

Christchurch City Council
Burwood Ward
Electing 1 Councillor

Phil MAUGER

Independent

My principal place of residence is not in the Burwood Ward area.

My message is simple. Look after Burwood. Stop ridiculous rate rises. Fix our roads and buildings, and look after our people. The housing conditions of many need immediate attention.

We've been let down badly since the earthquake. It's time for a change

People living in the east want to be heard. I will represent your views at the council table as an independent voice.

My commitment to the east is strong. I grew up here. My kids went to school here. My family has lived in Christchurch's eastern suburbs since 1945.

For more than 70 years my family business has built subdivisions, roads and many homes for people living in and around Burwood. I know this area well.

We have to ensure that the remaining rebuild is not beyond the affordability of our ratepayer base. We need people with commercial nous around the Council table
