Wendy EVERINGHAM

My principal place of residence is in the Lyttelton Subdivision of the Banks Peninsula Community Board area.

Lyttelton is my home.

I enjoy the diversity of our community and the wealth of knowledge and ideas here.

Your creativity and energy have always motivated me to make things happen for our community.

I'm well suited to this role with a background in transport, community development, tourism, reserves, financial management and local community groups.

I understand our community and the challenges it faces. I am empathetic, accessible and committed to listening to our people.

I view this role in two parts. Guardianship of what has been built up over the years and a champion for community initiatives of the future.

I believe that together we have all the skills we need to reach our goals.

We are the experts in our place and I will champion that in an open and transparent way.

I look forward to your support.
