This response directly contradicts what the sign states - only one of these can be true, either:

- 1. Buff paint is supplied by CCC; or*
- 2. Buff paint was at one time supplied by CCC - but is not supplied anymore*

Can you please help me to understand which is correct?

Council Response

The art wall is a free art space for members of the public to paint their own design. If someone wants to paint over an existing artwork, this is fine. There is no agreed 'life' of any artwork.

Buff paint: Buff paint is supplied by Council. If the artist wants to cover over the existing artwork to have a blank canvas to work on, they can contact the Graffiti team to get some free paint. This comes free from Resene so there is no cost to Council.
