**Gail Patricia WOODS**

Independent

My principal place of residence is in the Heathcote Ward of the Linwood-Central-Heathcote Community Board area.

I have been active in our Heathcote Ward, helping those that have needed assistance with their earthquake issues and making sure they are getting fair settlements for them all.

My drive is to assist others and I will continue to pledge to do my best for anyone that needs it.

Christchurch Water is of keen interest to us and we need to be actively involved in preserving our safe drinking water status in our city and I will advocate for this.

Fair and good outcomes have always governed my decision making.

My Interests are extended Family, our dogs, Healthy Lifestyle, advocating, attending church.

My belief is if good people do nothing then negative circumstances will prevail.

I am married with 7 adult children and 5 grandkids between us. We enjoy living in the wider Heathcote Ward which is why my desire to represent you on the Local Community Board.
