Request

Please advise when the South Express MCR (Templeton to Islington) tender pack is due to be released. It was my understanding this should have happened in either June, July or August but I have yet to see this.

There is a high-level of public interest in this project (it is listed as being of metropolitan significance).

Council Response

Staff can confirm that the current plan is for this to be released next Thursday 18 September 2025. It will be completed by months end.
