44824	No	Yes	<p>The Model Engineers facility in Halswell Domain is extremely popular, and interfaces very nicely with the adjacent playground and skatepark. We therefore strongly support their application for an expansion to their lease.</p> <p>However, we would like City Council to put in more bike parking as a way of encouraging people to bring their bikes rather than drive. The facility is on Quarrymans Trail, and it only takes one family arriving on their bikes to fill up the available bike parks.</p> <p>Finally, we point out that it was our association's initiative, against City Council intentions, that resulted in an extension to Halswell Domain. Had this not been successful, there would have been no model engineers facility.</p>	Yes	David	Hawke	Co-secretary, Halswell Residents Association (Inc.)
44732	No	Yes	<ul style="list-style-type: none"> <li>Care needs to be taken not to obstruct the cycleway and consideration should be given to saving the space required to easily widen this path at some stage as bike traffic increases.</li> <li>There should be two sets of cycle parking, one near the toilets and another near the Halswell entrance to the railway to encourage users of the railway to use active transport.</li> </ul>	No	Chris	Abbott	Secretary and Submissions Convenor, Spokes Canterbury
44318	No	Yes	Sounds fantastic!	No	Scarlett	Conley	
44319	No	Yes	<p>Such a great venue for childrens parties, familys agreat day out for children young and old, the members are very friendly and helpful.</p> <p>We enjoy visiting including the playground for the grand children, will be great to see and ride the new extension</p>	No	Shona	Barker	
44320	No	Yes	I think this will ve great. The trains club is such a blessing to the community and all involved. Being the club has been there for so long, why not make it more exciting. Customers would surely love a chnage and the ability to enjoy longer rides on the trains	No	Nicky	Tily	
44321	No	Yes	<p>As a regular user of the Halswell Domain for recreation, I would like to voice my full support for the Miniature Railway alterations and extensions. This is a HUGE asset to Christchurch, and indeed the Canterbury region, proving to be VERY popular on their run days. The added trackage and other alterations will be a much-welcome addition, and provide not only extra trackage to test their fantastic equipment on, but also add to the variety of routes available for the public to ride on.</p> <p>I would be VERY disappointed if their application was unsuccessful, as will the hundreds of adults and children who ride the trains on a weekly basis.</p>	No	Ben	Sewell	
44322	No	Yes		No	Andrew	Patterson	
44323	No	Yes	<p>I am a keen user of the Halswell Domain, and would welcome the various extensions/alterations that the CSMEE is wishing to undertake.</p> <p>I have a model boat, and will still make use of the pond outside of the listed hours of exclusive club use.</p> <p>The railway extension will add a whole new level of enjoyment for both CSMEE members and public alike, aswell as improving the bridge across the stream near the pond, thus making it safer for the various users of the domain.</p> <p>I will be VERY disappointed if the CSMEE application was declined, as I feel they have worked hard for what they already have, and are wanting to improve it further.</p>	No	Nathan	Bergman

