Helen BROUGHTON

Independent Citizens

My principal place of residence is in the Riccarton Ward of the Halswell-Hornby-Riccarton Community Board area.

Your Strong, Experienced, Advocate with real commitment to this community where I have lived over 30 years, raising two children.

Deputy Chair of your current Community Board, former City Councillor accredited for resource consent hearings: I have the planning knowledge and experience to advocate effectively for our community, facing increased pressures from the City Plan. I am committed to protecting our residential environment and giving residents a real voice on local decisions. I have stopped apartment zoning in north Riccarton, promoted parking restrictions in residential streets and retained Council services for the new Riccarton Community Centre.

I will continue strengthening relationships with people from many diverse cultures.

I work to protect our heritage; former Trustee of Riccarton House and Canterbury Museum. MA(Hons) University Canterbury, former human resource manager, trained teacher and counsellor.

I will continue to stand up for you and deliver results.
