

Christchurch City Council Hagley-Ferrymead Community Board Electing 5 Board Members

Joe DAVIES

The People's Choice - Labour

My principal place of residence is in the Hagley-Ferrymead Community Board area.

I have lived in the Hagley-Ferrymead ward for the past 8 years and am currently studying at CPIT. I have been privileged to experience the broad social and cultural character of the ward having attended both Mount Pleasant Primary school and Linwood College. I enjoy travelling, reading and spending time with friends and family.

I am standing for community board to bring a fresh voice for those who are struggling in the midst of a rebuild that isn't putting the residents of our ward first. I promise to stand up and speak out on issues that are affecting the people of Hagley-Ferrymead. Issues range from insurance fiascos to the housing crisis in Linwood and Woolston that isn't being talked about enough.

I intend to listen to our residents to ensure that this position of public office can be used effectively to represent the people and communities of the ward.