44324	No	Yes	I feel this is a great contribution to the community as a service for entertaining young and old. This will help draw people from wider areas to support local businesses and help connect people in these uncertain times	No	Jayden	Randall	
44325	No	Yes	The railway enhances the park and does not significantly reduce the enjoyment of park users not interested in the railway. Adequate access to the area should be ensured to the public, particularly at times when the trains are not operating.	No	Tim	Frank	
44326	No	Yes	The model railway and boats are a real asset to the city and deserve to be supported. It is a "happy place" for families. The members of CSMEE do an amazing job.	No	John	Begg	
44328	No	Yes	The CSMEE is a great asset for the park to have . As a neighbour we enjoy seeing the trains running	No	Graeme	Cook	
44329	No	Yes	The CSMME are now an integral feature of the Halswell Domain. As the wider Christchurch community population grows facilities such as the miniature trains and model boating will be ideal for family outings and enthusiasts alike.  As a long term resident of Halswell I support the CSMME re expansion their rail line and miniature boat initiatives	No	Philip	Ainsworth	
44330	No	Yes	This would be fantastic, our boys love the trains. Please go ahead	No	Ben	Haines	
44337	No	Yes	I fully support the proposed new lease, as the trains provide tremendous enjoyment to the Christchurch community	No	Matthew	Shallcrass	
44339	No	Yes	A great asset to the community, fully support their growth.	No	Jennifer	Rankin	
44346	No	Yes	The Halswell Domain railway is a wonderful addition to the domain, and has always been very popular when I've visited. I support the proposal to extend the terms of the lease, it's a great asset to the community.	No	Carey	Bishop	
44348	No	Yes	This is such a wonderful experience for kids (big and small) to learn about railways and spark an early interest in engineering. Please allow the additional land to be leased to support this group to continue their excellent work and service to the community.	No	Elisa	Knight	
44349	No	Yes	The trains are a popular part of Halswell Domain – happy to support the new developments.	No	Mark	Hamilton	
44350	No	Yes		No	selwyn arthur	everett	
44351	No	Yes	The CSMEE have brought delight to many people both young and old over the years, and this new extension will create more wonderful memories.	No	Tanya	Robertson	
44352	No	Yes	A wonderful family activity for a minimal charge with great people running it	No	Gerardine	Jones	
44353	No	Yes	The kids all enjoy the miniature trains rides there	No	Rebecca	W	
44354	No	Yes	I think this is fantastic asset we have at the Halswell Domain. The CSMEE people have always been respectful and friendly. This is a very popular activity and most importantly is family friendly at an affordable price	No	Rebecca	Kelly

44359	No	Yes	Excellent activity in Halswell for mokopuna tamariki whanau	No	Gabby	stewart	
44360	No	Yes	I think it's a bloody great idea.  Having a longer track will bring more enjoyment for children of the area and for visitors coming to chch.  It would be great to see more use of there railway track and model boats on the ponds.	No	James	Tarrant	
44361	No	Yes	This facility is so good for Halswell. Brings joy to so many young and old. Please be reasonable when setting the price for the lease o	No	Gillian	Peters	
44362	No	Yes	Provides great social value	No	Jolene	Irvine	
44363	No	Yes	The Society is doing a great job in providing miniature train rides to families with young children and if they are interested in expanding that operation then as a resident of the city I support this strongly.	No	In Kyung	Lee	
44364	No	Yes	An absolute asset to the community and the enhancements will only make it better. A wonderful place for all ages to come together.  It would be lovely if there was a way to save the tī kōuka - though I realise moving it is probably too big a job for a small volunteer group (but maybe CCC could arrange for that, since CSMEE will continue to take such great care of the area for the foreseeable future?)	No	Shannon	Corbett	
44365	No	Yes	I support the proposal. It is a good service in our community.	No	Cody	Cooper	
44366	No	Yes	It is a great community asset, at an affordable price.	No	Rachel	Geddis	
44367	No	Yes		No	Keith	Osborn	
44368	No	Yes	Their plan certainly doesn't encroach on any other park activities that I've seen. This is a fantastic facility for Halswell and the greater Christchurch area.	No	Glen	Duffield	
44369	No	Yes		No	Angela	Gombert	
44370	No	Yes	Yes definitely, amazing attraction not just for families, lots of fun. Chch needs more attractions like this on offer.	No	Nadia	Hurle	
44371	No	Yes	Yes we go there regularly and use the trains. It is a very popular spot for locals and others from around Christchurch.	No	Renee	Browne	
44372	No	Yes	I support this as the miniature trains are a fantastic part of our local community.	No	Adrian	Loo	
44373	No	Yes	Absolutely support this! My parents live on Edward Stafford Ave and my nephews love going on the trains	No	Mark	Parry

