

Learning Through Action EOTC Programmes at COVID Orange Light

References:

- [EONZ - LEOTC Learning Under Covid-19](#)

The tables below outline which Learning Through Action programmes are currently available under the Covid Light setting, and define what these provisions will look like.

Please note that it is our strong preference to provide the programmes in the related real-world setting, but under current conditions we would also like to offer some opportunities on your school site.

Provision of Programmes OFF the school site

What this looks like:

- Most programmes can be provided at the normal site/s. Some programmes may be modified versions.
- MOE guidelines followed, including:
 - The programmes **must** be curriculum-related activities/services.
 - Care will be taken to maintain 2m distance from members of the public.
- All CCC staff delivering the programmes are CVC compliant.
- Appropriate risk management strategies will be in place.
