Ali JONES

Independent

My principal place of residence is in the Innes Ward of the Papanui-Innes Community Board area.

After a term on the City Council (2013-2016) and two terms on the Papanui Innes Community Board (2013-2019), I have decided to put my name forward for another term on the Community Board. Working in the community and advocating for individuals and groups is where I believe I can and do, make a difference. Rooding, traffic, housing density, cycleways and public transport are the issues residents tell me are their priorities. After a total of six years in local government and extensive experience advocating for insurance claimants, I am dedicated to working for individuals and the community as a whole. Papanui Innes is our community. We face a number of challenges in the coming term and my experience and networks will help navigate those challenges.