44374	No	Yes	It looks great and wonderful	No	James	Oliver	
44375	No	Yes	Helps to bolster our community and get people together. Family friendly.	No	Kate	Herriott	
44376	No	Yes	This is a fantastic asset to the community and Christchurch. It brings enjoyment to many . The playground could certainly do with an upgrade .	No	Renee	Ponder	
44377	No	Yes	The miniture railey is a big asset to Halswell. We have taken our grandchildren there on numerous occasions. To extend the track would be a real bonus.	No	Turner	Julie	
44378	No	Yes	This is a valuable asset for the local and wider community especially with the increase in density of housing in Halswell and environs. I think this venture benefits both younger and older generations and promotes family interactions. I know of people that come from Northwood to spend time with the trains. Please let this asset continue and improve for years to come.	No	Lynda	Smit	
44379	No	Yes	always enjoyed going to the train ride and love watching the boats in the pond	No	Lien No	wu	
44380	No	Yes	It is a very good use of the space, very popular with families and does not detract from the intended use of the domain. It brings people from around Chch to Halswell. The operators are friendly, experienced and safe.  I support the lease renewal.	No	Jake	Hann	
44381	No	Yes	A wonderful place to take young children to introduce them to all manner of things. Have visited many times.	No	Nicky	Sarson	
44382	No	Yes	A long-standing and much visited resource for our family. A great way to introduce children to all manner of experiences - mechanical, noisy, moving, riding on. Just wonderful. I fully support whatever they plan to do!	No	Nicky	Sarson	
44383	No	Yes	This fantastic volunteer group bring so much joy to our family. It is the highlight of the week for our son and many other train enthusiasts. It would be wonderful for the council and public to support their endeavours. We are lucky to have their presence in our community.	No	Nicola	Bunckenburg	
44384	No	Yes	Their work there adds so much value to the area. It is an amazing place for families. They are incredibly generous with their time and investment in to the area.	No	Rachael	Hurren	
44385	No	Yes		No	Ruth	Vercoe	
44386	No	Yes	This is a fabulous community resource that provides affordable, wholesome entertainment for all ages. We love being able to bring grandad for a ride with the grandkids, bring our own food, enjoy the fresh air and have a memory-building day that we all enjoy without breaking the bank.	No	Kate	Griffith	
44387	No	Yes	Very keen to see this wonderful project increase their range of tracks, and also additional activities. My only criticism is CCC need to place additional rubbish bins please, or the placement of a big bin that CSMEE have locked access to dispose of additional rubbish, when they are operating.	No	Christine	Tuapola	
44388	No	Yes		No	Ashleigh	Smith

44391	No	Yes	This is excellent for Halswell. Always so popular with families & affordable healthy fun.	No	Janet	Chambers	
44392	No	Yes		No	Rebecca	Williamson	
44393	No	Yes	The Halswell miniature railway is great fun for all ages, a new track extension would surely enhance a great family experience.	No	Summerfield	Nikita	
44394	No	Yes	It's a great asset to the domain. Kids and adults of all ages love it.	No	Ellie	Bateman	
44395	No	Yes	I support this as they have been great caretakers off the land they already lease and provide an affordable day out for young families.  The Canterbury Society of Model and Experimental Engineers have invested significant time and resources into developing their facilities at Halswell Domain over the years and their miniature railway is very popular. I trust that they will carry out planting and improvements as promised. Having extra track length will add to the excitement for children and d those young at heart.	No	Suzanne	Summerfield	
44396	No	Yes	Really supportive of this proposal. It's very popular with the kids and making it longer will greatly enhance the experience.	No	Paul	May	
44397	No	Yes	100%!!! The miniature trains are so unique and an amazing activity for families! The affordability and location makes it super accessible and it's always so well attended. It would be amazing to see this extended! This is my sons favourite activity and we attend regularly. I don't think we'd have any other reason to go to the domain!	No	Shannon	Beardsley	
44398	No	Yes	More outside activities for kids/families.	No	Melanie	Blacktopp	
44399	No	Yes		No	Simon	Shierlaw	
44400	No	Yes	Were else can a family go and spend \$20 for a full day of fun.  What's more it may encourage the youth to experiment with engineering.  Which is not a bad thing.	No	Luke	James	
44401	No	Yes	Would love to see it expanded love taking my grandson and daughter who's in a wheelchair  expansion would be fantastic	No	Julia	Templeton

