Independent

My principal place of residence is in the Harewood Ward of the Fendalton-Waimairi-Harewood Community Board area. I am also standing for Harewood Ward Councillor and the Canterbury District Health Board.

I am Aaron Keown, and I am currently your city councillor for the Harewood ward, and I represent you on the CDHB. I am proud to say I'm the chair of the CCC Disabilities Working Group, a group that was formed by the mayor through my advocacy for the disability sector. I am married with three children and we live here in the ward.

Harewood is a very diverse ward and the best place in Christchurch to live. As your Community Board member I want to keep it this way by supporting the many groups and organisations that work within our ward to make it the great place it is. My voting record has shown that I always put the people of Harewood first and I will continue to do so if re-elected.
