Greg SUGRUE

The People's Choice - Labour

My principal place of residence is in the Burwood Ward of the Coastal-Burwood Community Board area.

I have lived, played and worked in Burwood for over 35 years. This is the place I was raised and where we now raise our children. I will provide local representation that has been missing in our ward. Over the next three years I intend to be an advocate to ensure that the roads are repaired on time, investment in infrastructure continues, council assets are retained for the future, social housing is affordable, habitable and healthy, and that the red zone is transformed into a community asset we are all proud of. I will work with our elected counsellor to make sure our ward of Burwood is the best it can be, that funds are used to better peoples working conditions, housing, education, access to transport and social support. Your vote for The People's Choice team will ensure our ward and community keep thriving. Let's do this.
