Your views count. Community is important to me. Strong leadership, communication and consultation a high priority.

Communication, consultation and openness are a must and I will work with you to improve the way your community board operates. Over eighteen years experience on Council and Community Boards.

I value the work of community organisations and have served on many trusts. Currently Chair of the Orana Wildlife Trust and Deputy Chair of the Canterbury Sports Foundation.

I have the skills, experience and judgement needed to be your strong, effective voice on the community board.

After thirty six years as a police officer, I have strong communication skills and a sense of right and wrong. My family have been residents of Avonhead for over twenty years.
