

# Light up the City Competition

The Enliven Places Programme at the Christchurch City Council is running a design competition to help create new templates for our projectors in the Central City. Successful designs will be projected onto the footpath for everybody to see and enjoy.

## The theme: What I love about Christchurch

This is your opportunity to show us what you love about Christchurch City. You can submit a poem, text, or a drawing. Simple black and white designs work best. A few colour designs will be selected but must use a maximum of three colours. All entries must be original designs and not copies of other people's work.

## Entry Details

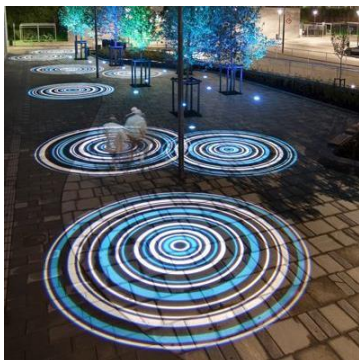

Competition opens Friday 15 March and closes Friday 12 April 2019 at 5pm. Winning designs will be showcased on one of ten projectors for a limited time between May and October.

Artwork can be submitted by email to [lightupthecity@ccc.govt.nz](mailto:lightupthecity@ccc.govt.nz) as a JPEG, PNG or PDF file at a high resolution. Alternatively, submissions can also be:

Dropped off to:
