

Christchurch City Council

Banks Peninsula Ward

Electing 1 Councillor

Andrew TURNER

The People's Choice

My principal place of residence is in the Banks Peninsula Ward area.

I am also standing for the Lyttelton Mount Herbert Community Board.

I am a current Lyttelton/Mt Herbert Community Board member, and have been heavily involved with local community groups at a governance level with significant achievements. Having successfully run businesses for many years I have strong commercial and financial abilities. I am a good communicator who engages and works collaboratively and positively. I believe Council needs a new culture of getting things done - recovery is not business as usual. I will support urgent replacement or repair of local facilities, put people at the heart of recovery, retain and enhance local services, and ensure our unique environment, culture and heritage is enhanced and sustained. I believe in a grassroots up rather than top down approach. I understand the importance of rebuilding our local democracy. I will work hard for you, be available and approachable, and be a strong voice to ensure your views are heard and Banks Peninsula is effectively represented.
