DCL is a Council Controlled Trading Organisation (CCTO) for the purposes of the Local Government Act 2002.

## Nature and Scope of Activities

---

DCL was established by Council in 2015, with its purpose being to accelerate development activities in Christchurch's built environment to achieve positive social outcomes that lead to a prosperous local economy.

On 1 May 2019, DCL increased its investment in the Christchurch Adventure Park (CAP), taking its shareholding to 54.73% and establishing it as a Council Controlled Organisation and subsidiary of DCL. CAP's vision is to be "New Zealand's leading active outdoor leisure park and Canterbury's number one attraction". CAP's focus is on active wellness, incorporating:

- Hard to replicate social outdoor exercise and leisure experiences;
- Support for national and local government objectives around tourism and having active healthy communities; and
- CAP's offerings are structured to align with global consumer trends of clean living, a preference for consumer experiences over products and mindful consumption.

CAP seeks to use the Park's amazing natural features and environment, buildings and infrastructure to provide an experience to users that delivers a high-quality customer experience end to end.

In addition to these core objectives CAP will also:

- Ensure that the organisation performs to a high standard, with key policies, processes, systems and people in place.
- Ensure that best practice governance, assurance, financial, and health and safety practices are applied to its operations, relevant to the size and scope of those operations.

In mid-2020 Council requested DCL to prepare a plan to transition all its ongoing projects and functions to local agencies given the changing economic drivers in the city both post COVID and as it nears a decade since the first Canterbury earthquake.

In 2020 the Council determined that the operations and functions of DCL were to be transitioned to ChristchurchNZ (CNZ), with DCL retaining ownership of its assets. In October 2020, CNZ was contracted to provide services in relation to the assets remaining in DCL ownership via a service level agreement. DCL continues to hold the land assets, and the equity investment in Christchurch Adventure Park.

In late 2021, the Council agreed to capitalise CNZ. The Sol period relates only to the financial year ended 30 June 2026, and this Sol may be updated during this period if the remaining functions or the assets owned by DCL change.