44405	No	Yes	It's great cheap family fun.	No	Kim	Hammond	
44406	No	Yes	Such a great attraction for Halswell! Can't wait to take my daughter here when she's older!	No	Kirsten	Stagg	
44407	No	Yes	A fantastic community group.	No	Rob	Benden	
44408	No	Yes	They do a good job and provide a great public service.	No	Glen	Anthony	
44409	No	Yes	These people have provided great entertainment for years. Let's help them do more.	No	Mark	Irwin	
44410	No	Yes	It's a great asset for Halswell and the track minimises its footprint by running as close as possible to the existing track. No issues with formalising the pond arrangements either.	No	Cameron	Paintin	
44411	No	Yes	An excellent resource and use of resources (land). The surrounding land is well suited for this development of the railway and being publicly owned land, the commitment of the club to maintain this land would reduce ratepayer costs for current maintenance. This extension of the railway also would increase the enjoyment of those who both belong to the club and pay the very small fee to go for a ride on the trains.  As someone who has taken their daughter, nieces and nephews on the train many many times, extending the lease and the area the club can use is an investment in the many generations of children and families who have and will continue to enjoy this fantastic amenity.	No	Jake	Agnew	
44412	No	Yes	We need more attractions like this in Christchurch particularly on land that has few other uses and encourages participation of all ages as well as family fun.	No	Gerald & Susanne	Robertson	
44413	No	Yes	I think there a lot of value that this society	No	Andrew	Yip	
44414	No	Yes	It's a great place and way to spend time with the family.	No	Chris	Moore	
44415	No	Yes	The Canterbury Society of Model and Experimental Engineers are fantastic stewards of public land and provide a great family activity for all ages. Increasing the capacity they can handle with this new line sounds like a great idea.	No	James	Graham	
44416	No	Yes	Please grant an extension to their lease - this is a fantastic resource for Halswell and Christchurch. It is wonderful to get the kids out enjoying the outdoors and learning about science. Some of the drivers are so knowledgeable and are happy to share. It is obvious that the volunteers get a lot out of it and the area is perfectly usable when the trains are not running. Please let this go ahead!!	No	Wendy	Goodbrand	
44417	No	Yes	It's a wonderful family oriented site, let it expand to accommodate even more fun for everyone	No	Jill	Abel

44421	No	Yes		No	Kelly	Donachie	
44422	No	Yes	Good use of the domain	No	Philip	Painter	
44423	No	Yes	A great community event for families, would love to see it grow	No	Catherine	C	
44424	No	Yes	This facility is a great asset to the local community. The CSMEE provides a unique way to enjoy one of ChCh's many parks and further enhances the Halswell Domain. The proposal, in my opinion, has a minimal intrusion onto the existing domain area, so would have negligible impacts on other users, while enhancing the utility of the existing facility for both the CSMEE members and the general public.	No	Murray	Trim	
44425	No	Yes	I fully support this initiative.	No	John	Azuela	
44426	No	Yes	CCC. Let them have the land lease free.	No	Steve	Maynard-Smith	
44427	No	Yes	Please allow this to happen. What an awesome activity we have available in the community, expanding it makes sense!	No	Cooper	Sophie	
44428	No	Yes	It will be a good use of park lands for the enjoyment of all	No	Peter	Stanley	
44429	No	Yes	This organisation has operated giving hours of pleasure, fascination and fun to youngsters over decades. They have always had well maintained grounds as far back as their time in Addington. The members have been generous with their time to young children, showing them how they work and answering questions. A great asset to ChCh. I am not involved with this group but have grateful memories of trips with my son who has sensory processing disorder. The outside environment and his fascination with the trains would enable him to have a lovely outing and even a birthday party which was too hard for him to endure in so many other places.	No	Barbara	Price	
44430	No	Yes		No	Malcolm	Birchfield	
44431	No	Yes	Fantastic event for many cantabrians and also good for children to experience the trains and the history of the engines, great to extend the railway and more of the remote boats on the pond for all to watch and partake	No	P	Stark	
44432	No	Yes	These people are an asset to the city and their activities should be supported on all levels. As they are self funding, it is a win win on all counts.  They are making use of otherwise unutilised land and maintaining it as well. The technology they showcase is amazing and there is virtually no noise when they are operating. Obviously very popular with the public now that they operate on a regular basis from this site. CSMEE has been around for a long time and their activities should be encouraged as much as possible. As long as the public can access the pond outside the times they wish to have exclusive use then I have no problem with the submission at all.	No	Geoff	Tie	
44433	No	Yes	Awesome community attraction and they look after the area well	No	Elvina	Clarke	
44435	No	Yes	Public place just give it to them, they do more good than harm ...not hard to see its for little children to enjoy	No	Dion	Roberts

