiscal restraint. Remember lots of pensioners live close by and are on fixed incomes.	Te Papa Kura Redcliffs Park	Phil Smith
20153	In area 2 "possible future recreation space", I suggest a play park/structure that is suitable for pre-schoolers or younger children. The retained park in area 5 is lovely but too advanced for young pre-schoolers. Any additional funding to add structures to balance out the playing age would be great. Also, please consider fencing off the play areas.	Please leave the fencing. It is a relief when playing at the park with young kids to know they can't easily run onto the road.	Te Papa Kura - Other Just "Te Papa Kura"	Marie-Claude Hebert
20143	Community amenities for meetings/functions etc		Te Papa Kura - Other Just the te reo please	Jane Gregg
20140		<ol style="list-style-type: none"> 1. I would like the proposed seat location of the seat in the NW section next to the path to be removed. I believe that people should not be invited to congregate next to the immediate neighbours. This seat could be located to a more suitable location away from direct neighbours. Maybe further south where the land is Red Zoned and not next to houses that are inhabited. 2. What is the plan/restrictions that will be put in place to deter late night annoyances? (boy racers, anti-social groups etc..) Will the gate be locked at a certain time? My house is directly next to the car park and will be subject to increased noise and disturbances. 3. Planting / barriers should be put in place to prevent soccer balls from reaching the Main Road. 4. Other than that the plans look GOOD! 	Te Papa Kura Redcliffs Park	Matt Cockcroft
20134	I'm in full support of creating a Bays Area Skate and scooter Park, also a low cost dirt pump track should be considered for young children learning to ride their bikes.	No, it's a good looking design and an excellent use of this land.	Te Papa Kura Redcliffs Park	George Langridge
20132			Te Papa Kura Redcliffs Park	Anna Coppens
