

Christchurch City Council Shirley-Papanui Community Board Electing 5 Board Members

Emma NORRISH

Independent

My principal place of residence is in the Shirley-Papanui Community Board area.

I am a passionate and motivated member of the Shirley-Papanui community, having grown up in St Albans and now raising a young family in Redwood. I am fully committed to Christchurch, and ensuring that the potential of our community is fulfilled. I understand the key to being a successful Community Board member is keeping in touch with and communicating openly and honestly with those in the community, and acting on their behalf. The broad range of skills and qualifications that I bring to the role include a law degree, ensuring an understanding of complex legal issues and of how local government operates. Involvement in local sporting, music and family-related groups gives me an insight into our community, and the desire to put my skills to work in ensuring this is a safe and inspiring place to live, work and raise families.