44436	No	Yes	Absolutely 110% behind the extension project...GO FOR IT.....These guys are a major asset to this community.	No	John	Moore	
44437	No	Yes	The rail way is a great asset to entertain kids and makes good use of the space in the park.	No	Gareth	Taylor	
44438	No	Yes	My son is now passed the age to enjoy this but what a fabulous asset it is. I fully support the project and believe it is an appropriate use of public land and that the public service these volunteers provide far exceeds the opportunity cost of the use of the land.	No	Adele	Radburnd	
44439	No	Yes	We love the mini trains. Real asset to the community.  Please allow a food stand/truck (preferably my ccc registered Hotdog cart Heavenly Hotdogs) to attend.	No	Jessica	Robertshaw	
44440	No	Yes	It is an amazing family friendly activity. One of the best in Christchurch and I love that it is run regularly. We don't have enough of these quality activities in Christchurch and this one clearly deserves to expand.	No	Diana	Nguyen	
44441	No	Yes	Asset to the West Chch community and young kids.  Totally support this adventure	No	Matt	Adair	
44442	No	Yes	It is an excellent facility, our children love visiting the mini trains and would love to visit once the track is extended. Well done to all the volunteers for building such a wonderful attraction!	No	Jonnette	Malley	
44443	No	Yes		No	Ursula	Dougherty	
44444	No	No	I support the lease, but only if they do more mitigation work to minimize the impact on existing vegetation. The idea that 15sqm of mature trees have to be removed to allow for this railway to be extended seems flawed in the extreme. We need to preserve mature trees, not cut them down.  Please ammend the proposal to account for harm reduction to existing mature trees. Finally, new vegetation plantings should only include eco-sourced natives.	No	William	Stewart	
44445	No	Yes	This is a great asset for Halswell, both for the young and the old, the children love the trains. The more track the better.	No	Peter	Wright	
44446	No	Yes	This is an amazing facility and offers a great day out.	No	Nicholas	Hill	
44447	No	Yes	Fully support.  The Halswell Miniature Railway is a wonderful place. I have taken many locals and visitors there, and people of all ages have always enjoyed it. It is run by dedicated volunteers, who love trains and putting a smile on visitors faces - it is never about money. Where else can you get a ride behind a cute little steam locomotive for \$2?!	Yes	Shirish	Paranjape	
44449	No	Yes	It's a fantastic family train park the children love it.	No	Sandra	Odgers

