Callum STEWARD-WARD

The People's Choice - Labour

My principal place of residence is in the Spreydon Ward of the Spreydon-Cashmere Community Board area.

I am asking for your support to represent Spreydon on our community Board.

I went to school at Hoon Hay Primary and Manning Intermediate. I now live on Parlane St, near Lincoln Rd. With a degree in Mechatronics Engineering, I work at Deloitte as an analyst. Previously I worked as a teacher aide at Addington Te Kura Taumatua.

In a rapidly changing world, I am a firm believer in young people and community led decision making. Last year I helped to build an urban farming start-up in Addington, and volunteered extensively as a youth mentor.

This year has been difficult for our city, especially our Muslim whānau. I am proud of how our community responded to hate, and I am committed ensuring that every person in our community knows that they belong.

I am standing for our young people, clean water, public transport, inclusion and a board that listens.
