

Christchurch City Council
Innes Ward
Electing 1 Councillor

Lindon (Boycey) BOYCE

Independent Stop the Rot

My principal place of residence is not in the Innes Ward area. I am also standing for the Innes Ward of the Papanui-Innes Community Board.

For years we have suffered out of control Rates, irresponsible Spending and Incompetency with our Council promoting personal agendas not our

majority needs

I will - Freeze all council Rates and fees, stop non-essential spending; Prioritise the construction, repair and future of our Roads, footpaths and Essential services ; Return common sense to the CBD, revise all speed limits and rebuild Hospital and CBD parking; Provide Safer Cleaner Parks, Waterways, Streets and Community facilities; Fight Bureaucracy and Social Engineering. As a 4th generation Cantabrian living in St Albans I have already worked with CCC building Roads, and infrastructure. I have caught burglars and taggers, fought fires on the Port Hills. I have business experience in Security, Private Investigation, Fire & Ambulance support, Heavy Transport, General Contracting Geotech Engineering Mechanical and Electrical repairs
I represent the home and small business owner, the average person promoting a common sense Non-Political agenda
