

Christchurch City Council
Riccarton Ward of the Halswell-Hornby-Riccarton
Community Board
Electing 2 Members

Peter LALOLI

Independent

My principal place of residence is in the Riccarton Ward of the Halswell-Hornby-Riccarton Community Board area. I am also standing for Riccarton Ward Councillor.

After 48 years of living and raising a family in Christchurch and many years of community service including 15 years as the Police Commander responsible for the Riccarton Ward, and 15 years on the Community Board, I believe I am well qualified to represent you on the CCC.

The Riccarton Ward requires someone who understands both local and central government work. I believe in accountability in all areas of public service and will work hard to develop a sustainable community that creates a healthy environment that manages the issues related to the city rebuild, transport and urban development.

I will bring to the Council an open, independent and practical approach to decision making which includes talking with and listening to people in my community. We must stop spending and wasting money.

Together we can grow Riccarton and our city, positively and effectively.

Please support and vote for, Peter Laloli.
