

Resource Management Act 1991

Christchurch City Council

Application for Resource Consent

Application Number: RMA/2022/517

Applicant: Te Whare Wānanga o Waitaha the University of Canterbury

Site address: 129 Waimairi Road, Ilam

Description of Application: Redevelop the existing University of Canterbury Dovedale Campus into a Digital Screen Campus, with educational, research and commercial operations co-located together on the site

Minute 1 from the Hearings Commissioner

1. Under delegation from the Christchurch City Council I conducted a hearing of this application on 23 and 24 August 2022, and heard from the applicant, a number of submitters and the Council officers. At the conclusion I adjourned the hearing to enable me to make a site visit, and to review the case to understand if any further information might be required.
2. I have now made a site visit and reviewed the information before me. As a result I have no further requests for information from any parties.
3. Therefore the hearing is now closed and I will proceed to prepare a decision.