44454	No	Yes	Fantastic area for kids, they deserve more room	No	Andrew	Smith	
44455	No	Yes		No	Melissa	Brown	
44456	No	Yes	There is an existing temporary 2 planks of wood which is a footbridge used by many Domain residents and sports players.  The proposed layout shows the train line running over it. We expect provisions for foot traffic to be made as well over the creek. Kindly confirm that this will be included in the project.	No	Prawindra	Mukhia	
44457	No	Yes	The railway is a great family attraction and a good use of this community space. The needs of other park users had been considered and so I support this proposed new lease.	No	Arthur	McGregor	
44459	No	Yes		No	Richard	Morris	
44462	No	Yes	This is a great community focused group. The upkeep and ongoing maintenance by these volunteers helps create an amazing space for all, not just families. The cabbage tree could be relocated to attempt regrowth in a new location. I would hope that this gets the necessary approval to progress for another 15 years.	No	Georgia	Carpenter	
44464	No	Yes		No	Allan	Genevaas	
44465	No	Yes	We support the extension as it brings people together. It also utilises land that is poorly used.  It would be good to include walking access on the proposed bridge	No	Mark	Nuthall	
44466	No	Yes	Great facility for families. Brings lots of people down to the domaine every weekend to use the trains and also the neighbouring pond and play area.	Yes	Rachel	Cant	
44467	No	Yes	Great facility, deserving of public support.	No	Ollie	Tuohy	
44468	No	Yes	Went for the first time today, enjoyed it a lot but if they were able to extend the lease and add extra track it would allow more options to alter routes for a totally different experience.	No	William	Gardiner	
44469	No	Yes	We enjoy this activity. Our daughter has had delight riding the trains and gets upset when we have to get off. The chance to extend the ride will enhance this attraction and I believe will encourage more people to ride and visit the domain at the same time	No	Emily	Gardiner	
44470	No	Yes	Such a great idea. Halswell is booming with young families so it is appropriate to have something cool like this	No	Lucy	Wilson	
44472	No	Yes	We can't wait for the new track!	No	Pip	Hough

			Big weekends bring money and people into Christchurch. Lake maybe could use some work on it to improve it.				
44509	No	Yes	Great asset to the community and great for future generations. Brings young and old together	No	Jesintha	Roberts	
44510	No	Yes	It's a fantastic asset for the area and very popular with people from all over the place. It provides a lovely affordable outing for families and the longer track will give more of a view of the area out in the open.	No	Angela	Mcconchie	
44511	No	Yes	This is a wonderful community initiative.	No	Karen	Mather	
44512	No	Yes	I absolutely think this would be a great investment for our community and is a much loved activity by many families not just from Halswell but from around Chch and NZ	No	Tayla	Vellekoop-Ward	
44513	No	Yes	Great for families	No	John	Harris	
44514	No	Yes	So many families really enjoy these activities and its gets families outside away from screens having fun together.	No	Cherise	Jones

44524	No	Yes	One only has to look at the faces on the small children to see the social benefit of this organization and what its volunteers achieve for the whole of Christchurch, let alone for the Halswell Community. We should be encouraging them and doing all we can to increase the service they provide	No	Peter	Mitchell

44526	No	Yes	I love it! I think it's a wonderful idea and just hope that the prices don't increase too much. It's so refreshing to have something original like this that's affordable for many families still. I'm sure a very small increase would be ok for most.  A great idea to expand and arrange model boating events.  A big thank you to everyone who puts there time, effort and money into this adorable hobby/project.	No	Stacey	Puha

44529	No	Yes	Absolutely!! This would be so amazing to have more track and boat events. We love hearing the train whistles at home when we can't make it down.	No	Claire	Watkins	
44530	No	Yes	It's a great place for families to go and the land is not being used. Having the boats on the pond another great activity.	No	Trish	Ward	
44531	No	Yes	The trains are an awesome attraction for families, and with halswell and surrounding areas growing at a fast rate with new subdivisions it will become even more popular than it is already. The domain is very beautiful and this will add to that. Model boat events would be awesome to watch aswell!	No	Gemma	Williams

44543	No	Yes	I have lived in Halswell for 37 years and love the miniature railway. Such a well looked after and fanastically run piece of our suburb should absolutely expand within the area outlined	No	Erin	Hamilton	
44544	No	Yes	Such a great attraction and a real asset to halswell and the community	No	George	Clark	
44546	No	Yes	Great fun place for the kids	No	Michelle	Cust	
44547	No	Yes	They provide a great service to the local community and it is enjoyed by many in the area. Family friendly and CCC should support it.	No	Steven	Duxfield	
44548	No	Yes	Support the proposal , but have concern over the new bridge. The position of it is where a lot of people cross into the domain. I believe it should be dual use for walking and cycling as well as the railway. So believe the council need to pay some cost to make this user friendly for community to use. This make-shift bridge ( currently installed by locals) is used now is used by more people than the CCC cycle way down past the far side of the railway. It is a crossing point for the community to Library, service centre, supermarket & shops and to the domain itself.	No	Bede	Cunningham	
44549	No	Yes	A great idea. My kids love the trains and a bigger tracker would definitely work for us all! Thank you :)	No	Karim	Sabet	
44550	No	Yes	The Halswell Miniture trains provide so much joy to so many. They are truly wonderful as are the dedicated volunteers who run them. Extending the tracks around the pond and promoting boating events are fantastic ventures which will greatly enhance the amenity value of the domain.	No	Rachel	Davies

