My principal place of residence is in the Harewood Ward of the Fendalton-Waimairi-Harewood Community Board area.

Northwest Christchurch is the best place in Christchurch to retire or raise a family. That is why my husband and I love living here with our

son.

As a new mother and banker at Westpac, I want to keep working to put our rates to good use and ensure they aren't wasted.

We make a big contribution to rates from Harewood, and we want that to make our community safer and healthier. That means, keeping our street and parks maintained, and ensuring our roads and utilities are working properly.

In my first term on the community board, I have gained the experience, knowledge and confidence to contribute even further for Harewood.

We must focus on giving future generations a safer and healthier future, while looking after older generations who have worked hard and deserve the best lifestyle we can achieve here in Northwest Christchurch.
