

Christchurch City Council  
Fendalton Ward of the Fendalton-Waimairi-  
Harewood Community Board  
Electing 2 Members

---

**David CARTWRIGHT**

Independent Citizens

My principal place of residence is in the Fendalton Ward of the Fendalton-Waimairi-Harewood Community Board area.

I am currently deputy chair of the FWH Community Board and seek re-election.

I am committed to our community, and those who live in it. The next few years will continue to be important for the development of Christchurch, and a strong community voice is needed to ensure we make the most of every opportunity.

I want to see a straightforward, common sense approach to the governance of Christchurch, with clear and open communication between all stakeholders.

My background is in hospitality and general management. I am a trustee for the NZ Flying Doctor service, national board member for Keep NZ Beautiful & KCB, former member NZ Institute of Directors.

My community involvement gives me opportunities to talk with people from a variety of organisations and interest groups; providing a broad perspective on what is happening across our city, and a sound base from which to advocate on different issues.
