

LEGEND

-  Existing trees
-  New trees
-  Habitat planting
-  New planting
-  Low level planting
-  Pedestrian path
-  Roadway / Carpark
-  Road realignment
-  Picnic tables
-  Buoys for bird priority area
-  Diving platform

KEY

- 1 Remediate lake edge for easy swimming access and boat launching
- 2 Jetty or pontoon
- 3 Trees and shrubs - provide shade and break up open grass area to deter undesirable birds
- 4 Picnic tables for lake users at key activity areas
- 5 Storage facility
- 6 Replace storage containers with shared sports facility and provide vehicle access.
- 7 Retire section of road that leads to the underpass and extend reserve to the boundary
- 8 Removal of underpass
- 9 New diving platform
- 10 Enhancement of track as part of lakes circuit walk
- 11 Create informal fishing locations along the causeway and western edge of the lake.
- 12 Maintain and protect willow islands and tall trees on margins of lake. Expand and thicken riparian margin to provide habitat and nesting areas for waterfowl.
- 13 Create sanctuary areas to protect birds
- 14 Informal parking for canoe polo
- 15 Potential relocation of main entrance
- 16 Re-alignment of road closer to property boundary
- 17 Potential expansion of canoe polo courts
- 18 Informal overflow parking for events
- 19 Potential pedestrian access
- 20 Plant old landfill site for lizard habitat and/or plant conservation with informal pathway network
- 21 New gate
- 22 Open space area to be retained with islands of low planting
- 23 Formal path to align with existing desire line
- 24 Potential location for shared sports facility
- 25 Removal of existing vehicle bay and replace with landscaped area
- 26 Potential additional entrance to reserve
- 27 Potential location for shared use facility

NOTES

1. The draft landscape plan is indicative only. The exact location and form of facilities and features will be determined at detailed design stage, after the development plan has been approved by the Board.
2. Access to road between the gates 21 will be closed, with restricted access only.
