Debbie MORA

Independent - Community Focussed

My principal place of residence is in the Halswell Ward of the Halswell-Hornby-Riccarton Community Board area. I am also standing for the Canterbury District Health Board.

I have lived in Halswell for 34 years and continue to love it!

For the last 6 years as your Community Board representative I have been passionate about serving our community, advocating and mediating our community issues and concerns. These proven skills come from my extensive background in Employment Relations, Finance and Taxation.

Lowering our rates is paramount and we need to rethink our spending to achieve this, focussing on priorities. The water quality of our city is one of the best in the world and I will continue to advocate for this.

I am Resource Management Act accredited to sit as Commissioner on RMA consents panel hearings which gives me strong understanding of our consents processes and I am also our board's Chairman for our Submissions committee.

My personal interests are aviation, motor racing, playing bridge and attend church locally here in Halswell.

I remain Community Focussed, Community Driven.