44555	No	Yes	With 3 and soon 4 generations of family support to CSMEE, our family have enjoyed the experience the club have given to chch. In halswell and the previous location.  To see a growth in a volunteer club, is rear in the common day.  You only need to see the familys lining up for rides on any given day when the club is running to know this is a very well supported and utilized facility.	No	Troy	Wilson

44574	No	Yes	My family and I have enjoyed the facility in the past, and I support the proposed plans.	No	Craig	Hall	
44590	No	Yes	I live approx. three minutes walk from the site. They are providing a great and a popular service to numerous families from all over ChCh, and I fully support their proposal to expand their lease. From what I can see they have very little impact on the surrounding environment, while providing a lot of enjoyment and laughter to young and old alike.	No	Rohan	Dewa	
44614	No	Yes	I am writing to support the proposed extension to the model train tracks in Halswell Domain.  My property has a back boundary with the park and I walk my dog there most days.	No	Jeanette	Rowden

			<p>The trains are a huge draw card on Sundays – it is a very cheap ride for children and I love seeing their excited faces as the trains go by. The cost of \$2:00 a ride is extremely affordable for their parents. My own children – now adults used to enjoy riding the trains. Many families make a picnic day out of it and the nearby skate park and playground get lots of use also</p> <p>This attraction is made possible by the many hours of voluntary work the train owners put in.</p> <p>As a low cost, high quality attraction aimed at families I sincerely approve and support the plans to extend the rail network</p>				
44646	No	Yes	Such a great family place. Kids love riding the trains	No	Mary	Chisnall	
44794	No	No	<p>i do not support the extension to the track encroaching towards William Brittan ave road side. and the rail bridge part on the plan noted as number 4 . i have no problem with the extension going deeper into the domain away from residential homes .as my home would be the closest to the tracks. when they bridge cross at area noted on the plan as number 4 ,and toot the horns .its to close and will affect my quality of living .</p> <p>they do this now in the distance i can hear every toot especially with wind direction .</p> <p>when i purchased my site and built my home there . and the other homes along William Brittan ave</p> <p>there was no railway or skate park there .the view was a pictures reserve .</p> <p>extending their track deeper into the domain without encroaching towards existing houses would be a logical compromise for William Brittan ave residents and the model train society .</p>	No	paul	de roo	
44795	No	Yes	Yes love this idea! The trains are so popular with families!	No	Liz	O'Neill	
44796	No	Yes	This facility is excellent and an extension will enhance it	No	Peter	Hope

44808	No	Yes	As a parent with a young child living in Halswell, I have found the miniature railway to be a great afternoon out for our family and my young boy loves the trains. The volunteers are always so friendly and great to the kids and parents alike. It's a fantastic place for the community with all the birthday parties and what not that take place there. Some additional track plus the other improvements will make it that much more exciting and really make the railway something the Halswell and Christchurch community can be proud of. Sure it will take up some more of the reserve but with some sensible and creative planting, the opportunity is there to make it a really wonderful space for families to continue to enjoy for many years to come.	No	Regan	Lock

