We the undersigned ratepayers in  
Victoria St Christchurch North beg to draw your attention  
to the abominable dusty nuisance which has existed in  
this locality for a very long time past, caused by  
the collection of dust by Motor and tram traffic  
and stirring it up in clouds making it almost  
unbearable the watering of this Street is neglected  
and lately has been very unsatisfactory. We there-  
fore trust that you will be good enough to give  
us some relief in this matter by giving this part  
of the City better attention as regards the matter  
of dust &c in the future than has been given  
of late. by doing so you will confer a very great  
favour on us and the public. On Tuesday the  
dust was swept up which we wish to state  
somewhat abated the dusty taint

We remain

yours faithfully
