**Narinder SINGH WARRAICH**

The People's Choice - Labour

My principal place of residence is in the Halswell Ward of the Halswell-Hornby-Riccarton Community Board area.

I came to New Zealand in 2009. It has become home for me, my wife and our two-year-old son.

As an entrepreneur, I support economic growth but not at the cost of our natural environment. I believe that New Zealand's future progress depends on our ability to adapt technologically. A central element to this is educating our young people in technical skills.

As a community board member, I will act with transparency and work for the well-being of our communities. I will focus on protecting our precious water and stopping water bottling. I believe in taking real action on climate change, and will work to engage the public in conservation programmes.

I will work to address road safety and the traffic congestion in Halswell. I will also support the stabilisation of increasing property rates.

Together we can make a difference. Please support and vote for me, Narinder Singh Warraich.