44814	No	Yes		No	Rebecca	Jacka	
44815	No	Yes	Great for the community & young & old can be involved.	No	Philippa	Barnes	
44816	No	Yes	I think it's a great idea, it brings a new attraction to the community and a bit more revenue, it provides a place to do more family friendly activities and engage in water activities. The new tracks will not be an eyesaw as rhe current tracks are already maintained and it will be mitigated with the additional planting.	No	Grace	Walker	
44817	No	Yes	The trains are so much fun for young and old. The train members are so passionate about what they do and are so responsible for their surroundings. I believe this is the best thing for this park, a larger space for these would be a great utilisation of space for the community to enjoy. We use the park for skateboarding, walking, sport and the trains make this place special, even if you don't use them. An asset for Halswell.	No	Alice	Maxwell	
44818	No	Yes		No	Simon	Carter	
44820	No	Yes	The model railway is such a wonderful asset for halswell  Our children loved it and now grandchildren are	No	Liz	Keenan

			I hope this goes ahead				
44821	No	Yes	As a young family we really appreciate the effort of these volunteers and would like to support them.	No	Sarah	Direen	
44822	No	Yes	the miniature railway is a fond memory from my childhood and it would be very cool to see this expand for others to enjoy and bring some cool exciting expansions to a hard time	No	Ella	Duncan	
44823	No	Yes	This is such a fantastic community resource in Halswell. Would love to see it extended.	No	Hannah	Kennedy	
44825	No	Yes	This is an excellent family experience for the young and the young at heart. Not expensive and very well run. Great place for birthday parties for the little ones.	No	Bill	McElhinney	
44828	No	Yes	Happy to see this grow, great family addition to Halswell and attracts outside visitors	No	Emma	Cooper	
44829	No	Yes	As residents living close by we strongly support the proposed new lease.  The plan provides a valued enhancement of the current facilities of the venue without detracting from existing layout. The line extension will provide additional capacity and opportunities using land that is currently unused except for wildlife. The land area for the rail extension would still allow wildlife to nest and rest, mainly at night.  The current facilities are well used, well managed for the benefit of all ages.	No	Peter & Pat	Braithwaite	
44833	No	Yes	I'm live across the road and the train are such a cool thing for the neighbourhood, attract wonderful families.	No	Kirsty	Tyro	
44834	No	Yes		No	Ellen	Mel	
44835	No	Yes	It is excellent use of the domain. Great entertainment for people of all ages.	No	Tiffany	Holborow	
44838	No	Yes	It is the only miniature railway within a large area. It provides a relatively cheap and safe outing for families that suits a variety of ages. Children and adults alike love it. The people who run it are wonderful.	No	Kim	Strange	
44840	No	Yes	It is great for families, children and adults alike. Trains are fascinating and this is the only way most children and adults will ever be able to see a real one close up and actually be able to ride on one. They are a great asset for the community of Halswell. They only run one day a week, are family friendly and set up in a pleasant environment that enables people to picnic etc and enjoy a family day out.	No	Vivien	Jones	
44841	No	Yes	This is a great local attraction, always well supported and busy.  It is also well managed. The extension would add to the fun and value and I'm confident it would continue to be managed very well.	No	Sara	Carter	
44842	No	Yes	I'm especially pleased to see the pond will become a feature for model boats. The extra track length will provide more interest and scope for the growing popularity of this activity.	No	Warrick	Nelson	
44843	No	Yes	This is a great community organisation and I support all the work that they do within and for the wider Halswell community.	No	Beccs	Scoltock

44845	No	Yes	This is a very well used Railway and the added features will be of great benefit to those who have used it in the past and those who use it on a regular basis and will attract more patronage in the future. This is a great venture and activity for the area. This extension is a great and exciting upgrade.	No	Julie	Tanner	
44847	No	No	The Halswell domain continues to lose green space. We are sick of the constant noise (tooting) of trains every Sunday. Each train toots approximately 8 times per lap with up to 6 trains continuously running up to or beyond 6pm. The constant noise prevents us from enjoying/ entertaining in our garden. The new proposal is very close to houses & footpath.	Yes	Craig	Workman	
44851	No	Yes	Yes but can we ensure the landscaping is effective and completed and also that the lake use for the public remains as it is popular for many families feeding ducks etc and in the past there wasn't effective management of this and wildlife (birds/ducks) were harmed.	No	M	Knott	
44854	No	Yes	Affordable family fun run by a friendly well organised group. Looking forward to seeing their extension.	No	Louise	Starkey
